 First-class Service and Equipment. Shoeshining Parlor—Baths. Ashland, Oregon.

**30% Advance**

It is stated that new household furniture is costing 30 per cent more today than it did one year ago. Owing to the decrease in production and the embargo on shipments, the demand for furniture is greater than the supply so that during the past year there has been this advance of 30 per cent in the price of furniture, linen, wearing apparel, jewelry, rugs, carpets, tapestries and other household goods.
