## THE CLASSIFIED ADV.

THAT IS Important to You at All IS APT TO BE Very Important

You MIGHT overlook the classified ads for a month without missing a really valuable opportunity. And yet on any day of that month there might be printed THE ONE ADVERTISEMENT which you could not afford to miss under any circumstances.

**FOR** out of the complex world of "offer and quest" there is apt to come, on any day, a clear and unmistakable message for YOU.

**AND** that message may be more important to you by letter, by telephone, telegraph or messenger.

**IT** may be a call to higher business opportunities. It may be a chance to buy or to rent property such as you alone can fully appreciate. It may be a business opening that would lead you to the realization of your plans and purposes in life. It may be a chance to buy just what you are looking for or sell something you have no use for.

**IT** may be that, years ago, you "missed" some particular classified advertisement which would have changed the course of your life, greatly for the better, or made you considerable money.

**IT** may be that such an advertisement is printed today—or that it will appear some day within the course of a month or so.

When it DOES appear, FIND IT.

A spirit of optimism that is deep enough to reflect our actions. "Faith without works is dead." Show your faith by your works. If you do that Ashland will make a city. The membership and attendance at every church will be more than doubled. There will be life both in commerce and religion. Struggling societies and struggling business ventures will be transformed into thrifty, prosperous undertakings. It is not the town, it's YOU. A town exactly reflects the spirit of its citizenship.
