## THE ONE-ATTEMPT MAN OR WOMAN

who, for example, publishes a Want ad once, and if it does not bring the result desired decides that "advertising does not pay," should study the practical results, in all lines of endeavor, of perseverance. The law of "try again" is as potent in want advertising as in any other effort or enterprise.

Classified Rates: One cent per word, first insertion; 1/2 cent per word for each insertion thereafter; 30 words or less \$1 per month. No advertisement inserted for less than 25 cents. Classified ads are cash with order except to parties having ledger accounts with the office.

**CLASSIFIED ADV.**  
THAT IS  
Important to You at All  
IS APT TO BE  
Very Important

You MIGHT overlook the classified ads for a month without missing a really valuable opportunity. And yet on any day of that month there might be printed THE ONE ADVERTISEMENT which you could not afford to miss under any circumstances.

FOR  
out of the complex world of "offer and quest" there is apt to come, on any day, a clear and unmistakable message for YOU.

AND  
that message may be more important to you than any that has ever come to you by letter, by telephone, telegraph or messenger.

IT  
may be a call to higher business opportunities. It may be a chance to buy or to rent property such as you alone can fully appreciate. It may be a business opening that would lead you to the realization of your plans and purposes in life. It may be a chance to buy just what you are looking for or sell something you have no use for.

IT  
may be that, years ago, you "missed" some particular classified advertisement which would have changed the course of your life, greatly for the better, or made you considerably money.

IT  
may be that such an advertisement is printed today—or that it will appear some day within the course of a month or so.

**STOVEPIPE HATS**  
**LATEST FOR WOMEN**

Just as if, with the high cost of living outrunning the advance in our incomes as if the latter were hitched to a post, we didn't already have troubles enough, the milliners, always remarkable for their heartless cruelty, propose now, according to latest advice from fashion centers, to pile Pelion on Ossa, to boost the price of our wife's hats and put another crimp in our already emaciated pocketbook.

And our wife hears the news not only without perturbation, but even with something approaching exultation. She should worry!

And that isn't the worst of it. Not only are we, brothers in misfortune, to be called upon to dig deeper, but what we buy is going to hurt us when we look at it.

Woman is going to wear a stovepipe hat!

That's right, old chap, our wife is to don a topper that'll make her look like a ward politician or a Broadway swell.

Of course, if we are firm, we may be able to curb the extravagance of the wife of our bosom by refusing to purchase the tall, shiny lid for her. But most of us have learned that it doesn't pay to try to be firm with our loving helpmeet. She beats us to it.

And it's dollars to the hole in a doughnut that ever if, in the present instance, we really are firm and actually do refuse to get her a tile that will make her look like a cab driver, she'll find a way to circumvent us. She'll shake the mothballs out of our own precious stovepipe hat, the one we wear only to funerals and similar festivities, and will drape a cerise ribbon around it and be in style. And then what'll we do?

It's no use, brother. We're licked even before the bell sounds for the first round. But it's mighty hard to grin when one looks at some of the hats that women wear nowadays, especially when we remember that we are paying for them.

You have something you do not need. Somebody else needs it and has what you want. Twenty-five cents puts your proposition before two thousand people through the "For Trade" column of the Tidings.

The Tidings is on sale at Poley's drug store, 17 East Main street.

### A BIT OF ADVICE.

First, Don't Delay; Second, Don't Experiment.

If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Ashland residents desire more convincing proof of their effectiveness than the statement of an Ashland citizen who has used them and willingly testifies to their worth?

Mrs. M. J. Wilbourn, 190 B street, Ashland, Ore., says: "I have used Doan's Kidney Pills and have found them so good that I willingly recommend them. I keep a supply in the house all the time. Whenever my back and kidneys bother me I have Doan's Kidney Pills on hand and they quickly drive the trouble away. I never knew of another remedy that gave such good results. I think all kidney sufferers would do well to give Doan's Kidney Pills a trial."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wilbourn had. Foster-Milburn Co., Props., Buffalo, N. Y.

**FILM EXCHANGE TO BE LOCATED IN ROSEBURG**

Roseburg Daily News: George Maple and wife, who have been visiting in Portland and other northern cities, returned to the city last evening. While away Mr. Maple completed arrangements whereby a film exchange for the Pathe company will be located in this city. This will mean that the name of Roseburg will appear in every film exchange magazine in the country. The play-houses as far south as Ashland will be supplied by the exchange located here and will be the means of saving considerable time and money for them. Mr. Maple will spend a few days of each month on the road in the interests of the Pathe people and will act as their local representative.

Standard legal blank forms of every kind may be procured at the Tidings office in any quantity.
