ing more prominent than any other. to hold their cattle for another year. ulate. the company. Several other copper edge.

Is Consumption Incurable?

Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was down with abscess of lungs, and friends and physicians pronounced me an incurable consumptive. Began taking Dr. King's New Discovery for consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

It weighed 4½ tons.

Sammy Brazelton was caught in one of his own bear traps last week at Trafton, Wash., says the Stillaguamish Herald, and while waiting for assistance nearly starved to death. Postmaster Esterbrook happened along, however, as Sammy was about set up a weekly at Washington City.

the most important chiefs. He was forced to be present at the execution of his secretary and his interpreter, and was a spectator at the sacrifice at one time of eighty-four human beings of the Indian question.

Hon. J. T. Morgan, commissioner lady 30 years old, who came here from Kansas to see him, and to who me was engaged thirty-five years ago.

With the death of Wm. Allen at the present time. Its strength and power are commensurate with its and was a spectator at the sacrifice at one time of eighty-four human beings and at another of forty-two. The contems were bound, mutilated in a horrible manner, and then, still alive, hung up by the heels. Then their bodies were opened with large round knives and the intestines taken out, after which the corpses were thrown into a "place of skulls," were in forty-eight hours they were reduced by birds of prey to skeletons.

Dr. Bayol was every time compelled to view each corpse, while the executioners carefully turned the heads of their victims toward him.

Some interesting details of the present status of the Indian question. Last year 16,000 Indian pupils at tended the schools set apart for them. Cathlamet, Friday, the greatest pioneer of the great Northwest is removed. Mr. Allen at Cathlamet, Friday, the greatest pioneer of the great Northwest is removed. Mr. Allen at Cathlamet, Friday, the greatest pioneer of the great Northwest is removed. Mr. Allen was in his ninety-company in the was a member of the first Hudson Bay Company's crew that was sent out, and was the first man to carry dispatches across the Rocky Mountains. This was in 1823, when he went from Fort George, now Astoria, to the Red Work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the different shops, 400 were out among the Pennsylvania farmers work in the death of Wm. Allen at Cathlamet, Friday, the great ext promorph executioners carefully turned the heads of their victims toward him. Upon one occasion he desired to buy off some negroes from Porto Novo, but the king angrily refused to allow it. Every day his dusy majesty danced before the doctor, executing steps and in mass which would have been in subjection. Thus the investment of the forts were intended to subject to the descendants of the Indians the forts were intended to subject to the descendants of the Indians the forts were intended to subject to the descendants of the Indians the forts were intended to subject to the descendants of the Indians the forts were intended to subject to the descendants of the Indians the forts were intended to subject to the descendant of the Indians the forts were intended to subject to the descendant of the Indians the forts were intended to subject to the descendant of the Indians the forts were intended to subject to the descendant of the Indians the forts were intended to subject to the descendant of the Indians the forts were intended to subject to the survey of public to the survey of pub dians the forts were intended to suband jumps which would have been highly entertaining under other circumstances. At these times the king wore sandals and a sort of Grecian cap on his head, and six Amazons are cap on his head, and six Amazons Dr. Bayol describes

The Amazons Dr. Bayol descri

witnessed a spectacle which he will never forget. At a sign from the king five hundred Amazons rushed upon a living ox, and tore it to pieces in a few seconds; then each, with a piece of raw flesh in her mouth, marched off singing, while five of their numbers amounts to singing, while five of their number held the skin and head of their victim aloft in triumph. In festal garments they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts they witnessed from the roofs of the next day, and laughed hearts the finding in the wester of the Great Northern system, one of the most soundest financially of any railroad system in the world, is about 50 years old, is short in stature, thick-set, wears an irongray, bushy beard and has a command and a transport the order of the order of the order of the Great Northern system, one of the most soundest financially of any railroad system in the world, is about 50 years old, is short in stature, thick-set, wears an irongray, bushy beard and has a command and the order of the order of the order of the as very fiends. God's Blessing to Humanity—so says an Oregon pioneer 90 years old.

Forest Grove, Or., March 19.—I have used the Oregon Kidney Tea and obtained immediate relief. It is God's blessing to humanity. I take pleasure offices, General Carlin marched down blessing to humanity. I take pleasure offices, General Carlin marched down the sason and surprising your conveying to foreigners information as to how they can crush British industries. It advises that the sooner Lord Salisbury stops their publication the business men to close their stores and blessing to humanity. I take pleasure offices, General Carlin marched down the surprising your conveying to foreigners information as to how they can crush British industries. It advises that the sooner Lord Salisbury stops their publication the business men to close their stores and offices. General Carlin marched down the self, as well as others, by the quick-ness with which your thoughts will be successfully traveled withtained immediate relief. It is God's business men to close their stores and blessing to humanity. I take pleasure in recommending it to the afflicted. I from Fort Sherman with five hundred man who talks well must have opin-man who talks well mu

How to Take Care of the Brain.

The brain stands most abuse of any organ in the body. Its best tonic and stimulant is success. The worst and most depressing thing to it is failure. The most injurious effects come by using stimulants in early life. Young people should never use liquors, tea or coffee. The latter two may not exactly do harm, but they are conducive of no light and of New York.

Legislators' Perils in Oklahoma.

Guthrie, Oklahoma, Oct. 2.—To-day was one of tremendous excitement in the territorial legislature. The bill for the permanent location of the capital at Oklahoma passed the lower house people should never use liquors, tea or coffee. The latter two may not exactly do harm, but they are conducive of no light and of New York.
