BROKEN OUT!

NOTES AND NEWS.

The Oregon state convention of Immediate relief by Preston's "Hed-Ake." elaborated a project by which he proposes to supply electric power to Paris. He would generate the required electricity by utilizing the flow of the ebb and flood on the coast and transmitting it to the French capital. For

outlet, M. Decoeur proposes to erect a number of powerful turbines for transmitting the energy of the water. The mechanical energy thus produced, M. Decoeur estimates with a tide of 18 feet, which is the average at Havre, a six-horse power per hectare of basis area. He intends parting off by means of a dam 16½ miles long, an area of 7,000 hectares between Havre and Tancerville from the sea and the Scin respectively, and thus creating 42,000-horse power, which power be transforms into electrical energy and transmits to Paris. M. Decoeur's scheme is looked upon with favor, and al-

Notice.

God's Blessing to Humanity—so says an Oregon pioneer 30 years old.

Forest Grove, Or., March 19.—I have used the Oregon Kidney Tea and obtained immediate relief. It is God's blessing to humanity. I take pleasure in recommending it to the afflicted. I am now nearly 90 years old, came to Oregon in 1842 in the employ of the Hudson's Bay Company, and since I began using the Oregon Kidney Tea I and Missouri to extend its relief began using the Oregon Kidney Tea I and Missouri to extend its relief to the Pacific coast, and that the terminus will probably be somewhere on the Paget Sound.

The Southern sugar crop is remainded the company of the properties for land for terminal purbosom prices for land for terminal purbosoms. Asked about the story telegraphed from Spokane Falls that the Chicago, Bushington and Quincy had been successful in floating Hunt's bonds in London and Quincy had been successful in floating Hunt's bonds in London and would extend its line to Portland, he told a reporter to write a counter story about the projected line to Alaska, and said it would be built at the late mountains, 30 miles west of Union, making a preliminary survey across the mountains of the Burlington and Missouri River Railroad. It is stated that it is the intention of the Burlington and Missouri to extend its road to the Paget Sound.

Notes.
