Fred Dodge Dies From Accident

Fred Dodge died at the Sanitarium Tuesday as the result of a railroad accident at or near Steinman Monday night when both his arms were crushed in the coupling apparatus of a freight train. The right arm was pinched off near the elbow and the left one crushed close to the shoulder.

Mr. Dodge was about 32 years old and had been employed by the Southern Pacific Company for a number of years. He went out in charge of the train Monday night as conductor. Near Steinman the train stopped for water and when attempting to start broke in two. While trying to fix the broken coupling Mr. Dodge was caught between the cars which settled back.

The rear engine and a caboose were detached from the train and with the trainmen waving lights, in the absence of any headlight, the trip was made down the mountain to Ashland in record time.

Mr. Dodge was hurried to the Sanitarium, where it was necessary to amputate both arms, and owing to the shock and subsequent sinking Mr. Dodge died Tuesday afternoon about 3:30. He leaves a wife and infant daughter, besides two sisters and a brother. He was a prominent Elk and well known throughout Jackson county, having spent practically all his lifetime here.

Funeral services are being held this afternoon at the home of Mrs. Dodge's father, Mayor O. H. Johnson, on North Main street. A fuller

Mr. George A. Gardner,
County Clerk,
Jacksonville, Oregon.

Dear Sir:
To your request as to how I am finding the County books, on my present examination, I will say your office is in excellent condition. You have turned over to the treasurer regularly, all the receipts of the office. I can say that your office is conducted as well as any office in the state, which I examine—last year twelve counties—and much better than most Clerk's offices. Always perplexing, in some details, you have installed several methods of work in your office which make for economy, and for more efficiency. The Sheriff's office as far as examined is being conducted in the same methodical way. The deposits

Presentation of Lincoln Statue

On Monday, November 6, the marble statue of Abraham Lincoln erected by G. S. Butler in memory of the late Jacob Thompson will be formally presented to and accepted by the people of Ashland. The exercises will be held in Little park near the monument, a short distance from the Fountain of Youth.

The school children will meet in the plaza at 2:30 p. m. and, headed by the boys' band, will march to the statue. The G. A. R., W. R. C. and all patriotic and fraternal organizations are invited to join in the procession and participate in the celebration.

Monday has been chosen as the day for the reason that it is the anniversary of the nomination of Lincoln for president. Mr. Thompson, in whose memory the statue is presented, was one of the early pioneers of Jackson county, and Mr. Butler, whose generosity makes possible this beautiful addition to the park, was one of the first white children born in the Rogue River valley. Hon. E. V. Carter, a resident of Ashland for over thirty-two years, will be chairman of the day.

The program, as outlined, will be as follows:
Patriotic selection by the boys' band.
Unveiling of the statue by Isabel Barron.
Address by Irving E. Vintng.
Massed chorus by school children.
Selections from Lincoln's speeches by Cleo Kirk.
Speech of presentation to citizens of Ashland by George A. Briscoe, superintendent of the Ashland public schools, in behalf of G. S. Butler.
Speech of acceptance by V. O. N. Smith, president of the Commercial Club, in behalf of the community.
The assembly, led by the band, will sing "America" in closing.
Everybody is invited to help enjoy the exercises and make the occurrence a real event in the history of Ashland.

You can save 10 per cent on all knit goods, sweaters and caps, during the harvest sale at the Trading Company. 45-2t
