

# Our Size

We are not the largest bank in the country, neither are we the smallest. We are large enough to meet the legitimate needs of our patrons and small enough to give personal attention to detail.

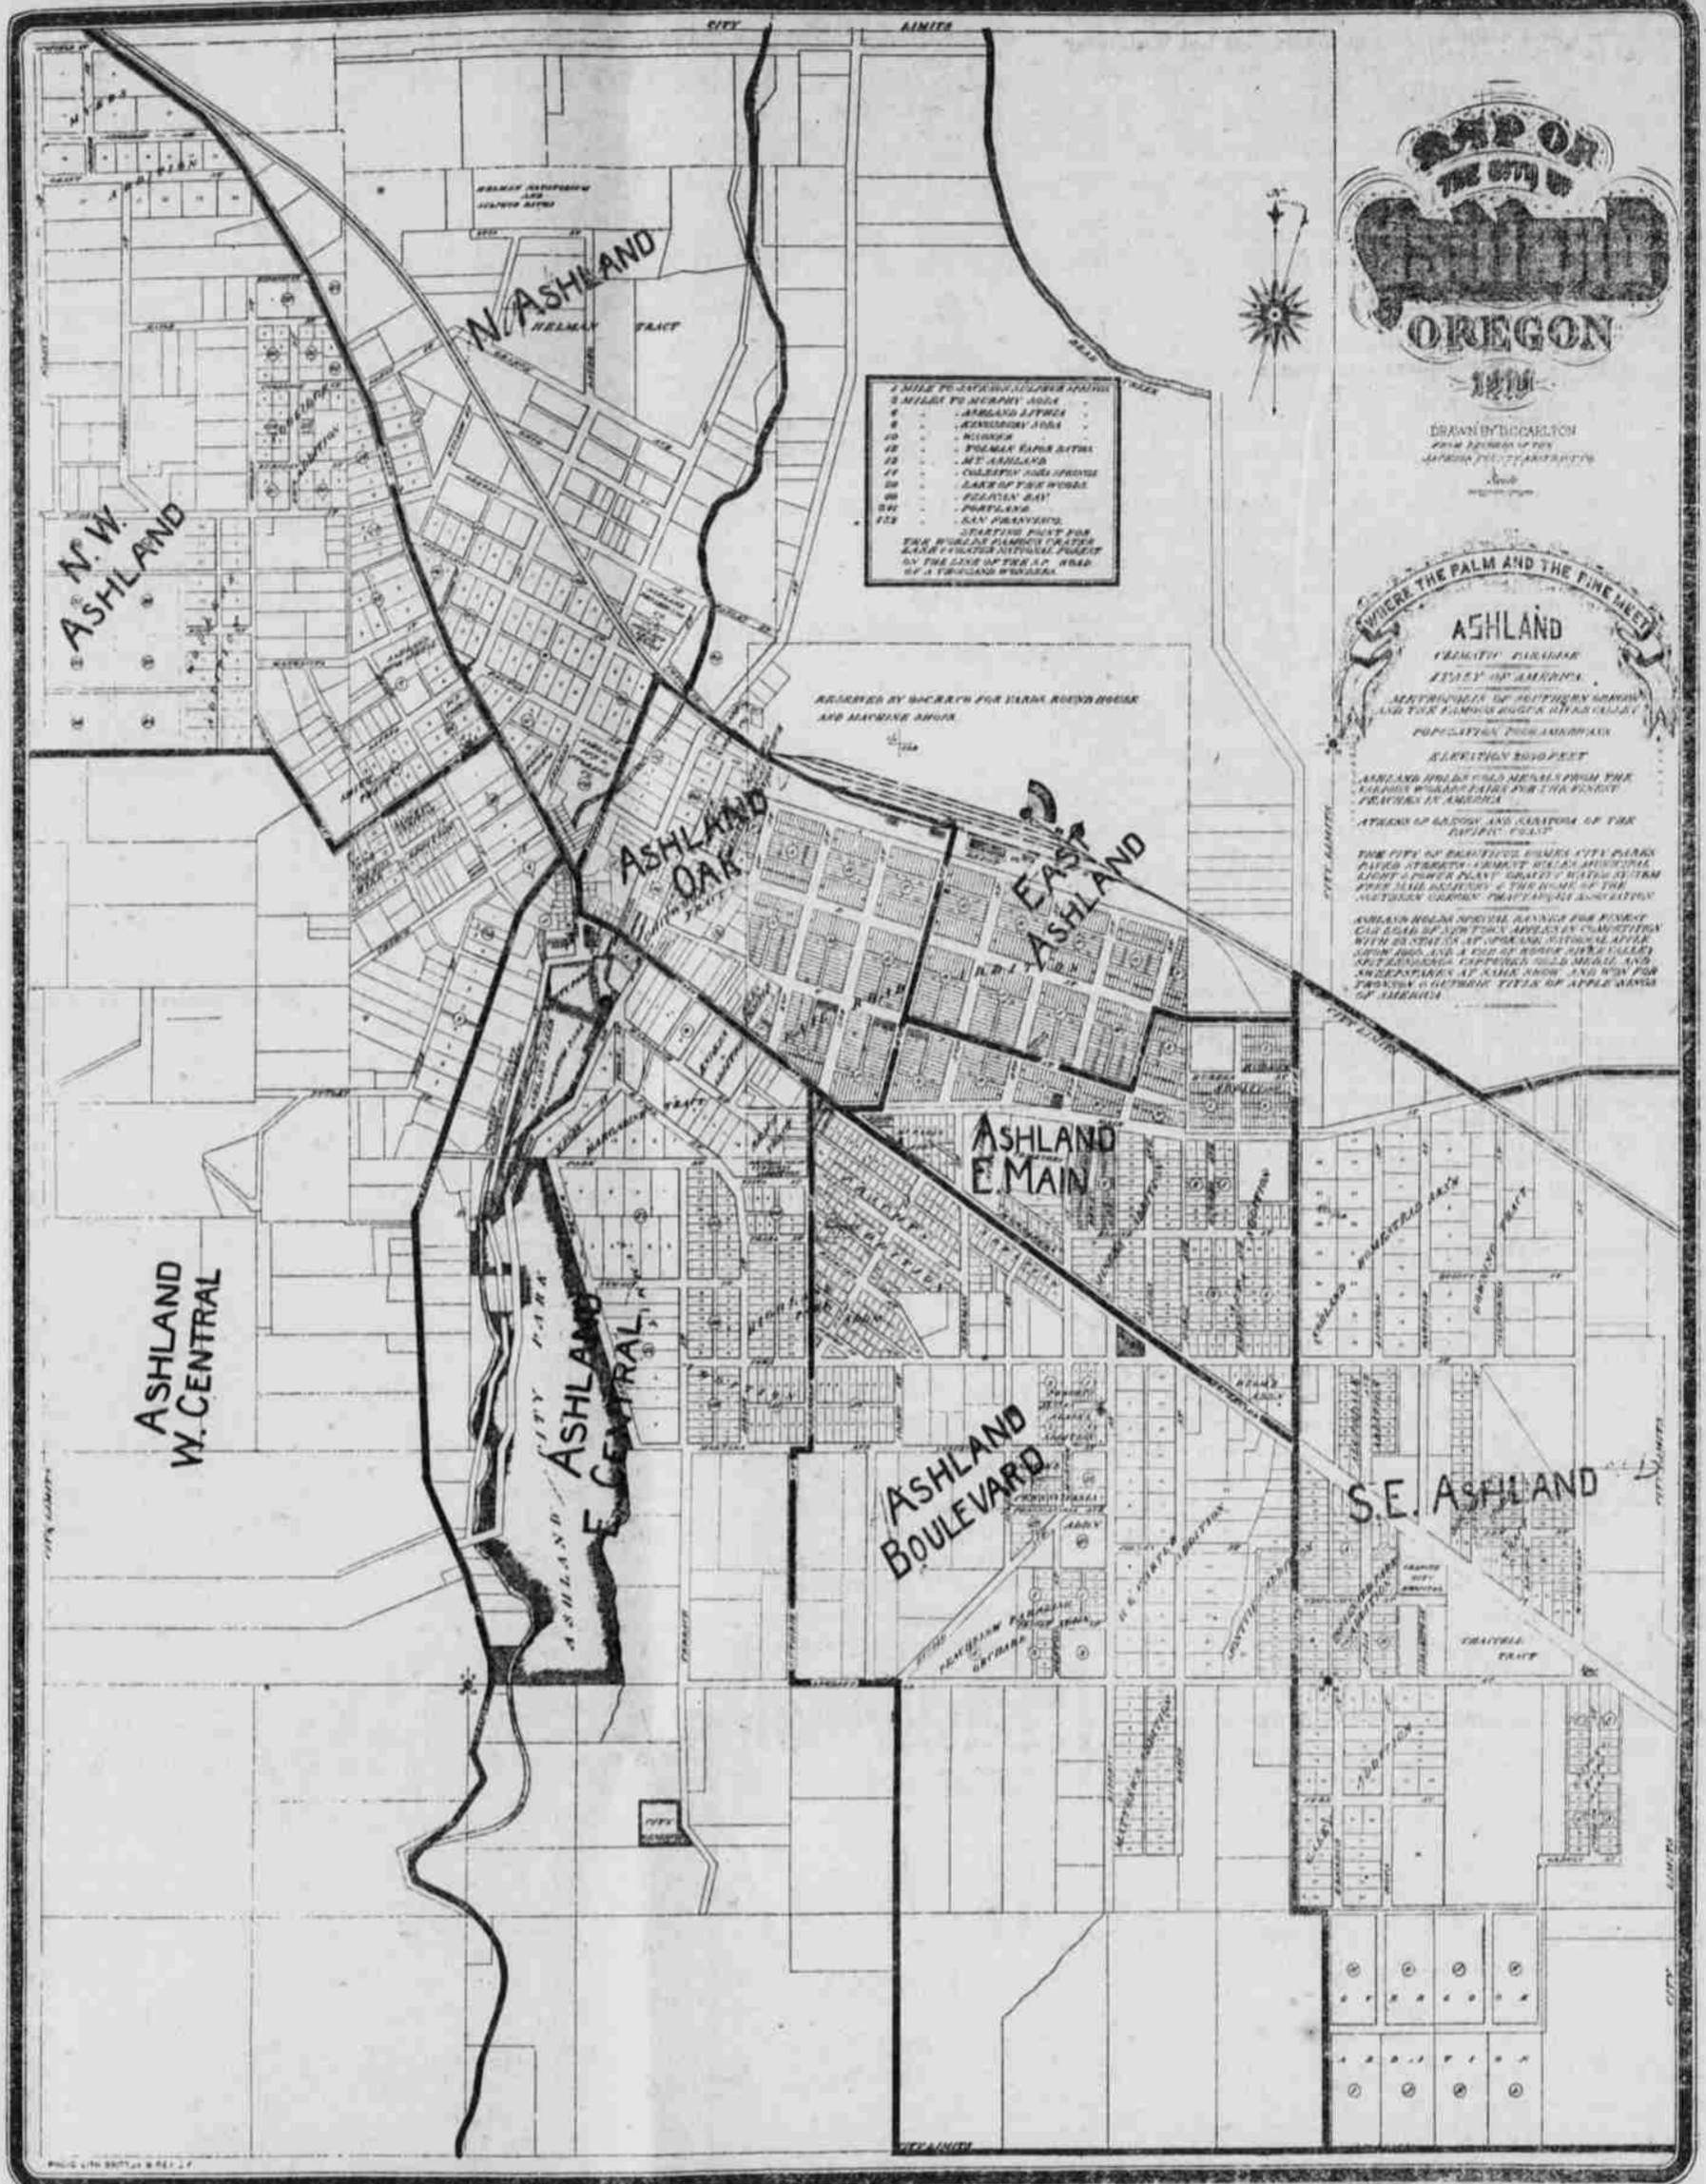

**First National Bank**  
ASHLAND, OREGON.  
Oldest National Bank in Jackson County

### WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

### MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews *plug tobacco*. The reason is that a good chew gets right next to your taste, while the leaf in *plug tobacco* is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of *Spear Head*.

*Spear Head* is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for *Spear Head*.

The choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into *Spear Head* plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try *Spear Head*, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.
