ARE WE, as a community, pulling together? Or are we pulling in OPPOSITE directions? ORGANIZATION is the great community need of the day. Without organization men and women are apt to sink below the level of mules. Even mules, in times of danger or panic, have been known to CO-OPERATE. They sometimes kick together. If it were given to mules to think, they would wonder at the ways of men. That men and women, living and working in the same community, should refuse to co-operate, is one of the riddles of civilization. The only benefits worth having are the benefits we can share with our NEIGHBORS. Individual benefits count for little. It is the co-operative effort that brings everlasting good. Good roads, factories, better schools, good markets can only be secured when all pull together. Every man, woman and child in this community should give one hour each day to community work. But don't wait for someone else to start it. There is work for you to do. Begin with yourself.

The Fallacy of Paraffine Base: Eastern oil manufacturers have long extolled the superior virtues of paraffine-base motor oils. But Pacific Coast motorists have proved that Zerolene, made from selected California crude, asphalt-base, gave best results. Their experience is now supported by the testimony of international experts. Lieut. Bryan stated before the Am. Soc. of Naval Engineers: "Oils made from the asphalt-base crudes have shown themselves better adapted to motor cylinders, as far as their carbon-forming proclivities are concerned, than are paraffine-base Pennsylvania oils." Zerolene received highest competitive awards, San Francisco and San Diego Expositions. Dealers everywhere and at service stations and agencies of the Standard Oil Company.

Mrs. Morris owes the fact that her car is intact to a heavy guard which protects the front end from just such accidents as occurred in the Park garage Saturday when the car smashed into a six-inch post, breaking it square in two but not injuring the car in the least. Without the guard the radiator would no doubt have been ruined.

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Ashland Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read an Ashland case:

Mrs. E. F. Wolters, 263 Mountain avenue, Ashland, says: "I have been taking Doan's Kidney Pills off and on for a long time whenever I have felt any need of a kidney medicine and they have never failed to give good satisfaction. I am subject to backache at times and my kidneys act irregularly. Doan's Kidney Pills soon remedy his trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wolters had. Foster-Milburn Co., Props., Buffalo, N. Y.
