**WOMAN MAYOR IN OFFICE.**  
Warrenton City Hall Crowded to See  
Novel Inauguration.

Warrenton, Ore., Jan. 2.—Ore-  
gon's first woman mayor, Miss Clara  
C. Munson, was inaugurated at a  
meeting of the city council today,  
when she and the three newly elect-  
ed council members took their oaths  
of office and succeeded the retiring  
officials. Following the closing of  
the regular business session, the  
financial report was read showing  
the outlook for 1913 far healthier  
than in the past year, each fund hav-  
ing been amply prepared for by tax  
levies, which were as follows: Gen-  
eral fund, 6 mills; dyke district No.  
1, 5 mills; dyke district No. 2, 15  
mills.

A. W. Norblad of Astoria, present  
city attorney, tendered his written  
resignation.  
The new mayor made all her com-  
mittee assignments and reappointed  
John Evenden auditor and police  
judge. The appointment of Marshal,  
treasurer and attorney were held  
over for further consideration and  
will be made at the first regular  
meeting of the new administration,  
Monday, January 6. No speeches  
were made, although the attendance  
was the greatest in the history of  
the city council, several persons  
from outside towns being present.

**The Royal Rosarians' Mission.**  
The invasion of the winter tourist  
centers, Sacramento, San Francisco,  
Oakland, San Jose, Los Angeles, San  
Diego, Pasadena, etc., by the Royal  
Rosarians of Portland was a great  
success. The actions were sharp and  
decisive, the sieges always ended in  
unconditional surrender to the gay  
warriors in spotless white, bearing  
the rose, the emblem of their native  
city, the "City of Roses."

The Royal Rosarians, organized to  
assist the good work of the Portland  
Rose Festival Association, has per-  
formed a great service to Portland,  
to Oregon and to the Pacific north-  
west.

About 100 business men and their  
wives left Portland December 28 by  
special train, via the Southern Pa-  
cific, over the beautiful Shasta Route  
and "The Road of a Thousand Won-  
ders." All the principal cities of  
California were visited. The Cali-  
fornia tourist season is now at its  
height. Thousands upon thousands  
of tourists, some wealthy, others  
with only moderate means, from all  
corners of the United States, Can-  
ada and foreign countries, are now  
wintering in delightful, sunny Cali-  
fornia.

It is estimated that in the parade  
at the Floral Festival at Pasadena  
alone the Rosarians were reviewed  
by more than 400,000 people, most  
of them tourists.

The Rosarians were the subject of  
hundreds of kodak snapshots, as well  
as of the moving picture operators,  
seeking material for the picture  
shows on all the great circuits.

The advertising value of the visit  
of the Rosarians to California can-  
not be estimated. Of the people who  
saw them, met the members, or re-  
ceived a personal or printed invita-  
tion to visit Portland and the Pacific  
northwest next Summer, many will  
come this way. We hold that, if the  
people come to Oregon, they are sure  
to be fascinated with our beautiful  
country and many will remain per-  
manently.

The Royal Rosarians are doing a  
splendid work in the development  
of Oregon, by inviting people to Ore-  
gon. Let us do likewise.

**EXPERT J. H. WILSON'S REPORT**  
(Continued from Page Six.)

thereof will follow his sheriff's requisitions for receipts from the cumbersome tax collections register, and the money will then be transferred by the treasurer from the "sheriff's daily deposit" account to the several funds indicated upon the requisition.

I would also recommend that the incoming sheriff keep his record of taxes in numerical order on his tax collection register. All other counties where I examined in Oregon do this, and it simplifies the record very much. This is, of course, on a loose leaf tax receipt, which is not numbered until it is ready to file away.

**SEEKING STOCK OWNERS.**

**Four Men Have Good Property in Idaho.**

Four men who secured \$252.50 worth of stock in a Coeur d'Alene mine several years ago are being sought to claim their property, now worth \$11,238. F. E. Hemenway, M. L. Stoddard, Patrick Turley and A. L. Humphrey are the owners for whom a three-year search has been made. Hemenway purchased 1,000 shares of the stock at 3 cents a share. It is now selling for \$11.55 a share, making his stock worth \$11,550. The other three were employed by the mining company and took their wages in stock on a basis of 5 cents a share. Turley secured 4,250 shares, now worth \$6,588, while Stoddard and Humphrey hold 1,000 shares each, making the value of their individual holdings \$1,550. Officers of the company, which is represented in Spokane by Dan P. Bagnell, have heard nothing of the three miners since the stock was issued to them. Hemenway was formerly a cab driver and left the city in 1909.

**Pictures With Talking Machines Is Edison's Latest.**

New York, Jan. 6.—Combining the phonograph and moving picture machines, Thomas A. Edison has demonstrated at his laboratories in East Orange, N. J., his most recent invention—the Kinetophone—considered a marvel of mechanical ingenuity. The invention will be put on the market in about thirty days. Seven reels of films were run through the machine, and each character's voice was reproduced, growing louder as the performer approached the lens of the camera and vice versa.

"The finest operas and best dramas will be within the reach of the poorest man," said Edison.
