ASHLAND, OREGON, FRIDAY, APRIL 25, 1919

NUMBER 24

Army Air Fleet Will Give Exhibit in Ashland in June

The Tidings received a telegram last evening from Portland stating that this city is to be included in the air fleet itinerary coming from Mather Field, Sacramento, to the Rose Festival in Portland in June. The telegram reads as follows:

"Tidings, Ashland, Oregon.

"Orders have been sent to the commanding officer Mather Field, Sacramento, to make exhibition air flights at Ashland, Eugene, Medford, Roseburg and Salem with machines which government will bring to Portland for flying circus at Victory Rose Festival June 11, 12, 13. Copy of orders to this effect sent by Colonel Davis, executive officer of air service, to commander at Mather Field, received by Milton Klepper, Rose Festival committee today. Exhibition secured for Oregon cities named in addition to Portland result of effort made by Rose Festival Committee and Aero Club of Oregon. Fleet will include J N-4-H planes as well as several DeHavilland planes equipped with liberty motors, used by Americans in battles in France. Trial flights recommended by Col. Davis.

"HENRY E. REED, Director Publicity Victory Rose Festival Association."

The securing of this air fleet to exhibit in Ashland was due largely to the efforts of E. V. Carter, who, while in Portland last week took up the matter with the Rose Festival committee, and later communicated with Col. Thomas W. Hammond in Washington. The latter telegraphed Mr. Carter that he had consulted Col. Davis, executive officer of the air service, and that orders had been sent to the effect that the Southern Oregon cities were to be included in the itinerary of the air flight.

The exact date of the air fleet exhibit is not been made yet, but will be announced definitely later.

Company I Given Guns and Uniforms

Company I of the National Guard has received one hundred rifles to be used for drilling, and enough uniforms to complete the list already on hand that had been provided for the state militia. It is expected that a federal officer will visit this company about the first of May, after which the company will be mustered into the federal army and will be provided with entire uniforms and full equipment.

It has been decided by Company I to drill only one night a week, and next Monday night an evening for this purpose will be decided upon. One night a week will also be used for non-commissioned officers' instruction.

Oregon figures among the states to be first in the reconstruction of the National Guard, which was started Wednesday with the organization of seven regiments and one extra battalion of infantry, one squadron of cavalry and eighteen companies of coast artillery. Of this organization Oregon will have one battalion of infantry and four companies of coast artillery.

The fact that Oregon was among the first states in which the organization of the National Guard units was authorized by the war department, was said by military authorities to be chiefly because the personnel units had been practically enlisted in this state and ready for federal recognition.

Company I of Ashland will be one company of the Oregon infantry and has already completed its organization.

FORD GARAGE WILL CHANGE HANDS SOON

The sale of the Ford Garage is expected to take place next week, when the present owner, Lee Hall, will relinquish the ownership to C. H. Pierce and the Harrison Brothers, proprietors of the Ashland Vulcanizing Works. An inventory of the Ford establishment will be made within a few days, and it is expected the deal will be completed next week. The Ford Garage will be operated in the same location.

ASHLAND HIGH WILL HAVE DEBATING TEAM

The Ashland high school team will send a debating team to Eugene on May 10 to enter the semi-final debate. Should the local team win they will enter the final debate following. The team is being coached by Principal Swan and is composed of Misses Eleanor Allen and Mary Moore.

World Peace Hoped For Within 60 Days

PARIS, April 24.—A clause has been drafted for insertion in the peace treaty fixing the date for the transition to a state of peace 60 days after the signing of the treaty. The purpose of this provision is to prevent confusion among the more than 20 belligerent nations, which might fix different dates in their various ratifications. According to the present plan each nation will ratify the treaty according to its own laws but all will unite in a common date which will become a universal day of peace.

It is being considered whether the United States, as an associated power, but not an ally, should sign a separate treaty of peace with Germany. It would be the same treaty as that signed by the allies and would be signed at the same time as part of the same ceremony.

The German government has officially advised the allied and associated governments that the German plenipotentiaries would not leave Berlin before April 28, and that they would reach Versailles May 1, at the earliest.

Seven newspaper men will accompany the plenipotentiaries, the dispatch added.

The German delegation will be larger than was announced. General Nant, Marshal Foch's representative at Spa, has been officially informed that in addition to the peace delegates there will be a party of 75 persons. Three minor German officials who are now at Spa will leave immediately for Versailles to make arrangements regarding telegraphing and facilities for feeding the delegation.

No final decision has been reached as to according freedom of movements to the Germans, nor regarding possible access by allied newspaper men to the press representatives of the German delegation.

It is being admitted that final decisions on the treaty have not yet been reached on a number of secondary questions. Among these questions are the details relative to the disposition of the German cables, some aspects as to reparations, the agreement of the organization commission to sit after the conclusion of peace to supervise the collection of reparations and the dates when the later installments of the indemnity from Germany shall be paid.

Cutting Affray in Weed Proved Fatal

Joseph Douglas, a youth 19 years of age, is locked up in the Skakiyou county jail to answer for the charge of murder, while Anton Kraus, a discharged soldier, is the victim. The tragedy occurred last Saturday night in Weed where both men were employed. The first to be known of the affair was when Kraus entered the Weed hospital with a three-inch gash in his neck and the jugular vein severed, and asked for a doctor. Four minutes later he was dead.

Earlier in the evening witnesses claim to have seen Kraus trying to get Douglas home, as the latter was drunk. On being arrested on the charge of murder Douglas told the officers that the knife was done purely in self-defense.

DISTRICTS REPORT QUOTAS ARE RAISED

Jacksonville was the first city in the county to complete its Victory loan quota. Saturday morning at 11 o'clock Campaign Manager Ulrich of the county seat telephoned to county headquarters that Jacksonville was already over the top with her full quota of \$17,520.

By Tuesday Talent was added to the Jackson county districts reported "Over the top" in raising the Victory loan quotas. This district claims to have easily reached its quota of \$12,360.

Two Lives Lost in Klamath Falls Fire

A fire originating in the rear of the Rex Cafe Tuesday destroyed the buildings covering half a block in the business section of Klamath Falls and caused a loss estimated at \$50,000. It was rumored that two persons were burned to death upstairs over the cafe but this was not confirmed. Several buildings were destroyed and this loss was placed at \$30,000 while the losses of the occupants were said to be about \$20,000.

Buildings destroyed or badly damaged were the American Hotel, Van's Automobile Service, Davenport's Jewelry store, R. L. Hammon's clothing store and M. Moteschenbacher's second hand store.

Fruit Not Hurt by Frost This Season

County Agent C. C. Cate was in Ashland the fore part of the week and gave out the good tidings that after making a careful survey of the fruit situation throughout the valley he finds that comparatively little damage has resulted from the frosts this spring. Ashland orchardists had felt safe so far as their crops are concerned, unless a late frost would occur, but it was feared that lower down the valley the pears and apples might have been hit hard by frost. This is not the case to any great extent, and unless something unexpected intervenes between now and fruit ripening time the valley will see a record-breaking crop this season.

More new clothing received at Mitchells.

Ashland Has Subscribed \$107,000

Aside from the parade and street jubilation which marked the opening of the Victory Loan campaign last Monday no further demonstration is used to mark the progress of the drive, save the ready attention that awaits all subscribers visiting the local banks for the purpose of purchasing bonds. Nevertheless, Chairman Winter of the local campaign committee reports that at noon today subscriptions to this war loan reach \$107,000. This without any solicitation on the part of the campaign committee speaks well for Ashland's interest in always doing her duty and doing it without any fuss. It is the earnest desire of the campaign committee to clean up Ash-

MINISTERS' SALARY TO BE \$1200 A YEAR

At the spring session of the Southern Oregon Presbytery held in Medford Tuesday and Wednesday of this week the committee of home missions ruled that every minister in the Presbytery was to be assured a salary of \$1200 and a manse as a minimum salary. This is an increase of \$200 over the past figure. The installation of Rev. L. Myron Boozer as pastor of the Medford church took place at the Tuesday evening session.

Track Meet to be Held Here April 30

A track and field meet will be held here Wednesday, April 30, between the Ashland and Medford schools. This meet will include both the grades and high schools, and a team composed of competitors from the various schools in the county may enter if they so desire.

Three classes of boys and girls will compete in this field meet, which will be held at the high school track, and all schools will be closed for this event that day. It is expected that Medford will be here en masse and the pupils of the schools are anticipating a first class athletic exhibition.

On May 3 Ashland will have a track team to compete at the Oregon Agricultural College with the high schools throughout the state and Washington.

Winners of Victory Loan Essay Contest

Ten pupils of the grades from three to twelve inclusive in the schools of Jackson county were winners of the Victory Loan essay contest. Each will receive a silver pin and their essays will compete for more valuable prizes in the state contest. The winner or champion for the state will be given a genuine Prussian officer's helmet being offered by the war department. Among the prize winners were Eleanor Moore, seventh grade, Belleview; Fern Clarke, third grade, Talent; Elsie Bolz, fourth grade, Marie Malmgren, ninth grade, and Marie Morton, eleventh grade, Phoenix.

Italians Will Back Claims With Big Army of Soldiers

DEATH OF FORMER ASHLAND RESIDENT

Miss Lina Dibell died at the home of M. A. Rader at Walla Walla, Wash., April 17th. The body was sent to her old home in Wolcott, Ind., for burial. Miss Dibell made her home with Mr. and Mrs. Dean at 99 Granite street, for several years and had many friends in Ashland.

P. & E. Railroad Has Been Secured

Medford by concerted efforts has raised sufficient funds whereby the Pacific & Eastern railroad will be saved to that section, and will be the means of not only keeping an immense amount of business in Jackson county, but will add materially to the future enterprises of the valley. This railroad was abandoned and as a consequence the saw mills and other business affairs from Medford to Butte Falls were closed down, throwing a large number of men out of employment, and removing the opportunity of other mill projects from starting up in that territory. A campaign to raise funds enough for the purchase of the road was made in Medford and among the Butte Falls lumber interests, and by Wednesday noon the amount was secured.

With the announcement of the success of raising the fund, John Tomlin has given out the statement that he will start at once the erection of a \$20,000 box factory at Crater Lake Junction. Other lumber operations to begin at once will be the Big Pines and the Applegate Lumber company.

ANOTHER TROOP OF BOY SCOUTS FORMED

Troop No. 2 Boy Scouts of America has been formed with Rev. C. F. Koehler as Scoutmaster. The following boys have enrolled as candidates: William Briggs, Earl Barnard, Raymond Bowers, Raymond Carson, Allen Collins, John Churchman, Paul Culbertson, Orville Hall, Geo. High, Roland Harvey, Lewis Herrick, Frederick Johnson, Frank Jones, Dale Leslie, Aldo Parr, James Pinion, Everett Redifer, Forest Smith, John Storm.

Of these the following have already passed the examination required to become a Tenderfoot or Third Class scout and have taken the Scout Oath: John Storm, Raymond Carson, Dale Leslie, Raymond Bowers, William Briggs, Orville Hall. A number of the others have nearly completed the examination.

The new troop meets at present Thursday evenings at the High school building. At the meeting next Thursday, the Troop will be divided into Patrols and Patrol leaders appointed. Saturday a hike is planned in conjunction with Troop 1 under the supervision of Scoutmaster King.

Whited Family Meet Friends on Journey

H. L. Whited and family, who left Ashland some time ago for an extended trip thru California, write back to friends here of pleasant visits they have made to former Ashland acquaintances while on their journey, via automobile. While in Southern California they have visited with Mrs. Adaline Latham Galliard, a former teacher of the Ashland schools, who has a beautiful home at Ventura. At Santa Barbara they saw Dawson Foster, who is connected with "The Bootery," a fine shoe store in that city. At Oxnard they called on Mrs. Vivian Greer Ling and little son. Miss Marjorie Whited is planning on going to Alhambra to visit Miss Constance Caldwell, daughter of Mr. and Mrs. W. W. Caldwell, who live there, and later they expect to visit the family of L. C. Cunningham at Ferris.

Kipped Salmon this week at 29c Ashland Trading Co.

PARIS, Apr. 24.—Captain Pozzi, of Premier Orlando's staff, stated that the Italian military forces would occupy that portion of Dalmatia and other Adriatic territory named in the pact of London with about 100,000 men and a similar force will be sent to the district around Fiume.

After Lloyd George conferred with Premier Orlando today it was announced that Orlando would not go home to Italy until tonight. Orlando issued a statement previously replying to President Wilson, saying that he was compelled to withdraw from the conference after the president's action.

King Victor Emanuel telegraphed Premier Orlando, commending his action and insisting that he not recede from his position. The king stated that if a break became definite, Italy would attempt to make separate peace with Germany.

PARIS, Wednesday, April 23.—The date of the arrival of the German peace delegation at Versailles is still undetermined and the allied representatives apparently are not pressing for haste in view of the uncertainties of the Italian situation. Delay in framing the treaty of peace is a reason for not desiring the speedy arrival of the enemy plenipotentiaries.

It is being admitted that final decisions on the treaty have not yet been reached on a number of secondary questions. Among these questions are the details relative to the disposition of the German cables, some aspects as to reparations, the agreement of the organization commission to sit at the conclusion of peace to supervise the collection of reparations and the dates when the later installments of the indemnity from Germany shall be paid.

Business Man Dies From Blood Poison

Joseph M. Denmore of the Denmore Repair Shop died at his home at 860 Mountain avenue Thursday evening, April 24, 1919, at 7 o'clock after an illness following an attack of blood poisoning and convulsions. The deceased had been sick only one week and the news of his death came as a great shock to his acquaintance and fellow townsmen. Mr. Denmore had been a resident of Ashland for the past 16 years and had been engaged in business the most of that time. At the present he had been conducting a repair shop on East Main street in partnership with his brother, W. H. Denmore, for the past two years.

Funeral services will be held Saturday afternoon from the late home at 2 o'clock, with interment in Mountain View cemetery. Mr. Denmore is survived by his mother, Mrs. Mary B. Denmore, and a brother, W. H. Denmore.

HOME STUDY TOUR TO BE MADE IN COUNTY

A Home Study tour is being planned for Jackson county to take place May 21 and 22. Ten farm homes of the county will be open for study and inspection at that time. The Home Study tour affords a splendid opportunity for men and women to see and study modern farm homes and homes not modern but having certain conveniences or sanitary improvements. The study tour is being planned by the members of the Jackson County Farm Bureau under the leadership of the Home Demonstration agent.

Sidney Hazelton, a sergeant, first class, of the 373 Aero squadron stationed at San Francisco, arrived in Ashland Wednesday evening to make a visit at the home of his sister, Mrs. Clark Bush. Mr. Hazelton received his discharge from the service at the Presidio a few days ago.

When you think of Good Paint, think of the Carson-Fowler Lumber Co. 20-1f
