Services will begin promptly at 10:30 in the morning, with about one hour and a half for Sunday school teaching and round table talks. Beginning at 1:30, the afternoon service will consist of special exercises by some of the schools and individuals, good singing and a gospel message by Rev. Spriggs of Medford.

Bring your own basket dinner and eat with your family, where it will be refreshing both physically and spiritually. As far as it is possible bring folding chairs, cushions, etc., for the distance has made it hard for the committee to arrange much seating.

Many people who attend church in the morning, can prepare their dinner in advance, and then hasten to the place of meeting afterwards. Anyone having transportation for one or more, would do a great service by calling the president, 571RL or Missionary Griffin, 676X.
