

Free Seeds!

On Friday and Saturday, April 13-14,
Between the Hours of 10 a.m. and 12 m. and
from 1 to 5 p. m.

We will present a 5c package of Garden or Flower Seeds to every man, woman and child who comes to this store and makes a 15c cash purchase or more in one day. This is one of the years that it behooves this community to produce something to eat, and we give these seeds away with that idea in view as much as to attract people to our store at this particular time.

On Thursday--Friday--Saturday

We will have with us a professional lady demonstrator from Chicago who will serve free

Durkee Salad Dressing

with dainty wafers, potato salad, cheese and vegetable salads. Many of our friends will remember the popular Durkee Salad Dressing demonstration we had three years ago.

Remember the Dates and the
Free Seeds!

Free seeds apply to any 15c cash purchase in Dry Goods or Groceries.

In the Social Realm

Eleven O'clock Club.

The Eleven O'clock Club enjoyed a jolly evening of dancing at Memorial hall Monday evening. Music was furnished by Loveland's orchestra.

Mr and Mrs. John McRae have as their guest for an extended visit, their niece, Miss Elsie Alexander, of Winnipeg, Canada.

Calantha.

Mesdames W. G. Prescott and H. S. Stock will be hostesses to the Calantha Club at their club room in the First National Bank building, Friday afternoon.

Every Week Club.

In recognition of the hospitality of the Every Week Club, whose guests they have been upon various occasions, Mr. and Mrs. J. W. McCoy delightfully entertained the members of the club at an evening at bridge,

at their home on Almond street, Thursday night. Clark Bush and Mrs. W. E. Newcombe tied for highest score. An especially dainty two-course luncheon was served to the following members: Messrs. and Mesdames Clark Bush, A. W. Boslough, Will Dodge, Louis Dodge, H. Galey, R. P. Glöve, J. H. McGee, Chester Stevenson, H. G. Enders, Jr., and W. E. Newcombe, and Mrs. Roy Walker. Mr. and Mrs. O. Didra were invited guests.

Auxiliary.

Reports from the committee in charge of arrangements for the May day dance occupied most of the business session at the Monday night meeting of the Auxiliary. During the social hour dainty Easter refreshments were served by the hostesses, Mesdames Cyester, Cyester and L. Schwin, and the Misses Gertrude Biede and Emma Joorfetz.

Embroidery Club.

Mesdames F. H. Harris, E. H. Bush, C. W. Winne and W. L. Maxey were hostesses at a delightful meeting of the Eastern Star Embroidery Club Tuesday afternoon. Refreshments suggestive of Easter were served to the thirty-five members in attendance.

Shoop-Taylor.

Mr. H. F. Shoop and Miss Bertha Taylor were married in this city Monday and left for Grants Pass, where they visited for a short time and then left for Roseburg, where they will reside. Miss Taylor hails from Sams valley. Mr. Shoop has been in the army for a number of years.

Pointer-MacLean.

Rev. P. Hammond, rector of Trinity church, visited the Cove ranch, east of Ashland, last Wednesday, where he performed a marriage ceremony which united Clifford Gordon Pointer and Miss Myrtle R. E. MacLean. The groom is from Alberta, Canada, and the bride is the daughter of Mr. and Mrs. George A. MacLean. They will reside on the Cove ranch.

Entertains.

Mrs. Gordon MacCracken entertained a small company of ladies last Friday afternoon in honor of Mrs. Hanscombe and Mrs. Didra. It took the form of a Minnesota party, as these two ladies and most of those present were from that beautiful state. Those who enjoyed the pleasant time were Mrs. Hanscombe, Mrs. Didra, Mrs. Woods, Mrs. Palmerlee, Mrs. Reader, Mrs. Jack and Mrs. Douglass.

Civic Club.

The patriotic and stirring address of Recruiting Officer Spencer to the Civic Club on Tuesday last was a timely feature of the meeting, making the members forget for the moment matters of local concern and bringing forcibly to their attention the closely approaching actualities of war.

Dr. Maud Hawley urged the need for greater protection for the moral and physical welfare of our boys in the ranks.

A "country store" sale of articles to be donated will take place at the Beebe & Kinney store April 26, 27 and 28, under the management of the club, the proceeds to be for the benefit of the Red Cross Society and for the purchase of seeds and plants to encourage further vacant lot planting. It is desired that our citizens respond generously to the requests of the soliciting members for any and all sorts of donations for this sale.

Mrs. Whitney gave a talk and demonstration on the making of mayonnaise, which was followed by a salad course served by Mesdames Briggs, Rocho and McKibbin.

The next regular meeting of the club will not take place until Tuesday, May 8.

Sacred Concert Pleases.

The sacred concert given at the Presbyterian church Sunday night, under the leadership of Miss Margaret Anderson, was a program of unusual excellence and beauty, and the participants have been receiving many words of praise from Ashland music lovers. The following numbers were presented:

"Christ Our Passover," choir.

"I Waited for the Lord," Mrs. Ashcraft, Miss Anderson and Miss Poley.

"Death is Hallowed in Sleep," choir, with incidental solo by Mr. Graham.

"Christ Triumphant," Miss Flint.

"There is a Green Hill Far Away," Miss Poley and Mr. Keene.

"Angels Rolled the Stone Away," choir, with obligato by Mrs. Ashcraft.

"Our Blest Redeemer," Mrs. Norris, Miss Poley, Mr. McCoy and Mr. Keene.

"Hosanna," Miss Bagley.

"Christ is Risen," choir.

A quartet with violin obligato by Mr. Biede, rendered at the Easter morning service, is also receiving its share of commendations.

Miss Anderson was importuned by many to repeat the Easter music, and intended to do so, but owing to the absence of several participants finds that it will be impossible.

Militia Attend.

The militia boys and Honor Guard girls attended church Sunday night in a body at the Christian church. The church was nicely decorated with bunting, flags and flowers—some of the flowers having been brought from California by a railroad man for the occasion. Mr. Ewer directed the music in his usual pleasing way. After the singing of an anthem by the choir a quartet consisting of Misses Ruth and Bess York and Messrs. Howard Ewer and Aubrey Redifer sang "To Thy Great Name." The evening sermon was preached by the pastor on

the subject, "What Does a Young Man Cost and What is He Worth?" Mr. Mellinger said that some young ladies had told him not to make the young men too dear, as each of them wanted one. However, when the sermon was being preached one did not feel like laughing. The militia boys were invited again to this church next Easter (if they can come), this being a custom formerly established by Mr. Mellinger before the present pastorate.

Women of 18 to 30.

The Girls' National Honor Guard will hold a special session Saturday afternoon, 3 o'clock, at the armory, for young women between the ages of 18 and 30. An especial appeal is made to the women of the city to join with the younger girls in building up a branch of the guard here which will be a credit to the patriotism of Ashland women. Miss Moffitt of the high school has consented to take over the office of manager of the local guard if more of the older girls will enlist.

Among the many delightful Easter dinner parties was the 12 o'clock dinner at the John McRae home on the Boulevard, with Miss Marian Arendt, Miss Clumber, Mrs. E. Arendt and Messrs. and Mesdames Ne's Thompson, Alex Livingston and Horace Mitchell as guests. Mrs. McRae was assisted in serving by her niece and house guest, Miss Elsie Alexander, of Winnipeg.

Entertain For Arends.

Mr. and Mrs. Alex Livingston were dinner hosts to a number of guests at their spacious home on East Main
