Vote Ballot No. 60

E. W. Wilson, Republican-Progressive For Sheriff Candidate

**Honest
Efficient
Competent
Trustworthy**

Worthy and Well Qualified

E. W. Wilson is an active, progressive and capable young man, and stands for a rigid enforcement of all the laws.

He is finishing his fourth year as deputy in charge of the sheriff's office and is pre-eminently qualified to discharge the duties of that office in a highly satisfactory manner, and by reason of his experience and ability the cost of the office should be reduced to the lowest figure in the history of Jackson county.

It is universally conceded that the sheriff's office is being conducted in a highly efficient manner, and the election of Mr. Wilson means a continuance in its present condition.

An excerpt from the certified public accountant's report to the County Court, filed March 4, 1916, contains the following:

"All of these collections have been promptly deposited in the treasury. The sheriff is observing the law requiring all delinquent taxes to be brought forward on the current rolls and entered on the tax receipts. This is a huge task, and they are doing the work as diligently as possible during the stress of a heavy tax collection. It is praiseworthy in the sheriff to find his office administered with no bustle or confusion. Only expert men are employed in the office, in the tax collections and other departments of the office. And it is a pleasure to find Jackson county coming forward as one of the best officered counties in the state. Undoubtedly it is economy to employ only efficient men in the office of tax collector."

"I have scanned every tax collection and every fee coming into the office and I find nothing out of place nor entered wrongly. This is an unusually good record."

Mr. Wilson has by his own energies made himself a competent Deputy Sheriff, and by training and ability has the necessary qualifications for Sheriff.

Office of Sheriff Was a Busy Place.

(From Ashland Record, April 12, 1916.)

The sheriff's office at Jacksonville was just heaving a sigh of relief last Thursday when the Record editor stepped into it. For the ten days previous it had been one of the busiest places in the county. Five men had been taking care of the first payment of taxes—a job which in former years kept as high as thirteen people busy. The lessened number of helpers is largely due to the efforts of Deputies Harper and Curly Wilson to establish system.

The whole matter was summed up by the expert who recently audited the county books when he said:

"The sheriff's office is administered with no bustle nor confusion. Only expert men are employed in the tax collections and other departments. I have scanned every tax collection and every fee coming into the office and find nothing out of place nor entered wrongly. This is an unusually good record."

W. H. SINGLER, Sheriff.
