INTELLIGENT people have a way of sizing things up for themselves—W-B CUT is all shreds, all tobacco; and ordinary plug is leaf with a lot of heavy, gummy sweetening, holding it together. But everything doesn't go by quantity either; W-B CUT is a rich, sappy chew, because it's rich, sappy tobacco. It doesn't take so much W-B to satisfy. Take a small chew. Then notice how it lasts.

Corns Peel Right Off With "Gets-It"
2 Drops, and the Corn is a "Goner!"
 When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off. There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plaster that half do the work, knives and rasps that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere. See a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Ashland and recommended as the world's best corn remedy by J. J. McNair, McNair Bros.
