Methodist church. The measures which are to be voted on June 4 will be discussed by able speakers, and a general discussion will be had at the close if time permits of the same.

Social Realm

Merley Circle.

The Merley Circle met Wednesday afternoon at the home of Mrs. O. H. Butterfield on Second street.

Mrs. McClure favored the ladies with a couple of solos which were very much appreciated, after which Mrs. Perozzi spoke of the Red Cross work in a most interesting way.

Alumni Gain Forty-nine.

Forty-nine young men and women became members of the alumni of the Ashland high school at the annual meeting of the alumni last Friday evening.

By selling the Red Cross stamps at Christmas time the Red Cross has raised four million dollars to prevent the spreading of tuberculosis.

In the United States there are four hundred and fifty Red Cross chapters.

Table Rock, Eagle Point, Jacksonville and Ashland are auxiliary to the Medford chapter, Medford assuming the larger responsibility.

Wealthy men are giving largely to the Red Cross work in general and the poorer classes are giving the small offering of a postage stamp because they can do no more to help the cause along.

The local Red Cross members meet every Wednesday and Friday afternoons to sew for the San Francisco hospital they are helping to equip, and white linen is asked for, such as worn table linen and napkins.

After Mrs. Perozzi finished her splendid talk some Red Cross members were secured, followed by a piano solo by Alene Bomar.

While the refreshments were being served a comic reading was well rendered by Mrs. Bomar.

Hostesses for the afternoon were Mesdames A. E. Throne and O. H. Butterfield. Ladies present were Mesdames Vine, Keller, Hinthorne, Satterfield, E. K. Hall, Amy Mastiers, Allen Denton, A. R. Wright, Josephine Barrett, J. R. Maxedon, Ed Morton, McClure, A. E. Throne, H. P. Holmes, C. A. Brown, O. H. Butterfield, A. R. Bomar, Phillipott, Mills, Perozzi, Wilson, and Misses Alene Bomar, Alta Farmer, Issy Barron and M. Benedict.

Social Service League.

The regular meeting of the Men's Social Service League will be held Tuesday evening, May 29, in the

Coming, Vining Theatre, Womanhood—The Glory of a Nation, July 6-7.

O. & C. Cruising Is Resumed

Roseburg Review: Local persons familiar with the operations of the government timber cruisers, who left the classification work on the Q. & C. railroad grant uncompleted last fall, were quite surprised this morning when a crew of ten men arrived from Portland to resume the cruising in this county.

The men were under Charles Meade, and shortly after arriving on

train No. 13 were separated into three crews and left by automobile for camps at Millwood, Glide and Little River. They expect to be encamped at the present locations for the next several weeks.

When the men presented themselves at the local land office this morning to be sworn into the service no information was divulged, with the exception that the men were here for the government and to work in the timber. It was learned later, however, that they are under L. L. Sharp, head of the land classification in this state, who is now located at Portland.
