### LIMITED IS DERAILED

All Trains From the North Delayed Six to Eight Hours—No Mails Until This Afternoon.

The Shasta Limited met with an accident two miles this side of Grants Pass this morning, and although no lives were lost, the wreck was sufficiently serious to tie up all traffic north of here until late in the afternoon. As we go to press no trains from the north have come in today and none are likely until toward evening. Reports as to the manner of the accident are various and details meagre. According to one report, the train ran into an open switch, while another has it that a wheel was broken. It is understood the baggage and mail cars were thrown into the ditch, the latter being hurled several feet into the air and the mail clerks barely escaping serious injury. A wrecking crew left here at once upon receipt of the news and another was summoned from Roseburg. The extent of the damage to cars could not be learned.

### CHURCH IS DEDICATED.

Talent Methodists Complete Splendid Edifice.

Sunday, June 30, was a day of rejoicing at the M. E. church at Talent owing to the dedication of the church. The church building was started about a year ago, and a nice building has been completed. The whole cost of building and lot was about \$3,000, and owing to the liberal help of the members and others in the vicinity, the cost had been about all met before the dedication, only \$100 remaining. This was pledged Sunday, and as it is always part of the pleasure in the dedication of a church to take up a collection, of course the practice was not omitted and a total of \$240 was raised, leaving a nice balance on hand to pay for cement walk and other necessary improvements to the property.

The morning service was conducted by Dr. Fletcher Homan, president of Willamette University at Salem. The church was comfortably full and all present were appreciative of the sermon and the singing by the mixed quartet. Pastors present were Dr. R. E. Dunlap, district elder; Revs. Smith, Poor and Lemery of Ashland and Revs. Way and Carter of Talent.

In the afternoon various topics relative to the advancement of religion were discussed, being in part: "The Church and Her Schools," by Rev. Carter; "The Church and Reform;" Influence of the Village Church," by Rev. J. A. Lemery. A solo was rendered by Clarence Meeker of Medford. The other singing was by Mesdames Forbes and Fuller and Messrs. Ager and McPhail.

Rev. R. E. Dunlap formally officiated at the dedication.

There were about thirty in attendance from Ashland and some from Medford. In the evening Rev. R. E. Dunlap addressed the Epworth League. The first year of work has been progressing nicely under the pastorate of Rev. G. H. Way, who came here last fall from Minnesota. It being seldom that a person is able to hear a line of sermons as Rev. Way propounds.

### Unclaimed Letters.

List of letters remaining in the Ashland postoffice for the week ending July 6, 1912:

Ladies—Mrs. Lura Cloud, Miss Marguerite Farleigh, Mrs. H. Jones, Mrs. Wm. Gregg, Mrs. Hazle Morley.

Gentlemen—J. M. Anderson, Jack Cadematero, Lefe Eldred, Jno. Farleigh (2), George W. Wright.

Secy. Normal School.

These letters will be sent to the dead-letter office July 20, 1912, if not delivered before. In calling for the above, please say "advertised," giving date of list. A charge of one cent will be made on delivery.

JOHN R. CASEY, P. M.

Florence is to have a big sawmill with a capacity of 250,000 or 300,000 feet a day.

### Passes 87th Birthday.

Albert Gallatin Rockafellow passed his 87th birthday last Wednesday. While approaching the century mark, Mr. Rockafellow is still quite strong and is able to pen good poetry. He was named after Albert Gallatin, who was minister to Great Britain under President Monroe.

### 80 Acres for Sale

I desire to sell my 80-acre place on Griffin Creek. Will give very easy terms to right party. There is a splendid orchard on the place, consisting of about 5 acres 20-year-old apples and pears, standard varieties, in fine condition; about 5 or 6 acres, mostly apples, 9 years old, and four acres apples set last December, doing fine; about 3 acres fine potatoes. A magnificent crop on the orchard. A neat cottage, team, wagon, survey, farm and orchard implements. Four acres good grain hay.

The west branch of Griffin Creek runs on place in large springs. Water piped into orchard and to house. The very best of soil. Balance of place in fine wood timber, with good road to Medford all the year round. Wood very easy of access.

This is a good hard-times place. It will yield good money all the year round. Make a small cash payment and I will give you sufficient time to make the place pay the balance. This is a place where you can make good.

For full information see me. I am in Ashland for the entire Chautauqua.
