THE GREAT "I AM."

(By H. G. G. Jr., Houston, Texas.)
Said Kaiser Bill to Uncle Sam,
"You might as well know who I am.
You can not pass blockaded seas,
I warn you now, and if you please
To venture forth without consent
I'll blow you up, and if you meant
To disobey my orders clear,
I'll have to notify you here
That when I punish Johnny Bull
And he has signified his full
I'll come and get you, Uncle Sam,
And then I'll show you who I AM."

Said Uncle Sam to Kaiser Bill,
"I think you'd better wait until
You know me better than you think
And don't boast of the boats you'll
sink.

I want to tell you, right here,
That very soon—within a year—
John Bull and very truly yours
Will take some continental tours,
And come and get you—mile by
mile—
Ship you to Saint Helena Isle,
For that's the place YOUR UNCLE
SAM

Thinks fitting for the great I AM."
