Klamath Falls has succeeded in originating a new method of procedure in raising funds for municipal purposes which beats issuing bonds all hollow. Last Monday night 27 Klamath autoists were assessed \$5 apiece for running their autos with lights unlit at night.

Percy Grisez, a former jitney driver here, now engaged in a similar capacity on the run from Yreka to Montague, was recently fined \$25 for accepting 50 cents as fare from a passenger, instead of collecting 75 cents, the regular rate as fixed by Yreka city ordinance. A detective figured in the trip as a casual passenger. Grisez pleaded guilty.

Edgar Sheldon, former Ashland boy, who left here about four years ago, and son of Miles Sheldon of this

city, is now with the Royal Mail line, and in a letter to his father says he is receiving \$65 a month and intends to stick to the ship until he is promoted. His ship is the Maitia, plying between San Francisco and New Zealand in the fruit and coconut trade, and visiting many of the South Sea islands.

Henry Miller died at San Francisco recently at the age of ninety years. He was the senior member of the firm of Miller & Lux, who own countless thousands of acres of California land and are the cattle barons of the coast. The firm is still in existence, although both its originators are dead, and recently invaded the southern Oregon cattle market. Most of the cattle from this vicinity have been shipped to the California concern this year.
