Don't Have Catarrh

One efficient way to remove nasal catarrh is to treat its cause which in most cases is physical weakness. The system needs more oil and easily digested liquid-food, and you should take a spoonful of

Corns Loosen, Lift Right Off

Nothing But "GETS-IT" Will Do This to Corns and Calluses.

If you've ever had corns, you've tried lots of things to get rid of them—salves that eat your toe and leave the corn remaining, cotton rings that make your corns bulge out like pop-

eyes, scissors and knives that make corns bleed and sore, harnesses and bandages that fill up your shoe, press on the corn and make your foot feel like a paving block. What's the use? Why not do what millions are doing, take 2 seconds off and apply "GETS-IT." It dries, you put your stocking on right away, and wear your regular shoes. Your corn loosens from the toe, it lifts right off. It's painless. It's the common-sense way, the simplest, easiest, most effective way in the world. It's the national corn-cure. Never fails.

Nazarene Church. We are glad to report that interest is being manifested more and more in all departments of our work. We are endeavoring to hold up a Saviour that will supply every need of all who will give Him the opportunity. We believe in the Gospel. We have nothing else to offer, and give it without excuse or apology. Jesus made no class distinctions—neither do we. We invite the poor widow with the same cordiality that we do the banker. Both need the same Christ. The Sunday night subject will be "Wait For the Promise." This was the last command of Jesus before He was taken to heaven. He promised His disciples "power" if they tarried in Jerusalem. What is that power? What effect does it have upon those who receive it? These and other perplexing problems will be solved by the Scriptures in this sermon. Most people have a "hobby." So have we. Our hobby is a Christian character that will walk so straight, clean and honest that the neighborhood will know that he has been with Jesus. If you believe in this kind of Gospel, come and help us push the battle.—Dorman D. Edwards.

Christian Church. Rev. W. L. Mellinger will return from Spokane Friday evening and will fill his pulpit both morning and evening next Sunday. Bible school at 10 o'clock. C. E. Society at 6:30 p. m. Preaching at 11:30 a. m. and 7:30 p. m.

Lamkin's Statement.

There isn't a person in Ashland that I have promised an appointment in case I am elected mayor. There isn't any man that controls my acts. I was in California when the election was held to bring the mineral waters into Ashland—therefore I could not have voted against the measure. The Springs Water Commission chose me to get the right of way for the pipelines, which I did without any charge for my services. The commission appointed me

chairman and requested me to make the balance of the committee who appraised the damages caused by putting in the pipes. I am a freeholder in Ashland. There isn't any disposition on my part to deny any statement made by me, nor any act of my life.
