FOR BRONCHITIS, PAINFUL COUGH, WHOOPING COUGH AND COLDS

Cheapest Remedy Made at Home—128 Teaspoonful for 50 Cents.

When in need of a remedy for the treatment of Bronchial Affections, such as Bronchitis, Whooping Cough, Croup, Stubborn Coughs, Colds or Hoarseness, don't simply ask the druggist for a "Cough Medicine" but get the best. Tell him to give you Schiffmann's New Concentrated Expectoant, instead of being induced into buying something else purely on the strength of some testimonials or the exaggerated claims of the manufacturer. The same "Money Back" guarantee goes with every bottle of this remedy sold by McNair Bros. Drug Store as does with Dr. Schiffmann's famous Asthmador and your money will be refunded, if it does not give perfect satisfaction; in fact, even more, if it is not found the best remedy ever used for these affections. In buying this new remedy, besides securing the guarantee these druggists give, it will likewise be found the most economical to use,

for the reason that one bottle (50 cents' worth) makes a full pint (128 teaspoonfuls) of the most excellent cough medicine, after being mixed at home with one pint of granulated sugar and one-half pint of water. One bottle will probably, therefore, be sufficient for a whole family's supply the entire winter, while the same quantity of the old, ordinary, ready-made kinds of medicine would cost between \$2 and \$3. It is prepared from strictly harmless plants, contains absolutely no chloroform, opium, morphine or any other narcotic or injurious drugs as do most cough remedies, and it can therefore be given to children with perfect safety. It is pleasant to take and children are fond of it. Absolutely no risk whatever is run in buying this remedy under the above positive guarantee. R. J. Schiffmann, Prop., St. Paul, Minn.

Carnahan of Ashland preached in the afternoon to an attentive audience, which enjoyed his excellent address. The association meets again in two months, the place to be announced later.
