Medford Knights

The members of Talisman lodge No. 31, Knights of Pythias, of Medford, are rehearsing "The Lesson of Friendship" to be given at an early date this summer in the crater of Wizard Island in Crater Lake. After much consideration the order has decided to stage this degree, which is the degree of friendship, based on the story of Damon and Pythias,

From two to four thousand knights will doubtless be in attendance. The Medford lodge will be the hosts.

There is not a more suitable spot in America to stage this degree and it will be an event long remembered by every knight who is so fortunate as to be in attendance.
