NOTES AND NEWS.

It is rumored that ex-President Cleveland will change his residence from New York to Boston.

Flows have recently damaged property along the Ohio river and other nearby streams in the Eastern States within the past week.

College boys had a set-back at Eastern Pa. last Tuesday evening. A "soph" who was one of a party who broke into a freshman's room had his hand crushed by a ball in the hands of the freshman.

J. B. Huggin is credited with saying that it costs him \$38 to raise a colt at Rancho del Paso in a season at an average price of \$1000. His plant at Rancho del Paso represents an investment of \$1,000,000.

The Republicans opened the political campaign in California last Saturday evening by public meetings in forty of the towns of the state. In San Francisco a large audience was addressed by Col. H. M. Markham, of Los Angeles, and other speakers.

A RECOUNT DEMANDED.

The citizens of Oregon in every part of the state have watched with the greatest interest the result of the new census enumeration in Salem and Portland, and now demand for a recount of the rest of the state is unanimous and determined.

In the face of the showing made, the demand is just and reasonable. It is one that the authorities at Washington cannot refuse to grant unless they are prepared to immediately make the same of all Oregon, and bring upon the administration the odium of perpetrating a rank outrage upon our state.

From all the state officials, members of the legislature and prominent men in all sections the "Oregonian" has received letters and telegrams urging the demand for a recount. Gov. Penney, Senators Dolph and Mitchell and Representative Hanna have all responded to headquarters, as follows:

REQUEST BY THE GOVERNOR. STATE OF OREGON, EXECUTIVE DEPARTMENT, SALEM, SEPT. 13, 1900.

Hon. John W. Noble, Secretary of State, Washington, D. C.:—Conciliatory evidence as to a family census of the county of Multnomah and the city of Salem influenced the bureau officials to order a recount, which already has been completed.

The census of the county of Multnomah and the city of Salem, upon ample proof of the inefficient work of the census takers in the first effort, and in behalf of the sacred right of just representation, both in congress and the state legislature, is hereby requested.

On Tuesday, the Oregon Delegation in Congress called upon Supr. Porter and presented the original telegrams from boards of trade in various parts of Oregon, urging a recount of the state; also, their own formal request, as follows:

THE PIONEER RE-UNION.

The annual reunion of the Pioneer Society of Southern Oregon is always an event of general interest to the people of Jackson county, and of peculiar pleasure and enjoyment to the early settlers and older residents of the valley, but upon no occasion has the day passed more pleasantly or more satisfactorily to the members of the society and their friends than it did at Jacksonville, Thursday last week.

The reunion was held at Jacksonville, Thursday last week. The morning session was held at the Pioneer Hotel, and the afternoon session at the Pioneer Hotel.
