FURNISHED HOUSES WANTED—There have been four or five persons inquiring at the Tidings office the past week for furnished houses. If those having furnished houses for rent would advertise them in this column no doubt satisfactory tenants would be secured in a jiffy. Learn to use the Tidings classified columns for your little wants. It tells your story to four thousand readers every issue. And it costs but 25 or 50 cents. Tidings wants a little house renters and real estate salesmen. Try one. You will be surprised at the results.

IF I OWNED AN OFFICE BUILDING in Ashland, as soon as I knew a tenant was going to vacate I would advertise the room for rent in the classified columns of the Tidings. It would cost but a quarter or a half dollar, and I am sure I would get a new tenant at once, because the Tidings would tell it to four thousand readers each issue. If I owned a house for rent I would do the same thing. Frequently office rooms and houses stand vacant for two or three months just because people who would rent them do not know they are available. The Tidings classified "For Rent" column may be made a great money saver to those having houses or office rooms for rent.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Hand—128 Teaspoonful for 50 Cents

If everything was sold in as liberal and fair a manner as McNair Bros., Druggists, are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say: "Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonfuls, because 50c worth makes a whole pint (128 teaspoonfuls) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador, "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, St. Paul, Minn.
