The People's Wealth for the People. Rev. Dr. Lyman Abbott in the Aug. Forum.]

When men were taught that they had a right to think, the whole world of thought was open to them; when they were taught that they had a right night, and after several hours' wanderto govern themselves in the church, ings through the mountains, returned self-government, first in the state, and then in industry, followed as the day afterwards arrested four men who gave follows the dawn. In America our the names of Ed. Carroll, Ed. McCarof the people; our industries on their station as "hard cases." They were based on democratic principles, and an industrial system based on oligar-chical principles. We shall become sooner or later consistently democratic or consistently oligarchic. The whole labor movement, with its organiza tions of workingmen, its labor legislation, its strikes and boycots, its brotherhood of industry, its demand for shorter hours and longer wages, sharing and co-operation, its proposed nationalization of land and industries, is all a movement toward industrial lemocracy, that is, toward such an industrial reconstruction as shall recognize the truth that wealth, like education and political power, is of the people and for the people, and therefore, should be administered by

A Cure for Sick Headache.

This distressing complaint is due to an inactive or sluggish liver with cor-stipated bowels which deranges the stomach and disturbs the nervous system, causes dizziness and an oppressive dull pain in the head, often so severe as to prevent all rest or sleep. One of Dr. Gunn's Improved Liver Pills will relieve you of all the pain and misery and a few more doses will correct the liver and stomach and regulate the bowels. While these pills are small, easily taken, and mild and gentle in their action there is no medicine made that will so effects the confectable are size. effecteally cure sick headache. 25cts a box. Sold by T. N. Bolton. Trunks and Valises at Blount's.

ld, softens the gums, allays pain, reieves wind, regulates the bowels, and s the best known remedy for diarrhoea, whether arising from teething or other auses. Twenty-five cents a bottle. Turkish Prison Atrocities-

The special correspondent of the at love making. We live here quietly ondon Daily News has succeeded in without the slightest notoriety and by 1,811 prisoners, over 12 to the cell. press them." The unfortunate victims are sent there to be confined from one to ten years each, but so great is their suffering from the barbarity of the keepers and and the total disregard of sanitary laws that one rarely outlives two years. In one cell, two and a half yards square, the correspondent discovered nearly a score of poor wretches anting for air and starving for food, aving in the way of the latter nothng but bread and water. The greater umber were stark naked and chained y the ankles and wrists. There were so underground cells reserved for the worst prisoners. In order to force sions when wanted, ants are kept in boxes, and fifty of them placed at one time on the naked body of a pris-

oner whom it is desired to torture. It

is also customary to chain men all day in the scorching sun in such a way that they cannot move. No Trace Left. Mr. and Mrs. Litel, of Huntingburg

noying eruption of the skin and a local blood disorder, by the use of three bot-tles of S S S. There is no trace of the skin disease left, and the blood has been in perfect order ever since, and the general health of the child was never as good as now. They will take pleasure in answering any letters regarding the child's case.

Treatise on blood and skin diseases SWIFT SPECIFIC Co., Atlanta, Ga. The Cigarette Law.

The first case of an arrest under the n Oregon is reported from Pendleton. The following report of it is from a Pendleton paper: "The first arrest to be made in Pendleton for violation of the statute prohibiting the sale of tobacco to boys was made Monday to a plantation five or six miles away, the statute prohibiting the sale of tobacco to boys was made Monday to a plantation five or six miles away, the stifled to its virtues, declaring the people at very low prices which continued until it was about all gone. Every one, so far as I heard from them, testified to its virtues, declaring the people this book is ander peculiar circumstances. Ben felt his head swell accordingly, says an Byars had sent two boys to E. F. anecdotal writer in the New York Sun. Settlemeier's grocery after two boxes Half way out the road was somewhat of eigarettes. The boys went to the obstructed by an ox cart which had of cigarettes. The boys went to the store, informed the clerk of their mission, and he, doubtless thinking that as they were intended for Byars he was doing no harm, consented. The was plenty of great good. We used some of it our selves and found it not only an excellent medicine for diarrhoea, but for all amounts with the Tidings of the work can be seen at so that I am confident it was productive of great good. We used some of it our selves and found it not only an excellent medicine for diarrhoea, but for all the medic was doing no harm, consented. The cigarettes were delivered to Byars in the presence of Constable Mays, who "What yo' want?" replied the other. made inquiries, found where they were "What yo' destructin' dis road fur?" purchased, and arrested Settlemeier. He was brought before Justice Bishop, who imposed a fine of \$20, the costs swelling the amount to \$29.50.

You can be cheerful and happy only when you are well. If you feel "out of sorts," take Dr. J. H. McLean's Sarsa-parilla. Kept at Bolton's.
