IF I OWNED AN OFFICE BUILDING in Ashland, as soon as I knew a tenant was going to vacate I would advertise the room for rent in the classified columns of the Tidings. It would cost but a quarter or a half dollar, and I am sure I would get a new tenant at once, because the Tidings would tell it to four thousand readers each issue. If I owned a house for rent I would do the same thing. Frequently office rooms and houses stand vacant for two or three months just because people who would rent them do not know they are available. The Tidings classified "For Rent" column may be made a great money saver to those having houses or office rooms for rent.

THIS IS TO CERTIFY that I expect to be a candidate for nomination for the office of Prosecuting Attorney on the Republican ticket at the primary election next ensuing to be held in and for Jackson county, Oregon.

It will be remembered that I held that office when the district embraced the counties of Josephine, Jackson, Klamath and Lake. I refer to that record.

COUNTY CLERK—I hereby announce that I have filed my declaration of intention to become a candidate for the Republican nomination for the office of County Clerk for Jackson county, Oregon, subject to the decision of the Republican party in the primary election to be held May 19, 1916. (Little) JOE H. WILSON.

CANDIDATE FOR SHERIFF—I hereby announce my candidacy for the nomination for Sheriff on the Republican ticket, to be voted upon at the coming primaries May 19th, 1916. I have held the position of Deputy Sheriff for the past four years and am thoroughly familiar with the duties connected with the office, both clerical and outside work. I feel that I am competent to hold the position, and if nominated and elected will give the people of Jackson county an efficient and economical administration. I also agree, if elected, to rigidly enforce all laws.
E. W. (Curly) WILSON.

FOR ASSESSOR—I hereby announce my candidacy for County Assessor, subject to the Republican primaries May 19, 1916. SCHOOL SUPERINTENDENT—I hereby announce that I have filed my declaration of intention, and that I am a candidate for the Republican nomination for the office of County School Superintendent of Jackson county, subject to the primaries of May 19. If nominated and elected, I pledge myself to an honest, impartial and economic administration and will personally supervise our schools. I hold an Oregon Life Certificate, and having recently spent four sessions on preparatory work in both the University of Oregon and in the University of California in the study of modern education and supervision, and having served the county as Rural School Supervisor for two years, I feel competent to fill the office in a thoroughly satisfactory manner and hereby solicit the support of every true friend of education.
G. W. AGER. 80-1f

DISTRICT ATTORNEY—The first of the year a number of Republicans, including many who approved of my efforts in the interest of the taxpayers as State Representative four years ago, requested me to become a candidate for the office of District Attorney, inasmuch as there would be, in addition to the regular duties of the criminal and juvenile courts, new duties and conditions confronting the office. Among these were mentioned the enforcement of the Prohibition Act, and the likelihood of having to foreclose many tax liens, particularly those against the Southern Pacific land grant of nearly a half million acres in Jackson county, amounting to about \$200,000. My reply was that I would become a candidate if it were generally desired and the race could be made without assuming special obligation to any particular individual, faction, locality or interest. Therefore, after consulting personally or by letter with several hundred men and women of all occupations in all parts of the county, believing there is a real desire for my candidacy, I will be a candidate for the nomination of District Attorney on the Republican ticket.
JOHN H. CARKIN.

The Most Popular Chew for a Third of a Century

PURE, RICH, FRUITY-SWEET

The rich juices of the leaf are retained in good plugs better than in any other form. For more than a generation Spear Head has held first place as the favorite high-grade plug chewing tobacco. This unique distinction is due solely to the wonderful quality and flavor of Spear Head—the richest, mellowest, tastiest chew in the whole world. Spear Head is the choicest of all red Burley, hand-stemmed and made into mellow-sweet plugs in a perfectly clean, most sanitary factory. You can't chew the flavor out of Spear Head, because it's a part of the tobacco. That rich, ripe, red Burley taste keeps on pleasing you as long as you keep on chewing. Chew Spear Head and you'll be chewing the purest and most satisfying tobacco that it's possible to make. In 10c cuts, wrapped in wax paper.
