Dr. J. L. Wood will preach in the Baptist church next Sunday, Oct. 28th,

Attention! Co. D.

both morning and evening.

In compliance with Brigade orders, Co. D will be mustered and inspected at their armory on Friday, Nov. 9th, 1894, at 8 o'clock r. m. No excuses will be accepted for absence. Any delinquents will suffer the full penalty of the law.

By order of Brig. Gen. H. B. Compson.

J. L. May, Capt. Comdg.

Library Notice. The annual Meeting of the Library Association of Ashland, for the election of officers, will be held at the City Hall on Monday, November 12, at 7:30 p. m. Amendments to articles IV and VI of the constitution are proposed and a full

tion is urgently requested. MRS. ANNA CARTER, Pres. MRS. LIDA CHRISMAN, Sec.

attendance of the members of the associa-

Must Make Collections. Owing to change of business to be made, the publisher of the TIDINGS will be compelled to make immediate collections upon the numerous accounts due him upon advertising and subscription, The aggregate of these amounts is a large sum, and it is necessary to ask payment in all cases even in which the balance is small. As the patrons of the Tidings know, great leniency has been shown always in collections by the publisher at all times in the past. Now all persons owing hira are requested to make settlement as promptly as possible.

Blind Tom Tomorrow.

Everyone in this part of the country who has ever in years past had the good fortune to hear Blind Tom will surely go out to hear him again to-morrow evening. Blind Tom is not only one of the marvels of the age, but as a performer on the piano he really ranks in many particulars of execution with the greatest musicians who have ever mastered that instrument. Ashland people should not miss this chance—the only one they will ever have -to hear Blind Tom.

He will be at the opera house tomorrow (Friday) evening. Seats may be reserved for 50cts at opera house grocery

The legislative committee of the Oregon State Sportsmen's Association will meet in Portland today, pursuant to a call issued by Hon. L. T. Barin, chairman. This committee is composed of representative sportsmen, from all sections of the state, and they will take up and discuss the proposed changes in our fish and game laws.

The burning barn at Pokegama last Sunday night looked pretty serious to the people at Hornbrook, so Dave Horn soon had a wagon load of men on the road from the latter place to Pokegama. about \$2,000 and the insurance, if any It was a dark evening and the team was making fast time, and at a sidling that the plant will be rebuilt .- [Sisson curve of the road the wagon was overturned. Mr. Horn received some severe bruises and another man had his ankle sprained. One or two others were scratched and bruised some, but no one was seriously injured.

Swedish Quartette.

The celebrated Swedish Ladies' Quartette will appear at Ganiard's opera house in Ashland next Saturday evening, Oct. 27th. These famous singers are so well known throught the country that introduction or words of praise are hardly ne-cessary in their behalf, but the following brief selections from press notices show that their popularity is still growing:

The Congregationalist, Scotland, says: "They have not only astonished, but won the admiration of all our lovers of soulstirring music. The Methodist, N. Y., says: "They sing

The Christian Advocate says: "They are the ministers of good, speaking to the heart of humanity in soothing strains of

The Editor of the Masonic Review says: "I would brave any storm or suffer any inclemency of the weather to hear these wonderful children of song.' The Presbyterian Witness says: "This

well as high-toned and refined." The Baptist Register says: "Everything is good, in excellent taste, and leans to

The Boston Pilot (Catholic Paper) says: "Their music delights all who listen to it."

The fire was first noticed about 6 o'clock, when the flames quite a business-like appearance nowawere seen bursting through the roof.

The lumber company is prepared to fight fire by an apparatus with which the yards constantly, and Roseburg is looming up as a railroad town.-|Plaindealer. powerful mill engine pumps water from The Willamette valley papers publish a rumor that the Southern Pacific comthe river and forces it through a large hose. Fire is kept up in the boilers at all times for this purpose, and a stream was soon playing upon the burning barn. pany is considering the removal of its car shops from Portland to some town up the valley—as Woodburn, Salem or Albany. The rumor is probably nothing The fire was under too great headway to be stopped, however, though it was pre-

more than rumor.

Wednesday night at 12 o'clock, fire was discovered issuing from the south An exciting running race will take place on Saturday, Nov. 4th, at the Yreka race track, between Peter W. and Scampaway, two noted flyers. The race will be a single dash of one mile, for purse of \$600, the money having been put up last immediately gave the alarm and in a few week at Montague.- [Journal.

Portland Sun: J. B. Long, of Amity, the flames commenced. Two hydraulic formerly proprietor of the Amity Popgiants in the yard were used to good gun, the Eugene Broadaxe and an anadvantage in throwing water on the other populist paper at Albany, has made burning building. The high pressure of the water tore the framework of the itors. It is hard lines when a man with building to pieces, and in a measure a broadaxe and a popgun can't win. A hay stack belonging to E. S. Quig-

ley, at Oro Fino, was fired by an incendiary on the 9th inst. The fire consumed directing the two streams of water, had narrow escapes from being torn to about 80 tons of hay, 2,000 feet of new lumber and a lot of fencing. The parties smithereens by the hose becoming kinked committing the act are known, and a little more proof is all that is needed to bring them into court for conviction .was carried, is unknown. We understand |Yreka Journal.

Seals are making their way up the fish ladder recently blasted out of the rocks at the Oregon City falls of the Willamette, which shows that the fishway is One good work which the state board a success, and that salmon are ascending of horticulture is doing for the orchardit, for the seals follow the salmon. The men of Oregon is the investigation and test of the various preparations used or first seal ever noticed in the river above recommended for spraying. When there are upon the market so many preparations for the same purpose, each persistently pushed as "the best" by persons interested in selling it, it requires carethe falls was seen by a steamer captain the other day near Butteville.

Perry Beal, a well known placer miner. was shot by a highway robber a few miles from Butte, Mont., Thursday and will probably die. Beal and his wife were en route from the mines in German gulch, and had a bag in the wagon containing \$2500 in gold dust. The high-wayman emptied a load of shot into Beal's body. Mrs. Beal whipped up the horses and escaped with the gold.

Phenomenal records at the California tain recommendations of the various washes—the ingredients of which are given with proportions and directions for days was 116.75 pounds, and this made preparation and use. Bulletin No. 8 contains formulae for 12 different washes or sprays—winter and summer remedy for San Jose scale, for the scale and longing to W. Ward of Oakland, showed in several successive tests between 11 and 12 per cent butter fat .- [Orchard, Farm Some people prefer to do their own mixing, but many prefer to use the mix-

stopped between Drain and Comstock last night by four men who had their faces blackened. They were pulling him off his velocipede when he drew his gun and they decamped. McMahon boarded the train and went to Comstock, returning over the track with some companions, but no trace of his assailants could be found. Some people think it was a practical joke of the boys.

The Crescent City News reports the a careful supervision of these prepara-tions, and Kelly, Dunne & Co. guarantee drowning of two men at mouth of Smith river, by the upsetting of a small boat. They were employed at the Smith river cannery, named Triehl and Eplatteimer, of French-Swiss nativity. Another young man in the boat named Willam Tolman, was saved by Indians, who found him clinging to the boat, while the other two ommended to orchardists who prefer to tried to swim ashore. They ventured out too far on the bar, when a heavy sea was running.

Norris Humphrey informs the Guard that, at present prices, he can realize \$3,500 from his dried prunes, raised on his 25 acre orchard, a few miles north of Eugene. The trees are six years old, and have been thoroughly and intelligently Sheriff Patterson of this county started this morning for Sacramento after Chas. B. Owens. who escaped from the Coos cultivated. His entire cost for drying, picking and cultivating will probably amount to between \$1,000 and \$1,250, rever grows old. The secret of his perpetual youth is doubtless his use of poent remedies. If we can't estable of poent remedies. If we can't estable of poent remedies are can't estable of poent remedies. If we can't estable of poent remedies are can't estable of poent remedies. If we can't estable of poent remedies are can't estable of poent remedies. If we can't estable of poent remedies are can care for a ten acre or chard the coost amount to between \$1,000 and \$1,250, leaving the balance as profit. The fruit business is certainly a profitable one, when properly attended to. What is such an or chard worth? Nearly any farmer can care for a ten acre or chard and never miss the time when he is so succeeded in locating them at Sacramento.

> Melton, moleskin and wool overshirts just received at The Fair.

Thirteen weeks ago last Sunday a ten-months-old babe of Mr. and Mrs. Chas. Cannon, who ;live near Salem, swallowed a five-inch hat pin. It suffered great pain at first and continued to suffer at intervals until last Sunday, when its Mitchell, the cattle buyer, will take a second bunch of cattle from the ranches side. Drs. Bird and Smith, of Salem, round-up of the range. This will make between 700 and 800 head bought by him the stomach. They gave the child an the California side. Last year Mitchell forceps. The round glass head of the was very particular in what he took, and | pin had come off and the pin was slightly culled out very closely from the bands offered him. This fall he took almost well. Many people doubted that the manicure articles at reasonable prices everything presented except old cows. This shows that men in the business lowed a pin five inches in length, but its expect prices to be better before next mother was sure of it, though she did not see the pin in the child's throat.

Willard, Jules and Hugh Cole were in town from Colestin yesterday, and were endeavoring to induce Leonard Woods to take his hay baling machine over to their ranch, to tie up some hay for the Klamath Lumber Co., to replace that burned in their barn at Pokegama last Sunday

People who are looking for snap bargains in jewelry as amateur pawn brokers should beware of the young man who wants to sell his sister's \$5 gold ring for \$2.50 or less. He has been working the towns up north, and as he buys the rings at about \$1 a dozen he will of course have plenty of them for operations in Southern Oregon.

The lecture by Gen. Lew Wallace at the Ganiard opera house last Monday evening was well attended, and the towns of Medford and Jacksonville were well represented in the audience. The lecture was upon Mexico. Gen. Wallace is greater as an author than as an orator, John McMahon, S. P. trackwalker, was see and hear the author of Ben Hur.

Tramps are becoming more numerous as cold weather approaches—and are southward bound, like the geese. The city marshal keeps most of them going along the railroad, and when they that those who stop in town are likely to have wood-sawing to do to pay for their meals it takes little persuasion to make them "move on." California is filling up for the winter.

PERSONAL.

Rufus Cole was in town last night from his ranch and hotel at Coles, Cal.

The family of Rev. N. S. Buckner left for Roseburg this week. Mr. Buckner came out Tuesday, to assist them in the

W. L. Hathaway, spscial agent of the Mutual Life Ins. Co. of New York, is in Ashland from San Francisco for a few days' stay.

Miss Lizzie White, of San Francisco, was visiting her friend Miss S. V. Johnson, sister of assayer G, W. Johnson, several days last week, en route for Portland.

Miss Lizzie Houston, daughter of the late J. E. Houston, who with his family lived in Ashland for a time some eight years ago, was on Tuesday's morning train, en route from Eugene to Los Angeles, where her mother now resides. Mr. Houston was grand secretary of the I. O. G. T. for several years and prohibition condidate for governor of Oregon in 1886.

Otis Helman, who went to Warren. Ohio, in the summer for a special course of training as a cornetist, returned home this morning. Mr. Helman found that the constant practice was injuring one of his ears and upon the advice of an ear special-ist he has reluctantly given up practice for the present, hoping that the trouble will in time pass away. The disappointment is severe to Mr. Helman and his friends, for his proficiency upon the cornet gave bright promise of opening for him a place at the

The attendance at the lecture by Gen. Lew Wallace Monday evening included the Lew Wallace Monday evening included the following from down the valley. From Medford—Dr. Pickel and wife, I. A. Webb and wife, Francis Fitch and wife, Prof. Narregan and wife, J. E. Enyart, J. A. Whitman, Misses Ida Naylor, Mollie Barneburg, Elva Galloway, Viola Brandon, Ellen Bursell, Della Pickel. From Jacksonville—Geo, M. Love and wife, J. C. Whipp, Will S. Miller, J. F. Miller, J. M. Horton, J. H. Devlin, Misses Jo. Nunan, Jessie Langell, Miss Brown, Carrie Cronemiller, Mollie Miller, Alice Hanley, Agnes Devlin, Clara Colvig, Issie McCully, Estella Levy. From Central Point—Mrs. C. Hall.

Jacksonville Items.

Judge Brower, of Grants Pass, spent Tuesday in Jacksonville. Misses Issie McCully and Stella Levy are paying Ashland a visit.

Col. G. W. Boggs, of Tacoma, arrived in Jacksonville Monday morning and went the same day to his Elliott Creek mines. Judge Reid, of Tacoma, is here and is negotiating the purchase of the McDon-ough quartz and placer mines near old

As Henry Kubli was coming over from Applegate Saturday night, he met with a serious but fortunate accident. He had his little 5-year-old son, Chester, and Mr. Frank Knight in the buggy with him. The night was dark, and as they were coming around the grade at the Matney place the horse ran off the grade and the buggy rolled to the bottom of the hill. The little boy was asleep at the time and his father's first anxiety was to see if he was hurt. But he did not get even a scratch and the other occupants of the buggy were unhurt, but the top was torn completely off the buggy. Mr. Kubli considers it a most fortunate accident after all.

Quite a number of Jacksonville people attended the lecture of Gen. Lew Wallace until next Wednesday, Oct. 31st, viz. 6 finest cabinet photos, \$1, or 1 dozen to seems to be one of disappointment. The author of "Ben Hur" did not meet their author of "Ben Hur" did not meet their We know whereof we affirm when we address, and the subject, "How he came to write Ben Hur," but they still have that pleasure awaiting them when he comes west again.

Woodvlle Items.

Mrs. Mary Finck, of San Joaquin, Cal., is spending several weeks visiting her parents Mr. and Mrs. I. Simpkins and other relatives at this place. John Farra after spending a short time with relatives here returned to his stock ranch east of the mountains.

E. Stevens has discovered what he hopes will be a rich quartz ledge on Ward's creek about eight miles above Woodville.

Rev. Dunkel, of Salem, is spending week or two with friends at this place, and reached quite an interesting sermon here

The literary society was re-organized last Saturday night and an attempt will be made to have the society meet at least every two weeks during the winter. Chas. Warren, of Salem, is here visiting his cousin, Mrs. Gilbertson.

Geo. Hammersly, of Jump-off-Joe, spent

everal days in town this week. The Woodville men are nearly all in the mining business this winter, some on Jump-off-Joe, some at the Mt. Lion mine on Applegate and others on Ward's creek. Rev. Joel Milton returned home last week from Shasta Valley, Cal., where he has been for several weeks attending a camp meeting.

E. W. Hammond spent several days in town this week with his old friend John
