Firemen Wish To Get By-Laws

Members of the volunteer section of the fire department met at the city hall Thursday night. Those present were J. S. Jordan, Dave Sargeant, Arthur Strickland, J. E. Crowson, Glenn Eaton, Glenn Gulley, C. E. Delbert and Harley Holmes. Fire Chief Robinson and Assistant Gulley were also present.

The meeting was called to order by Chairman Diebert, and Secretary Jordan read the minutes of the previous meeting, which were approved.

The new fire alarm of one ring three rings was brought up and approved by the men. This is the brush fire signal.

Next came up the main issue of the evening, the adoption of some by-laws for the volunteers. Previous to this meeting a set of by-laws had been drawn up and referred to the city council, who would not pass favorably upon them. They were gone over by the boys and discussed, with little result.

The city council had been asked to be present, but only Mayor Johnson showed up, and he was promptly called away. Since the council was not present little could be done.

A big course of refreshments had been planned, with the result of a big freezer of ice cream and several cakes. The guests did not show up, however, and the fire boys had to light in to the refreshments themselves, with good results.

A meeting is planned for the near future, at which it is hoped to get up a set of by-laws satisfactory to all.

Keep watch for "the Gows."
