who, for example, publishes a Want ad once, and if it does not bring the result desired decides that "advertising does not pay," should study the practical results, in all lines of endeavor, of perseverance. The law of "try again" is as potent in want advertising as in any other effort or enterprise.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonful for 50 Cents

If everything was sold in as liberal and fair a manner as McNair Bros. are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say: "Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonful, because 50c worth makes a whole pint (128 teaspoonful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador of "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, St. Paul, Minn.
