The compensation of the postmaster at this office was \$246 for the last fiscal year.

Applicants must have reached their twenty-first birthday on the

date of the examination, with the exception that in a state where women are declared by statute to be of full age for all purposes at eighteen years, women eighteen years of age on the date of the examination will be admitted.

Applicants must reside within the territory supplied by the postoffice for which the examination is announced.

The examination is open to all citizens of the United States who can comply with the requirements.

Two weeks ago he was advised by Attorney General Gregory that in his opinion the time had arrived when probably the district attorney could be of greater service in another capacity, exclusively concerned with war work, but that it would be necessary for him to give up temporarily his official residence in this state. The change is a promotion.

**Spray to Control Peach Leaf Curl**

On account of the early swelling of the fruit buds it will be necessary to spray immediately to control peach leaf curl. In order to effectively control peach leaf curl application should be made before the buds begin to break. Orchardists who have not already applied this spray should do so at once. Use lime-sulphur, one gallon to ten gallons of water. Spray thoroughly so as to cover all the fruit buds and leaf buds.
