**TO EXAMINE KAOLIN**

California Cement Company Sends Request for Sample of Ashland's Famous Pottery Product.  
 J. M. Wagner of this city is in receipt of a letter from the Santa Cruz-Portland Cement Company asking for a sample of the kaolin to be found in unlimited quantities northeast of Ashland. Mr. Wagner left this morning for the beds and will return with a supply of the clay, which he will forward at once to the company for its inspection. It is understood the company desires to experiment in the making of cement brick, Ashland kaolin having been suggested as the material needed for its manufacture. The results of these experiments will be watched with interest.

**Equal Suffrage Meeting.**

As already advertised, the Equal Suffrage Club will hold its regular meeting at Memorial Hall, Monday evening, June 3, at 8 p. m. An excellent program has been arranged for the benefit of the "sterner sex." An instructive one will also be placed before the 1,000 future citizens of Ashland who will introduce themselves as enterprising progressives later in the year. They expect, at that time, to show what splendid boosters they can be for the welfare of their town. They are solid for a polytechnic school, believing as they do in capital punishment for normal school killers. All their war cry is down with old barns and up with aerial trolley system, electric system, street car system, any system that is a legitimate money system. And they have other ideas too numerous to mention—of some of which you may hear at the meeting.

**Minstrel Show Pleased.**

The Busby's World's Greatest Minstrel Show Wednesday evening has shown the distinction of being the only one to exhibit here for some time without a lot of fault-finding critics picking its attractions to pieces afterward. A negro minstrel show is in a class by itself, and a good one never fails to please an audience where laughter and amusement are sought.  
 The negro has an ear for music. It is natural with him, and he has his way of rendering it. It is not classical, but it is better—more pleasing.  
 The minstrels gave a good entertainment, one well worth the price, and the audience got its satisfaction of negro melody and laughter.—Hazelton Herald.  
 Ashland, Monday, June 10.

**Dinner in the Park.**

The Ladies' Chautauqua Park Club will serve dinner and supper in the park during the two days of the Carnival, at 25 cents per meal.

**Joel Hartley Called.**

The funeral of the late Joel Hartley was held from the Methodist church last Friday morning, Rev. J. S. Smith, a former pastor of the family, having charge of the services. Mr. Smith spoke in glowing terms of the usefulness of the deceased's life, paying tribute to the man who, he said, was a man of few words, but whose life was filled with good deeds.  
 Mr. Hartley was born in Murklingham county, Ohio, December 24, 1837, of Quaker parents, and raised in that faith. He was married to Miss Elizabeth Lord of Nelsonville, Athens county, Ohio, April 21, 1864. To this union were born ten children, nine of whom still live to mourn his death. He moved to Kansas in 1872 and to Jackson county, Oregon, in 1892, and settled on Griffin creek. In 1905 he moved to Ashland, where he has since made his home. He united with the M. E. church about the year 1867, and has ever been a faithful member. His death occurred on Nob Hill street early Wednesday morning. He was aged 74 years, 5 months and 5 days. His sons reside in this valley and are honored by all. A good man has fallen, but has left a good record and now enjoys the reward of the just.  
 Besides his wife, nine children are left to mourn his departure. They are: James E. Hartley of Ashland, M. L. and C. C. Hartley of Talent, W. W. Hartley of Medford, T. B. Hartley and Mrs. C. E. Stewart of Cottage Grove, Mrs. H. C. Mechem of Corning, Cal., Miss Ada Hartley of Ashland, and Mrs. Casad of Kansas City, Mo. All were present at the funeral except Mrs. Casad and Mrs. Mechem, the latter having been recalled at the last moment to her home in Corning by the sudden illness of two of her children.

**Proceeds for Polytechnic.**

The Ladies' Civic Improvement Club will give the proceeds of the carnival toward securing scholarships for the Polytechnic school. This means substantial support to the new institution and should bring to the carnival additional support from the citizens.  
 Mrs. M. E. King.  
 Mrs. M. E. King died at 10 o'clock last Saturday morning at the family residence west of town, after an illness of several weeks. Funeral services were held this afternoon at the residence and interment was made in Hargadine cemetery.

**Mothers:**

The question of saving in the home is largely up to the woman of the household.  
 How "mother" managed will be remembered years hence in homes to be.  
 The family "purse" will have more in it if this bank fulfills that function—a checking account here for receipts and disbursements and a savings account for the surplus.
