

MOSES AND NEWS.

Blaine for President and Stanford for Vice President is the state of some of the Ashland politicians.

The annual reports of "tree troubles" in the south section in the press dispatches this week.

The Washington Post says: Mills, of Texas, has declined to retire at the end of the fifty-second congress.

The United States Attorney at Salt Lake has commenced suit to forfeit the Mormon Temple block under the act of 1878.

It is asserted that a man in Washington who owns a 300-acre farm "raised and sold wool in a single year which yielded him \$175,000 profit."

Parnell has determined to resign his seat in parliament and the leadership of the Irish Home Rule cause.

Six thousand coal miners and nine-tenths of all the miners in Alabama will probably go on a strike.

It is reported that the discovery of a big silver deposit in the Broken Hills property mine in New South Wales is not exaggerated.

As usual, there has been a good deal of talk about the election of 1892.

Three young men who have been working in iron mines in Pennsylvania and Ohio are preparing to explore Africa.

Representative Lodge, of Massachusetts, is of the opinion that the house will certainly pass the appropriation bill and the senate will concur.

Two students of the Johns Hopkins University, of Baltimore, fought a duel the other day.

The report of Secretary Risk, of the agricultural department, on the average crop yield for the past year shows that Washington leads the list in wheat, oats and barley.

A recent Washington dispatch states that chief justice Peckham is making an investigation into the effects of the anti-lottery law at New Orleans.

The deficit of constitutional prohibition in New York is over \$100,000.

Belin, December 22. The bestowal of Governor William of the grand cross of the order of the Iron Cross upon Prof. Koch was granted to night.

The experimental applications of Koch's new remedy for consumption continue to be attended with the greatest interest by the medical and scientific world.

Prof. Koch's experiments have already been treated by the greater number of whom were suffering from consumption.

Reverend for the Oregon Improvement Co. New York, Nov. 24. It is stated to day, and not denied at the company's office, that the Oregon Improvement company treasury is empty.

The experimental applications of Koch's new remedy for consumption continue to be attended with the greatest interest by the medical and scientific world.

Prof. Koch's experiments have already been treated by the greater number of whom were suffering from consumption.

Reverend for the Oregon Improvement Co. New York, Nov. 24. It is stated to day, and not denied at the company's office, that the Oregon Improvement company treasury is empty.

The experimental applications of Koch's new remedy for consumption continue to be attended with the greatest interest by the medical and scientific world.

A PLAIN DUTY OF THE LEGISLATURE.

Experience not only in Oregon, but also in other states, has demonstrated that where the pecuniary interests of large corporations are concerned, the law is not the friend of the public.

The annual meeting of the Southern Oregon Board of Agriculture in Jacksonville, Tuesday, at the office of the secretary.

The special committees appointed to examine the books and accounts of the secretary reported their correct.

The next meeting of the society will be held at Grant's Pass the first Monday in April, 1891.
