**NATURE'S WARNING.**

**Ashland People Must Recognize and Heed It.**

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills. Doan's have done great work in Ashland.

Allen Davis, 137 First street, Ashland, Ore., says: "About two months ago a bad attack of kidney and bladder trouble came on me. It was so sudden and hard that I thought I was done for. My back ached and when I tried to pass the kidney secretions I had such terrible pains that I could hardly stand them. The flow of the kidney secretions was scanty. After suffering a number of days I got two boxes of Doan's Kidney Pills, as I had seen them advertised for such cases. They proved a God-send and restored me to good health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Davis had. Foster-Milburn Co., Props., Buffalo, N. Y.

**SAVE INDUSTRIAL OREGON.**

The one way to protect the future manufacturing and industrial development of Oregon is to vote against the vicious measures known as the "Water Front" bills, numbers 328 and 330 on the ballot. They are a direct attack on the prosperity of every man, woman and child in Oregon and ought to be beaten.

These measures are not only a vicious thrust at Oregon's progress but they are a veiled attack upon the public school system of the state, in that they will, if passed, deprive it of large sums of money every year.

Vote "NO" 329 and "NO" 331.

**WHY YOU SHOULD VOTE FOR**

**HON. ROBERT A. BOOTH,**  
Republican Candidate for United States Senator.

Are you better off now than you were under a Republican administration?

Are you satisfied?

If you believe in the principles of the Republican party, if you are convinced that these principles are best for the country, then prove it by voting for your standardbearer, Robert A. Booth, Republican candidate for the United States Senate.

You know that under Republican presidents the people of the United States have good times.

You know that under Democratic presidents you have Democratic times.

Remember the prosperity under McKinley, Roosevelt and Taft.

Remember conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is not one of non-partisanship. It is a question of whether you prefer prosperity under Republican administration.

Do you have work enough? Are your wages good? Is your business what you want it to be?

If you are satisfied with present conditions, well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring back prosperity is to help elect a Republican Senate.

The Republican candidate in Oregon is R. A. Booth.
