## Grieve Heads Fire Patrol in Jackson

The Jackson County Fire Patrol Association held its annual meeting at the office of the United States forestry service at Medford Wednesday afternoon. The officers for the coming year were elected and a number of talks were given. The officers elected were W. T. Grieve, president; H. D. Miles, vice-president; Lincoln McCormack, secretary and treasurer; directors, J. H. Cooley, W. T. Grieve, H. D. Miles, Frank Owen and J. E. Wheeler.

The feature of the meeting was an address by F. A. Elliott, state forester, in which he urged that all timber owners burn their slashings early and so help to protect themselves against forest fires. There was a large attendance at the meeting and it was one of the most successful that the association has held.

### Notice to Ashland Taxpayers.

In pursuance of a recent case wherein O. H. Johnson was plaintiff and Jackson county was defendant, and the Circuit and Supreme Courts having held that Ashland taxpayers were exempt from the payment of general road tax levied by the county in 1913, and whereas a stipulation was entered into at the time the case was in progress, whereby the county is morally bound to repay any amount that was paid into the county on the taxes due in 1913 by the taxpayers as heretofore set out.

The County Court provided for the payment of these amounts out of the taxes due in 1915; therefore, in pursuance of the foregoing, notice is hereby given to all persons that paid general road tax due in 1913 that the amount will be repaid upon application or claim being filed with the undersigned at Jacksonville, Oregon.

No "red tape" is necessary in this matter. Either write a letter or file a bill for the amount and give the number of the tax receipt you received at the time of making the payment, if convenient, and the matter will be adjudicated as soon as the money is on hand from 1915 taxes.

G. A. GARDNER,  
County Clerk for Jackson County,  
Oregon. 85-4t-Thur.

### How to Stay Comfortable in Bed.

In the April Woman's Home Companion appears a department called The Exchange, in which readers set down practical suggestions that have developed out of household experience. One woman tells as follows how to make an invalid comfortable: "Last year one member of the family was unable to get out of bed. I took a shoe bag that had ample pockets and pinned it neatly with safety pins to the side of her bed. In the pockets I put her books and various articles that she needed. Everything was within reach."

Motorcycles will be assessed upon the tax rolls for next year under the provisions of a law passed by the last legislature. Assessors of the state have been notified to instruct their deputies of the same. This will mean additional money to this county, as there are between one hundred and fifty and one hundred and seventy-five in use in Jackson county.

Attain success by cutting out the brass and delivering the goods. However assuring your words may appear, they count for nothing against practical failure. It matters little what you have done or propose to do. Your destiny hangs upon what you are now doing. Do today what is due today—be conscientious about it—and let yesterday and tomorrow take care of themselves. What you do, do it well.

## Colossal Globe Shows Whole World at the Panama-Pacific Exposition

STUPENDOUS GLOBE SHOWING TRAINS IN OPERATION.

AN exhibit in the Palace of Transportation at the Panama-Pacific International Exposition that might easily take first rank if placed on the Zone, where the amusement concessions are located, is the mighty globe in the northwestern corner of the palace, commanding attention from every part of the great building. This globe, fifty-one feet in diameter, with the map of North America in relief, is the joint exhibit of four railroads—the Western Pacific, the Denver and Rio Grande, the Missouri Pacific and St. Louis and the St. Louis, Iron Mountain and Southern.

Across the face of this huge map, from San Francisco to St. Louis, is a railroad track in miniature. Trains cross and recross, making the entire trip in three minutes, electric flashes indicating the stations on the way. From the globe to the north wall of the building extends an annex sixty-five feet in length, fifty-six in width, and from the top of this annex rises in realistic effect on canvas the famous Marshall's pass of Colorado.

At intervals around the base of the globe and annex are sculptures of a farmer, representing agriculture; a miner, representing mines; a fisherman, for sports; a brakeman, for transportation, and a blacksmith, for commerce, while the slogan of the railroads is set in relief, "Comfort, Service, Scenery." In the interior of the globe will be twenty-four models of cities and scenes along the route of the railroads. San Francisco will be seen, Denver, Salt Lake, Leadville and such noted bits of scenery as the Royal gorge.

In the dim light of the globe's interior, viewing the twelve and fifteen foot canvas portrayals of cities and scenes, stars begin to twinkle in the sky above, and the illusion of straddling gazing upon nature's vast beauties is complete. The stars are secured by an ingenious electrical device.

The entire exhibit is under the supervision of E. A. Wadleigh, passenger traffic manager of the Western Pacific and Denver and Rio Grande. The design, construction and supervision are under the direction of F. B. Fulton, who also is the artist who painted the landscapes and sculptured the plaster models.

sum of \$166.88, with interest thereon from June 15, 1914, at 6 per cent per annum, and for the costs and disbursements of this action taxed at \$31.00.

Which said judgment was enrolled and docketed in the office of the Clerk of said Court on the 5th day of September, 1914, and is of record in Volume 21 of the Circuit Court Journal at pages 553 and 554 thereof.

I am commanded by said execution to make sale of the hereinafter described real property, to satisfy the judgment in favor of the plaintiff and against the defendant. I will therefore, on Saturday, the 1st day of May, 1915, at the hour of 10 o'clock a. m., at the front door of the Court House in Jacksonville, Oregon, offer for sale and will sell to the highest

bidder for cash, subject to redemption as is by law provided, all the right, title and interest of the defendant above named, in and to the following described real property, situated in Jackson County, Oregon, to-wit:

Southeast quarter of Section 3, Township 34 South of Range 2 East of the Willamette Meridian, in Jackson County, Oregon.

All of the above described real property will be sold at said time and place in the manner provided by law for the sale of real property to satisfy the several causes of actions above mentioned, together with the costs and accruing costs of this sale.
