Appearing before the city recorder yesterday afternoon in answer to a charge of assault and battery, brought by J. W. Brown, William Cottrell, a barber on Sheridan street, entered a plea of guilty and was fined \$5. Cottrell was accompanied by D. J. Jarvis, in front of whose establishment the assault is alleged to have occurred. Mr. Jarvis told the court that in a friendly scuffle he had shot a squirt-gun containing gasoline into the face of Cottrell, thinking the instrument contained only water. They both believed that Brown, to whom the gun belonged, was, to blame. Cottrell is said to have hit Brown, after he had wiped the gasoline from his eyes, which momentarily blinded him.—Roseburg Review. Cottrell is a former Ashlander and was mixed in several pugilistic encounters while in this city.
