THE MEN'S STORE

### New Fire Fighting Equipment Here

The fire department has taken on trial three new nozzles and a relief valve. Trials made of the new apparatus have proven it to be satisfactory so far and a great addition to the local fire-fighting equipment. Two of the nozzles are for water and one for chemicals. The nozzles have an umbrella spray attachment which when turned on sprays in every direction in front of the nozzle and protects the nozzle. The cutoff valve is the very latest appliance along this line. When the water is cut off at the nozzle the increased pressure operates a valve at the hydrant which allows the water to escape. This cutoff takes all the pressure off of the hose so that it can be easily handled and also protects weak joints. A trial of the new apparatus was made on the plaza Saturday with fine results. The immense pressure in some parts of Ashland necessitated the use of some such appliance, as formerly it took several men to handle the hose.

### Bill Granting Aid Signed by Gov.

Representative F. D. Wagner's bill appropriating \$3,000 for the widow of Game Warden Hubbard has been signed by the governor. The sum will not be sent all at once, but will be sent in monthly amounts of \$50 each after the first payment. Mrs. Hubbard and the children are at present living with Mrs. Hubbard's grandfather, Nim Long.

New skirts at Enders'.

### Sweetheart Day March 11th

A. E. Arrington, representing the manufacturers of the famous Sweetheart toilet soap, is in the city. He advances a very liberal method of introducing this popular toilet article to our people, offering to present to each reader of the Ashland Tidings one full-size cake absolutely FREE. There will appear in this paper on Sweetheart Day, March 11, a FREE coupon. Just cut out the coupon, present it to any dealer handling the soap, a full list of whom will appear in the paper on Sweetheart Day, and you will receive the gift trial cake. Sweetheart is said to be the largest selling toilet soap in the world. Seventy-five million cakes used last year. We are sure the readers of the Tidings will avail themselves of this liberal offer and test out the soap on its merits to their complete satisfaction.

### Metcalf in Charge Fruit Association

C. H. Metcalf takes charge of the management of the Ashland Fruit and Produce Association today. Mr. Metcalf reports the affairs of the association to be in fine shape and hopes for a successful season. He is organizing a new system of book-keeping and making other changes. The association will close out their stock of everything but spray and shooks and will handle these necessities alone in the future.

Fifty cents invested in a Tidings "For Sale" ad often sells a \$5,000 property. Did you ever try it?

### School Children in Boosters Parade

The children of Ashland are surely behind the springs proposition and the forward movement of Ashland. Several hundred school children carrying banners and headed by the Central Point and Ashland bands paraded the main streets Friday afternoon. At various points the little boosters would stop and render booster yells. Altogether it was a display of spirit which shows the progressive sentiment of the coming generation and augurs well for the future of Ashland. A few of the inscriptions on the banners carried by the youthful contingent follow:  
"Ashland! Ashland!"  
"Watch Ashland's smoke."  
"She's going some this year."  
"Only do your part."  
"Twelve hundred new members for our Commercial Club."  
"Are you with us?"  
"Join and help push."  
Much credit is due to Messrs. Johnson and Croxall of the entertainment committee, who had the parade directly in charge, and to Superintendent Briscoe and the teachers of the schools.

### LOCAL AND PERSONAL.

Try Enders' line first.  
Clair Burns leaves today for San Francisco.  
R. E. Neal of Medford was a Sunday visitor here.  
Earl McNow of Sacramento spent Sunday in the city.  
B. W. Talcott made a business trip to Jacksonville Friday.  
J. A. Kohagen took a business trip to Medford last Friday.  
A "Palmer" suit at Enders' means 1,000 extra votes.  
Helen Blaine visited friends in Medford last Wednesday.  
H. D. McBride and wife of Medford visited here over Sunday.  
Get scaled receipts, legal blanks, etc., at the Tidings office.  
C. R. Gould of Albany arrived Thursday for a few days' stay.  
M. H. Grover, Jr., of Hill visited friends here over the week-end.  
W. F. Gloukner of Grants Pass was a business visitor last Saturday.  
The East Side Market pays 11 and 12 cents for good fat hens. 78-4t  
T. K. Bolton was in Jacksonville Thursday attending to business matters.  
H. D. Taggart of Medford was a business visitor in the city last Thursday.  
F. G. Schmidt of Eugene arrived Saturday and will visit here for a few days.

**Cleveland, Dec. 15, 1914.**  
"The performance of Diamond Tires during the past year has been eminently satisfactory. The claims for adjustment were almost a negligible quantity. On the other hand, we have had a great many voluntary reports as to the excellent service our customers have had from Diamond Tires. We feel that a perfect balance has been worked out in the scientific construction of these Tires. The net result is that there appears to be the proper relation between the inside carcass and the outside rubber, so that there is no excess of either. The tire seems to wear out naturally and only after having given a very large mileage."

**Built-in mileage is far better than patched-up adjustments—**

When you buy Diamond Tires you buy tires that are built to give you the maximum tire service—tires that give you freedom from trouble and relieve you of the necessity of having adjustments made. This is what a dealer who sold many thousands of Diamond Tires last year has to say about the service they gave the buyers:

"Gentlemen: "Cleveland, Dec. 15, 1914.  
"The performance of Diamond Tires during the past year has been eminently satisfactory. The claims for adjustment were almost a negligible quantity. On the other hand, we have had a great many voluntary reports as to the excellent service our customers have had from Diamond Tires. We feel that a perfect balance has been worked out in the scientific construction of these Tires. The net result is that there appears to be the proper relation between the inside carcass and the outside rubber, so that there is no excess of either. The tire seems to wear out naturally and only after having given a very large mileage."  
"THE FOREST CITY RUBBER CO.,"  
"W. E. Crofut, President."

Similar reports of Diamond service have been received from dealers all over the country. Added to the wonderful Diamond service you can now buy Diamond Squeegee Tread Tires at the following

**"FAIR-LIST" PRICES:**

Size	Diamond Squeegee	Size	Diamond Squeegee
