TALENT, OREGON.

Business Men Want Telegraph Service

There is much dissatisfaction in Talent over the present method of handling the telegraph service for this place. Talent is part of the Ashland telephone exchange and until a few months ago all telegrams were sent via Ashland and where the parties had phones, as was the case with practically all of the business men, the telegrams were phoned direct to them. However, some genius in the employ of the Pacific Telegraph and Telephone Company conceived the plan of having them sent via Medford and then collecting a 25-cent long distance call for phoning them from Medford to the subscribers at Talent.

This business men seriously object to and are moving on the interstate commerce and Oregon railway commissions in an endeavor to secure a telegraph office at Talent, or at least to have all Talent business sent via Ashland and delivered to all patrons of the Ashland telephone exchange without extra charge. This should certainly be done.

HELP WANTED IN ASHLAND.

And Furnished By the Help of Ashland People.

Those who suffer with kidney backache, urinary illa or any little kidney or bladder disorder want kidney help. Who can better advise than some Ashland resident, who has also suffered, but has had relief. Ashland people recommend Doan's Kidney Pills. Here's one case and there are many others:

H. D. Spencer, blacksmith, 90 Eighth street, Ashland, Ore., says: "I have used Doan's Kidney Pills to good advantage and can recommend them. They gave me quick and lasting relief, when my back and kidneys bothered me. All kidney sufferers would do well to use Doan's Kidney Pills in preference to any other kidney medicine."

"When Your Back is Lame—Remember the Name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Spencer had—the remedy backed by home testimony. 50c, all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

Pack 10,000 Cans In One Day's Run

The highest run made by the Talent cannery this season was on Thursday, October 2, when the output was over 10,000 cans.

The company is still packing tomatoes, and should the weather continue warm there might be several days' run yet.

The cannery is expecting to put out a large number of apples, but mostly in gallon cans.

TALENT NEWS ITEMS.

The bells and whistles of Talent were in evidence Friday forenoon in honor of the letting together of the waters from the two ends of the Panama canal. The whistles from Ashland and Medford could also be plainly heard.

Under the new mail service the outgoing evening mail is sent to Ashland on the motor, leaving the office at 6:25 and going from there onto the limited for transportation out. Parties having mail to send should remember the hour and act accordingly.

Rev. Mr. Reames, the new pastor of the Talent M. E. church, has rented the Dunlap property formerly occupied by Rev. Mr. Way and has brought his family here. Mr. Reames comes highly recommended and Talent is able to secure a man of his calibre only because he is in this section for his health.

Tom Fuson Sells Out. Medford, Oct. 13.—By a deal negotiated Friday, Thomas Fuson disposed of his interest in the management of the Page Theatre to his partner, Bob Gordon, who will have full and complete charge of the playhouse in the future. Mr. Gordon is an experienced theatrical man, being formerly owner and manager of the Isis Theatre. Mr. Fuson will remain in the city, with the Western Union relay station.

Fuson is a former Ashlander and well known here.

More than 3,000,000 acres of land are held as game preserves in Scotland.

Odd Fellows Lease New Lodge Room

The local Odd Fellows lodge has signed up a lease with the proprietors of the brick store building to be erected on Main street for the use of the second story for hall purposes. It had at first been the intention to erect only a one-story building, but because of the lease the building will be made two stories high, the entire second floor being arranged for the use of the Odd Fellows and such other orders as they may submit to. This will make the building much more imposing and without doubt will prove profitable to all concerned.

BARGAIN TIMES.

Oregonian and Tidings From Now Until January 1, 1915, for \$2.50.

We have made special arrangements whereby we can give the Oregonian and Tidings from this date till January 1, 1915, for \$2.50. This offer holds good only until November 1. After that the price will be \$2.75 for the two for twelve months. This will be applied to either old or new subscribers. Payments strictly in advance.

Those taking advantage of this offer during September will receive both papers for 15 months at the price of one year.

Co-operation In Road Construction

Secretary Houston of the Department of Agriculture says that the state and federal governments should work together for highway improvement in order that a large proportion of the money annually spent for road construction may not be wasted.

In his own department the office of public roads has been demonstrating the value of proper road building by the construction of certain object-lesson roads, and the forest service is carrying out his idea of national and state co-operation in road building. The law requires that 10 per cent of the gross receipts from the national forests shall be spent in the states in which the forests are situated. This money is expended for road improvement under direct control of the secretary of agriculture.

The amount appropriated under this act, based on the receipts of the national forests for the fiscal year ending June 30, 1913, is \$234,638.63. From the 1912 receipts for this 10 per cent road item there is an additional \$134,831.10, which is still available.

In administering the 10 per cent road fund, forest officers charged with the actual plans and expenditures in the neighborhood of their forests have, in almost all cases, secured an equal or a larger co-operative fund from state authorities for the building of certain pieces of road.

With the money thus expended many important roads are being built or put in repair. One on the Wyoming national forest, six miles long, makes accessible to farmers a large body of timber and opens up a region of great scenic beauty. In northwestern Arizona part of the fund will be used in connection with the LeFevre-Bright Angel road, important because it makes accessible to tourists the Grand Canyon of the Colorado. In one place the Ocean to Ocean Highway crosses the Apache national forest, Arizona, and on this project the forest service and the local authorities co-operated enthusiastically. On the Florida national forest in western Florida steel bridges and graded roads have, under the stimulus of this fund, taken the place of corduroy, bog and sand.

This federal road fund is now available in all national forest states of the west. Just as fast as returns come in, the forestry officials say, a similar fund will become available in states in which eastern national forests are being secured.

Benzonate of Soda is Barred.

Chicago, October 13.—The United States court of appeals upheld Tuesday the Indiana state board of health in the benzonate of soda cases. The original action was filed in the United States district court at Indianapolis when the Curtis Brothers Company sought to enjoin the state board from enforcing the law of 1907, making it a crime to sell food containing benzonate of soda. The district court refused the injunction and an appeal was taken with the result announced above.

Nothing Heard of Wrecked Solomon.

Nome, Oct. 12.—Efforts were made Friday to secure definite news of the three hundred inhabitants of Solomon, on Norton sound, forty miles from here, which was wiped from the map by the storm which wrecked Nome. Though it was understood none was killed at Solomon, it was feared there must be much suffering there. Reconstruction work at Nome marked time pending the arrival of supplies and materials.

NOTICE FOR PUBLICATION.

Department of the Interior, U. S. Land Office at Roseburg, Oregon, September 12, 1913.

Notice is hereby given that George W. Hoxie of Coletsin, Oregon, who on May 12th, 1909, made Homestead Entry No. 05001 for northwest quarter Section 32, Township 40 south, Range 2 east, Willamette Meridian, has filed notice of intention to make Final Homestead three-year proof, to establish claim to the land above described, before Herbert Smith, United States Commissioner, at Grants Pass, Oregon, on the 3rd day of November, 1913.

Claimant names as witnesses: R. Borton, of Coletsin, Oregon. D. M. Brower, of Ashland, Oregon. A. Rummelfield, of Coletsin, Oregon.

George W. Trefren, of Ashland, Oregon. B. F. JONES, Register. 32-6t-Mo.
