

## In the Social Realm

**Chautauqua Park Club.**  
Chautauqua Park Club will meet in Chautauqua hall Friday afternoon at 2:30. Important business.

Mrs. A. H. Pracht, Mrs. Henry Provoost and Miss Lillian Patterson of the Ladies' Auxiliary Club attended the Oriental tea given by the Greater Medford Club Tuesday afternoon.

**Elks.**  
Tomorrow night is the Elks' anniversary ball. The big ball of the season. Dancing will commence at 9. A banquet will be served at midnight.

**Bridge Club.**  
Mrs. T. H. Simpson entertained the Bridge Club Tuesday night. A pleasant evening at cards was spent and delicious refreshments served.

**Elks Visit Medford.**  
About thirty members of the Ashland lodge of Elks visited the Medford lodge Monday night and assisted in the initiation of a big class into that lodge. A jolly time was reported.

**Open House.**  
The Auxiliary Club held open house at Ivy Cottage yesterday afternoon and evening and entertained a good sized crowd. Refreshments were served and cards played. The decorations were particularly effective.

**"Stag."**  
O. H. Barnhill entertained at a "stag party" Tuesday night at his home on Wimer Heights. Guests were Dr. Tilton, Dr. Gregg, C. H. Yeo, G. N. Kramer, S. H. Palmerlee, J. B. Hunter, F. F. Whittle, Henry Carter, E. O. Smith, O. E. Delbert and J. D. Rigg. Music and stories filled the evening—with cider and doughnuts as refreshments. G. H. Yeo presided at the piano. Tilton and Kramer played the guitar and mandolin as they did together at college twenty years ago.

**Medals.**  
Will those who have Demorest or W. C. T. U. gold medals and who would be eligible and willing to contest for a grand gold medal, please report at once to G. F. Billings.

**John Feeds the Team.**  
The basketball team gathered at Charley Loomis's confectionery and enjoyed a "feed" at which Johnny Enders was the host. A jolly evening resulted. Friday the team will be entertained at the E. V. Carter home.

**Methodist Episcopal Church.**  
A home church. Corner of North Main and Laurel streets. Strangers are welcomed. Sunday school at 9:45 a. m. Morning worship at 11. Evening worship at 7:30. Epworth League at 6:15. W. J. Douglass, pastor.

**Auxiliary.**  
The Auxiliary Club will have their regular social session at Ivy Cottage next Monday evening. Hostesses will be Mesdames Hal McNair, E. H. Bush, Norris and Paulserud. It is to be a Japanese evening and the ladies would like to have as many as wish to do so, appear in Japanese costume.

**Valley College Woman's Club.**  
Mrs. Fred Wagner, Mrs. C. B. Wolf, Mrs. Homer Billings and Miss Minnie Jackson attended an affair at the home of Mrs. John Carkin of Medford, president of the College Woman's club of the Rogue river valley, last Saturday. The topic of discussion was "American Painting" and various phases of the subject were taken up by the members. Miss Robinson told of the third or modern period and Miss Quisno of mural painting. Mrs. Heine, president of the Arts and Crafts club talked on "American Art Galleries." The social chairman of the organization, Mrs. Hammond, was assisted by Mrs. Neff and the Misses Folger and McKinney.

**Study Club.**  
The Study Club is holding a progressive luncheon this afternoon in honor of Mrs. R. L. Burdick and Mrs. J. B. Ware, two of the club members, who have taken an active part in club work and who leave Ashland in the near future. The first course was served at the home of Mrs. C. W. Nims, the second at the Fred Wagner home, and the third and fourth at the home of Mrs. Pell.

**Ministerial Association.**  
The Ashland Ministerial Association held its regular meeting at the public library Monday afternoon. Besides the local ministers there were present Evangelists Mathis and Vessey and Rev. Hutchinson. The evangelists are holding meetings at Medford and may be secured to conduct a series here. Rev. Hutchinson is the Methodist pastor at Jacksonville. He is a young man who came over from Ireland but a few months ago.

**Eastern Star Afternoon.**  
Fifty-six members of the Eastern Star of the Ashland chapter and visiting members gathered at the lodge rooms Tuesday afternoon in the first of a series of luncheons and social afternoons which will be held on the second and fourth Tuesdays of every month. A two-course luncheon, music and a general jolly time made the afternoon a most pleasant one. The affair took on the nature of a farewell party for Mrs. R. L. Burdick, who leaves soon.

**Eleven O'Clock Club.**  
The Eleven O'Clock club enjoyed another evening of dancing Monday at Memorial hall. The orchestra which furnished music in the past was employed at the Vining theatre and phonograph music alternated with the piano alone as a means for providing rhythm and tempo. At the conclusion of the evening it was voted to have five more dances. The ladies will furnish light refreshments at the next party.

**Surprise.**  
A jolly crowd took Miss Leota Keller by surprise Monday evening, the occasion being the young lady's birthday, or rather, Tuesday was, but her friends fearing she might be looking for them on that evening, concluded to make the surprise doubly sure, by appearing the night before. Games of various kinds were played and a genuine old fashioned good time was enjoyed. Delicious refreshments were served and at 12 o'clock the crowd dispersed, wishing Miss Keller many happy returns of the day.

The heavy traffic in empties which has been sending out trains of fifty cars some times two and three to the day, bound for the north, has fallen off considerably. The southbound freight traffic is picking up, but comes spasmodically. Passenger traffic is uniformly good.

Jack Lilly has bid in one of the trainmen jobs on the Weed logger which was started Wednesday, and left for the lumber town after a brief visit with friends here. The Weed logger is the logging train which operates between Weed and the several camps of the Weed Lumber Company.

Will G. McBride, foreman of the Yreka railroad and well known hereabouts, has resigned and moved to Sacramento, where he takes a similar position with the Oakland, Antioch & Eastern. A. Von Buntzen of McCloud is McBride's successor at Yreka.

Railway trainmen report that the S. P. terminal at Red Bluff is being removed to Gerber in that vicinity, where roundhouses, power lines and a 50,000-gallon oil reservoir are being installed. The new location will be on a site laid out by the Tehama Investment Company.

Medford Tribune: No more loss of steam in the whistles of the Southern Pacific's big engines as they slip into and out of this little city—after next week. The yard limit boards are about ready for shipment and installation here. After they shall have been located, five days shall elapse before the notice will be effective. A man has already been fined \$5 for tooting his auto horn in the city. Now, what shall we do for a noise?
