TALENT NEWS ITEMS.

The work on the new brick block is progressing rapidly these days and the building will be a decided addition to the village.

The Bagley Canning Company has finished running tomatoes and peaches and has started in on the apple run. They will also run a large amount of cider. They expect to keep busy until about the first of December.

Mrs. C. W. Holdridge and daughter Lucile are home from their trip to Iowa, having arrived Tuesday morning, coming via Sacramento. They were gone nearly ten weeks and spent most of their time in and around Sac City, their former home. They report weather cold and stormy when they left there and are glad to get back to the balmy atmosphere of the Rogue River Valley.

Peter Vanderluis and Marion Tryer made a trip to the Suncrest orchard Tuesday to see the big ranch. The rush there is practically over for the present.

The horse driven by Alice Vanderluis and Margaret Ames got away while they were unhooking him at Ashland Monday morning and demoralized the thills of the buggy before he was caught.

The Talent young people who are attending school in Ashland are rejoicing over the promise of the change back to the old motor schedule. They will then be able to go to school by train instead of by driving.

Work on J. N. Pace's new house is progressing rapidly. It has been rented by Dr. Hart, who will occupy it when completed.

C. A. Johnson, formerly from Plainfield, Wis., arrived in Talent Tuesday afternoon to look up the matter of a creamery here. Mr. Johnson is a creamery man of experience and comes at the invitation of several of the leading citizens to see what can be done to establish a creamery in Talent.

Mrs. E. E. Cook of Talent has presented the Talent free reading room with a fine new phonograph.

Avoid Sedative Cough Medicines.
If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world-wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

Worth the Trouble.
"You go hunting every year?"
"Yes."
"What kind of game do you prefer?"
"Oh, I never shoot anything. But's kind of pleasant to come home and have my family make a fuss over me because I get back alive."—Washington Star.

They Make You Feel Good.
The pleasant purgative effect produced by Chamberlain's Tablets and the healthy condition of body and mind which they create make one feel joyful. For sale by all dealers.

An Instance,
"Do you believe that colors can influence people?"
"Certainly. If you don't believe it, look at a man when he's blue."

Teachers Support Ashland Normal

Grants Pass Courier: The teachers of southern Oregon are unanimous in their demand for the re-opening of the Ashland normal school, and Monday afternoon adopted the following resolutions:

"Whereas, The Josephine and Jackson county teachers' institute has annually declared in most unmistakable terms for the re-opening of the Southern Oregon State Normal School; and

"Whereas, The legislature has by practically a unanimous vote recommended to the people at the coming election in November, 1914, a millage bill whereby the appropriation is taken out of the legislature, and therefore out of politics;

"Be it resolved, That the Josephine and Jackson county teachers' institute give said bill its hearty support until the measure is finally adopted into law, and that a special committee of five be appointed to draft a suitable address setting forth to the citizens of Oregon why said measure should be carried."

The following resolution was also adopted and wired to Portland to the Congress of Mothers in session there:

"Be it hereby resolved by the teachers of Josephine and Jackson counties, in institute assembled at Grants Pass, That we extend greetings to the Congress of Mothers assembled in Portland.

"Be it further resolved, That we recognize in the work of these women a great benefit to humanity to which we lend our endorsement and support.

"Be it further resolved, That we ask their support of the measure now pending before the people of Oregon providing for the state's support of the Southern Oregon Normal School."

Oatmeal and rice will be substituted for pie and charlotte russe as desserts by the Harvard Dining Association, as being better brain food.
