W. A. Long and family have moved to Ashland from Portland. Mr. Long says that this is the third time he has moved back to Ashland and that he is here to stay this time. He has been away for four years and was delighted with the changes which have been made in that time.

A good-sized crowd gathered in the Plaza before 9 o'clock Friday morning and joined in the scramble for the 100 packages which were thrown off the roof of Beebe & Kinney's store. The Big Ben hour bargain sale inside was well patronized throughout the day.

The Klamath Falls Commercial Club has succeeded in having a quarter-mill tax incorporated with the county budget and to be used for publicity purposes by the club. If the budget passes Klamath county will share in the expenditure of the money.

Among apportionments in aid of county fairs for 1916, the Jackson county exhibit at Medford is entitled to \$1,753.63, according to figures just made public. The total allotment throughout the state is \$46,724.75. Josephine county will receive \$615.02 and Klamath county \$867.28.

John Hampshire of the Queen of Bronze Mining Company of Grants Pass returned to that city Thursday after a several days' stay in this city, during which he partook of lithia water for the benefit of his health. He left announcing himself greatly improved and expresses his belief in the curative properties of the lithia.

C. B. Haney and wife, accompanied by Robert Haney, all of Elkton, Ore., were visiting in Ashland several days last week. They came overland in an auto from Douglas county and expect to visit several California towns before returning. They were delighted with this part of Oregon and enjoyed our scenery and the park very much, and hope to return again next year.

For what you need to wear on that vacation trip it will be no trouble to find at Mitchell & Whittle's store. It

F. C. Hollbaugh and Herbert Davis, two young ranchers who have places east of Ashland, have purchased a Case threshing and plowing outfit through Emil Peil, who is the local agent for the Case machines. Their machine will handle from 1,000 to 1,500 bushels a day. There is more grain planted in the valley this year than there has been since fruit became the valley's aim. The new owners have already contracted to thresh over 30,000 bushels.

A few sizes in genuine Panama hats left which we will sell at greatly reduced prices. Mitchell & Whittle. It

Klamath Falls Herald: Fresh with stories of the unexcelled fishing to be had in Odell lake, Ralph Carter, Hardin Carter and C. D. Shorening returned Saturday night from the lake. They say the biggest catch in any one day was 325 trout, and that the entire party in the last ten days have caught between 1,500 and 2,000 fish. "Doc" Powell, Frank Olds and Lawrence Ezell are still at the lake. Most of the fishing is done with a fly from rowboats, say the boys, but fair success can be had by trolling. The biggest trout caught was a Dolly Varden, which was 26 inches long.

E. J. Garrett of Grants Pass is spending several days in the city.

Miss Edyth Smith is visiting friends and relatives in Klamath Falls.
