The law of "try again" is as potent in want advertising as in any other effort or enterprise.

Woman Wanders In Delirium

Miss DeCarlo, the 23-year-old daughter of Mr. and Mrs. DeCarlo, residing at the station called Shake, between here and Klamath Falls, caused a considerable amount of anxiety when on last Thursday she wandered off wearing bedroom slippers on her feet, and lightly clad. Search parties started out about 3 o'clock and continued the search for about thirty hours until she was found. She was tracked some distance, but owing to the dryness of the ground, and the rocks, her trail was lost.
It appears that Miss DeCarlo has been sick for some time and probably wandered off in a delirium.

Belmont School
(For Boys)
21 miles south of San Francisco
We think that we give to our boys what thoughtful parents wish. Our graduates enter, on recommendation, institutions that admit on certificate and an examination (see page 14 of our catalogue) to Harvard, The Massachusetts Institute of Technology, and Yale, whose admission requirements are most severe. Send for beautifully illustrated catalogue, which gives not only a very good idea of the spirit and purpose of the school, but of its equipment and its attractive school homes. Nothing, however, can quite take the place of a visit to the school.

QUESTION CLEARED UP

Ashland Readers Can No Longer Doubt the Evidence.
Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Ashland's pertinent question has always been, "Has anyone here in Ashland been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we

can so easily prove.
A. B. Scofield, 1087 N. Main street, Ashland, says: "Doan's Kidney Pills gave me great relief from a bad attack of kidney disease. I am now free from all symptoms of this trouble."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Scofield had. Foster-Milburn Co., P-ops., Buffalo, N. Y.
