None Seriously Hurt in Round-Up

But three of the participants in the Rogue River Round-up were at all seriously injured. Of these three, the Indian girl who was thrown the first day suffered a broken collarbone; F. L. Gregory, who was stepped on by a horse in the wild horse race, suffered a broken collarbone, and another cowboy had a rib broken. All of these left town with the Pendleton bunch or other crowds and are on the road to recovery. Roy Beck, who had the narrowest escape of all when he was caught upside down by the chaps on the saddle horn of a bucking horse, escaped with minor scratches.

Why shouldn't the Standard Oil Company make the best oil—with over 40 years experience in refining—with unequalled plant equipment? And Zerolene is scientifically refined from selected California crude—**asphalt-base**. Prominent authorities have recently declared that an oil correctly refined from asphalt-base crude can be made not only equal but superior to paraffine-base oils. Next time you empty the crank-case refill with Zerolene. Dealers everywhere and at service stations and agencies of the Standard Oil Company.

UNSHAKEN TESTIMONY.

Time is the test of truth. And Doan's Kidney Pills have stood the test in Ashland. No Ashland resident who suffers backache or annoying urinary ills can remain unconvinced by this twice-told testimony.

S. F. Long, 364 Helman street, Ashland, says: "I used in all two boxes of Doan's Kidney Pills and can say they gave me good relief from backache and kidney and bladder trouble. I recommend them with pleasure."

The above statement was given on March 11, 1913, and on March 15, 1916, Mr. Long said: "My former recommendation for Doan's Kidney Pills still holds good. I know they are a medicine of merit and can't be equalled for backache and kidney trouble. Whenever I have occasion to take a kidney remedy, Doan's Kidney Pills never fail to give satisfaction."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Long has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Miss Geneva Hall, Mr. and Mrs. Adam Wimer, Ed Parker, Brownie Hampton, W. H. Hodgkinson and family, Mrs. A. H. Gunnell, Mrs. Amy Booth Holmes and children, Gerald and Ward Prescott, Layton and Herbert Schell were among the Grants Pass visitors during the celebration period. A majority of the Grants Pass folks camped in the parks.

Miss Anna Crovelli was a guest at the H. L. Sinclair home during the celebration period.

Bulletin No. 5

The Bethlehem Steel Company's Offer to Serve the United States

At a time when the expenses of the Government are so enormous—

Isn't it worth while **finding out** the actual facts before plunging ahead into an expenditure of \$11,000,000 of the people's money for a Government armor plant?

To clear up the whole situation, and to put it on a basis as fair and business-like as we know how to express it, we now make this offer to the Government:

The Bethlehem Steel Company will manufacture armor plate for the Government of the United States at actual cost of operation plus such charges for overhead expenses, interest and depreciation as the Federal Trade Commission may fix. We will agree to this for such period as the Government may designate.

The House of Representatives voted down a proposal to empower the Federal Trade Commission to determine a fair price for armor, and allow private manufacturers opportunity to meet that price before the Government built its plant.

Isn't our proposition fair and ought it not to be accepted?

The measure is now before the United States Senate.
