Sunday Crowds In Park Immense

The Sunday band concert was held in the new speakers' stand beneath the great shade trees in the vicinity just below the sulphur cave. The largest Sunday crowd which has visited the park in the past two months filled the benches which have been built in that vicinity, and hundreds were forced to stand. The concert was held in the new location because of the fact that until the shade trees around the bandstand proper are developed more, the hot sun makes that location rather warm. Hereafter in all probability the Sunday concerts will be held in the shady location, and the Wednesday evening concerts in the bandstand. The concert was the best given by the band this season. Four Medford musicians have been added to the personnel of the band and fill it out into a well-balanced organization.

The regular Wednesday night concert will be of exceptional popular appeal. On next Sunday the Dunsmyr band and a trainload of Dunsmyr people will probably be up, negotiations now being under way to get that band for a concert.

Out-of-town people by the hundreds were in the park Sunday and scores of picnic parties were held. Many northern California people motored over.

The Wednesday concerts will hereafter be held beginning promptly at 7:45 so that valley people may catch the 9 o'clock jitneys.

Warner Meets Mail Order Houses

To meet mail order prices in a straightforward manner, allowing personal inspection of goods and with the guarantee of a home firm behind the goods as features which the mail order houses can never meet, is the ambition which A. T. Warner, the hardware man, has realized. He offers to take orders of goods selected from any mail order house at their prices and sometimes beats their prices.

In order to reduce an overcrowded stock and raise ready cash for a big deal, Mr. Warner has decided to offer at a great sale, bargains in hardware which will demand the attention of everyone who has use for anything that lies on the shelves of a hardware store. Prices on hardware are rising on account of metal prices brought on by the war, but Warner's prices are falling out through the bottom in this sale.

E. E. Miller Will Fix Up Rest Room

E. E. Miller of the Vienna bakery and luncheon has rented the office rooms next door which were formerly occupied by the Cunningham real estate office and will fit them up as a rest room for ladies during the coming celebration. Toilets and lavatories will be installed and comfortable furniture put in. This is an idea which might well be followed by other merchants. Caring for Ashland's visitors during the coming celebration is a problem whose immensity is hardly realized, and upon it hangs a great deal, as successful handling of the crowds will mean revisits by all who come in July. The lead taken by Mr. Miller should be followed.

Will Ask Bids For Paving Hill

At a meeting of the county court Friday the advertising of bids for the grading of the Ashland hill section of the Pacific Highway was authorized. Specifications will be prepared and submitted to the court at its Monday meeting and the advertisements then placed. It is probable that action will also be taken on the Central Point-Tolo section.

The final contract for the subway under the railroad track with the Southern Pacific has not yet been ratified by the railroad company, but the essentials have been agreed upon and the court expects the contract will be signed by the time the grading contract is awarded. Action is taken now to expedite matters.

MISREPRESENTATION.

A telephone call from one of the Greer recall petitioners living on north Oak street announces that she and four of her neighbors were told by the solicitor that Mr. Greer was ready to turn the park over to the city and could not do so without the petition; that it was being circulated by his friends to help him. Upon that representation they signed the petition and did not know different until after the petition was filed.

Accommodations for Celebration Crowds

Every effort is being made by the committee on accommodations to be sure that the visitors who come to Ashland for the celebration will have a place to sleep. The reports are that we will have an enormous crowd of people here, and unless these people get a good place to sleep, it will be impossible for us to expect to hold them here for three days. The citizens of Ashland are requested to strain a point and accommodate as many people in their homes, or put up tents with beds or cots, and report to the committee on accommodations that they have these to let out.

The general committee on accommodations is as follows: D. D. Norris chairman, F. H. Walker and H. O. Parucker. The sub-committees are: Comfort stations, John Volpe chairman, Warren Williams and C. W. Banta; water supply to camping places, Earl Hosler chairman and P. L. Ashcraft; auto camping places, J. G. Hurt chairman, W. Y. Crowson and A. L. Strickland; camping places for parties with teams, O. F. Carson chairman, John H. Dill and C. W. Fraley; private home accommodations, beds, cots and tents, D. D. Norris chairman, F. J. Shinn, Tom Hill, W. H. Gowdy and L. J. Trefren; hotel and boarding house accommodations, beds, cots and tents, H. G. Enders Sr. chairman, E. R. Greive and E. T. Staples; eating accommodations in downtown district, M. C. Reed chairman, C. B. Lamkin and J. D. McRae.

There will be a meeting of the general and all sub-committees at the city hall this afternoon and every effort will be made to house the people who come here. We must depend upon the help of the citizens to do this.

If any one in Ashland has any doubts or is lukewarm on this celebration, just take a look at the stand being erected at the Roundup grounds. It will seat ten thousand people. We must furnish them accommodations.

Ashland Knights To Los Angeles

Ashland will be represented by several Knights at the Grand Commandery of the Knights Templar which will be held in Los Angeles June 17 to 23 inclusive. The delegations from northern Oregon will go to San Francisco by boat. The southern Oregon members will go down by rail and join the rest of the Oregonians at San Francisco, continuing the trip by rail. At present those who plan to go from here are Mr. and Mrs. C. W. Nims, Mrs. Ella Mills, T. K. Bolton, Mr. and Mrs. T. H. Simpson and Mr. and Mrs. W. E. Newcombe. This party will leave on the 17th of this month. Mr. and Mrs. Stone intend to motor down with Grants Pass friends. The Grand Commandery will have thousands of Knights from all over the United States in attendance and entertainment and ceremonials will be staged upon a stupendous scale. The fare from Ashland is exceedingly low, and the fact that this is probably the only time in many years that the Grand Commandery will be held on the coast will no doubt add others to the list of those who will attend from here.

List of Names Which Were Affixed To Petition Recalling B. R. Greer

Following is printed all the names that appear on the Greer recall petition.

On looking over the signatures on the original petition filed at the recorder's office Mr. Greer thought about one hundred and fifty of the names appeared to be written by the same hand. That did not look good to him. It would indicate that many of the names had been "faked" and were not the genuine signatures of the purported signers.

In order that citizens may be able to ascertain whether their names are properly there, the list is printed herewith.

If you signed the Greer recall petition you will find your name in this list. If you did not sign the petition Mr. Greer thinks you are likely to find it there. If you did not sign it and your name appears on the petition, Mr. Greer will deem it a great favor if you will notify him. You will note that some of the names are on two or three times:

Further nominations may be made for both king and queen by purchasing votes and writing the name of your favorite candidate on same and depositing in one of the ballot boxes which are located at the following stores: E. N. Butler, E. R. Greive, McNair Bros., W. P. Poley, Rose Bros., Win Crowson, H. G. Enders & Son, Depot Drug Store, C. H. Vaupel's, White House Grocery, Ashland Trading Company and the Vining Theatre. No further nominations will be allowed after Thursday night, June 15.

The young ladies eligible to be elected as Queen Lithia must live in Ashland, be unmarried and over seventeen years of age.

Any man who is at peace with his wife and spends all of his evenings at home, and also that he is not considered a particularly handsome man, is what would make a man eligible to be elected as King Sulphur.

The funds derived from this voting contest will be used to furnish the queen's gown and such costume as necessary for the king, and will also defray the expenses of their respective floats.

Get into the game.

Royal Hawaiians At Vining Theatre

R. G. Holldorff's Royal Hawaiian Serenaders, who have been the headliners at the San Francisco Hippodrome and have played to capacity houses through California, will appear at the Vining Theatre tonight and Tuesday. This troupe of seven people are giving two big acts of extraordinary quality. David Nakea, the sweet-toned Hawaiian tenor, and Princess Annie Kealoha, in her most refined native dances, are two of the features. Dick Reuter plays a ukulele solo which brings him great applause, and music lovers will listen with amazement to the sweet tones of the steel guitar when John S. Kalama and Nakea will master this wonderful instrument. George D. Kalani, the famous baritone, and William Aylett in his bass solo are much admired, while Henry Kane makes a great hit with his unique dance and comedy.

The Royal Hawaiian Sextette, who have been the feature at the San Francisco exposition, will offer selections of great variety and most wonderful harmony.

In addition to this big vaudeville bill, a five-reel feature is also included in the program, and we advise to get your tickets early, as a capacity house is expected to hear and see these wonderful singers and players from the Isle of Paradise.

Old Ashland Firm Will Quit Business

Beebe & Kinney's, one of Ashland's pioneer mercantile establishments, is going out of business and will close out their stock beginning next Thursday.

This is one of the old stores of Ashland and one of the most firmly established and reputable concerns in the valley. It was established twenty-three years ago under the firm name of Vaupel, Norris & Drake, under which name it continued for ten years, then changing to Vaupel, Drake & Kinney for two years, then Vaupel, Beebe & Kinney for two years, and finally Beebe & Kinney for the past nine years.

Mr. Beebe and Mr. Kinney have no definite plans for the immediate future, but both own beautiful homes in Ashland and have extensive business interests here and in the valley, and will probably continue to make Ashland their home. They will not re-enter the mercantile business here.

The store will be closed this week until Thursday in preparation for the commencement of a closing out sale which will be the most sensationally low-priced sale ever held in the valley. Everything will be sold at less than wholesale cost despite the fact that prices on nearly everything are advancing by leaps and bounds. The values offered should attract crowds from all over the valley and should close out the immense stock in a few days.

Flag Day Exercises At Lithia Auto Camp

Flag Day will be observed by the Ashland Elks lodge as it is all over the United States, with a great public gathering and exercises. The exercises in Ashland will be held in Lithia Park auto camp at 2:45 on Wednesday of this week. The members of the Elks lodge will gather at the Elks temple at 2:30, where they will be joined by the G. A. R., W. R. C., militia company and led by the Ashland and to the park. The committee in charge consists of E. N. Butler, A. L. Strickland and F. F. Whittle. Hon. Bob Nixon of Yreka, Cal., will be the speaker of the day and an interesting program will be rendered. The public is invited to attend. Many will make an all-day picnic of Flag Day in the park. The Parent-Teachers will have a valley picnic on that day and a crowd of several thousand will probably visit the park.

Want Dunn's Name On Recall Ballot

About fifty interested voters from all over the county met at Medford last Saturday afternoon to put forth candidates to oppose the present members of the county court on the recall petitions now in circulation. W. W. Gregory was named to run on the short term for commissioner against W. C. Leever. Several are being considered as available to run against Frank H. Madden. The gathering of voters seemed intent upon having Judge G. W. Dunn of Ashland run for county judge despite the fact that Mr. Dunn had declared that he could not run on account of business. Finally a committee was named to endeavor to get Judge Dunn to reconsider his decision.
