HAPPY MOTHERHOOD

The happiness of motherhood is often checked because the mother's strength is not equal to her cares, while her unselfish devotion neglects her own health. It is a duty of husband or friend to see that she gets the pure medicinal nourishment in Scott's Emulsion, which is not a drug or stimulant but nature's concentrated oil-food tonic to enrich and enliven the blood, strengthen the nerves and aid the appetite. Physicians everywhere prescribe Scott's Emulsion for overworked, nervous, tired women; it builds up and holds up their strength. Get Scott's at your nearest drug store.

A Good Advertiser Can Sell Good Property—Any Time, Anywhere

He must keep his ad at work. It must be THERE when the possible buyer looks—and he might not look more than one day out of ten. Of course, he might see and investigate it on its first publication, or, perhaps, the fifth or sixth time it appears. The good advertiser knows that, however persistent a campaign may be required, the cost will be an easily forgettable thing when the sale is made!
