### "AND A LITTLE CHILD SHALL LEAD THEM"

**ARE** values in Ashland SHRINKING? Is our neighboring town getting AHEAD faster than ours? Are we making a POOR BARGAIN? Have WE cause to WISH we had done differently? Then this old familiar picture (one of the best known in the world) may start us thinking on the right track. HOME values are bound to SHRINK, if our policy of trading is WRONG. We only need to borrow the wisdom of a child to appreciate the value of trading at home. Patronize the Ashland merchant.

### MAIL ORDER BUYING vs. BUYING of THE HOME MERCHANT

Is there a difference between buying your Hardware of us or buying it from a Mail Order House? YES, there is a wonderful difference in buying it from a home merchant, and buying from some house several hundred miles away. First, we meet mail order house prices. Second, we are right here where you can either phone us or come in and call our attention to anything that might not be correct, the next time you are in town. Third, you can see the article which you wish to purchase, before you pay money for it. Fourth, you do not have to wait ten days or two weeks for your goods and have that anxiety as to whether or not they will be up to standard of quality of which you wish them to be. Bring or mail us a list of your wants and let us give you prices.
