

ASHLAND CLIMATE WITHOUT THE AID OF MEDICINE WILL CURE NINE CASES OUT OF TEN OF ASTHMA.

# ASHLAND TIDINGS

MALARIA GERMS CANNOT LIVE THREE MONTHS IN THE PURE OZONE AT ASHLAND. OUR PURE WATER HELPS.

VOL. XLIII

ASHLAND, OREGON, TUESDAY, MAY 13, 1919

NUMBER 29

## To Subscribers Ashland Patriotic Fund

It is one year since we made the canvass in behalf of the Patriotic Fund. A great proportion of the amount subscribed was payable in monthly installments. Some subscribers, we are sorry to say, are delinquent and we URGE THESE TO MAKE THEIR PAYMENTS BY MAY 25th. May 31st will close the year. We will publish a full and detailed statement of receipts and disbursements in early July—don't force us to show a delinquency Ashland has made a splendid showing under this war-chest plan. Your committee has used every effort to administer it so as to meet the approval of all subscribers. All expenses to date amount to less than \$50. Please help us make a satisfactory finish by PAYING AT ONCE ANY DELINQUENCY THAT MAY STAND AGAINST YOU.

E. V. Carter, Chairman.  
Mrs. F. S. Engle.  
Mrs. C. B. Lamkin.  
Geo. A. Briscoe.  
Rev. C. A. Edwards.  
F. J. Shinn.  
Executive Committee.

## Noted Speaker To Be Here Saturday

Daniel A. Poling, LL. D., who is to address a great mass meeting in the Ashland Chautauqua building on next Saturday evening, is one of the leading young men in the United States. He is associate president of the United Society of Christian Endeavor, and is a speaker of rare eloquence and power.

Dr. Poling went to France and England in the spring of 1918 as chairman of the United Committee on War Temperance Activities in the Army and Navy, on a confidential mission, and to investigate physical and moral conditions among the overseas forces. He later went to France and engaged in Y. M. C. A. work, where he passed thru the ordeal of the first gas attack on the American troops, and more than once was under fire.

Ashland audiences are fortunate to have an opportunity to hear this eloquent speaker, and all should avail themselves of the privilege of attending the mass meeting Saturday night.

## Construction Work To Start At Once

District Engineer Hodgman of the highway commission has given out the information that arrangements for highway construction in Jackson county are progressing finely and that active construction will begin shortly. The grading on the Central Point-Gold Hill road is expected to be commenced tomorrow, Wednesday. The superintendent and directors of the work are on the scene and will have active charge. The contractors for the work from Gold Hill to the Josephine county line and from Ashland to the California line are also arranging to commence work in those localities soon.

Work is progressing nicely in the Green Springs mountain section, according to information given out by Engineer MacVicar the first of the week. The strip from the summit of Green Springs mountain to Jenny creek will be let at the June meeting of the highway commissioners. The Medford-Eagle Point road is now up to the government engineers.

Mrs. James Barrett returned Sunday from Portland where she spent a week visiting friends and relatives. She accompanied her daughter, Mrs. Ashby and little son as far as Portland on their return trip to their home in Tacoma, after their stay in Ashland.

When you think of Good Paint, think of the Carson-Fowler Lumber Co.

## SALVAGE DEPOT TO CEASE OPERATIONS

The Salvage Depot which has been so successfully operated in the interests of war charities during the past nine months is expected to be closed out within the next two weeks. Anyone having salvage stores and especially old newspapers and magazines are asked to bring them at once, as the workers will ship their papers and magazines within a short time. This department has done remarkably well during its reign. Since the first of August the Salvage Depot has given the local Red Cross department \$1300 which has been secured by the sales made in this depot.

## Works On Music At Public Library

Music people of Ashland have now a rare opportunity of reading and studying books on famous musicians that has not been their privilege in this city heretofore. The public library has obtained a list of books pertaining to music and musicians from the state library, and will be loaned to the public. These books will be kept for three months, after which they will be returned to the state library and more secured. It is hoped by the librarian that the public will make use of these books, as they are among the finest collection of musical works compiled. The list of books and their authors is as follows.

- Success in Music and How it is Won—Finck.
- Some Essentials in the Teaching of Music—Damrosch.
- Music Club Program—Elson.
- Musical Education of the Child—Macpherson.
- How to Teach, How to Study—Sefton.
- How to Memorize Music—Singer.
- Music Life and How to Succeed in It—Tapper.
- Beethoven and His Forerunners—Mason.
- Masters of Music—Chapin.
- Famous Violinists of Today and Yesterday—Lahee.
- Romantic Composers—Mason.
- Chopin—Hadden.
- Grieg and His Music—Finck.
- Handel—Streetfield.
- Haydn—Hadden.
- Theodor Leschetizky—Hullah.
- Franz Liszt and His Music—Hervey.
- My Life—Wagner.
- Life—Wagner.
- Art, Life and Theories—Wagner.
- Richard Wagner—Henderson.
- Famous American Composers—Hughes.
- Book of Operas—Krehbiel.
- Second Book of Operas—Krehbiel.
- Studies in Wagnerian Drama—Krehbiel.
- Evolution of Church Music—Humphreys.
- Story of Organ Music—Williams.
- Mother Goose Songs—Crownshield.
- Piano Playing—Hofmann.
- Ears, Brains and Fingers—Wells.

**WEATHER FORECAST FOR COMING WEEK**  
Forecast for the period May 13 to May 17, 1919, inclusive, Pacific coast states: Fair, normal temperatures.

## Dodge Brothers Car Parade Is Feature

One of the features of the Victory week celebration was the Dodge Brothers motor car parade, held on Wednesday afternoon under the direction of George L. Triechler, of the Triechler Auto company of Medford. Seventy Dodge cars and 300 people participated actively in the parade, and the cars entered included all years since 1915—the year the Dodge Brothers car was first put on the market. Many out of town cars competed, and the parade itself attracted much notice from both local and outside people. Mr. Triechler plans to hold another similar feature during the season, when an effort will be made to have every Dodge Brothers car in Jackson and Josephine counties take part.

Pajamas, gloves, belts, new hosiery. Mitchells.

## European Situation in Regard to Peace Treaty

BERLIN, May 12.—President Ebert said to the Associated Press today that "Germany has seized and unfurled a new banner on which are inscribed President Wilson's 14 points, which the president has apparently deserted."

President Ebert called the treaty a "monstrous document" and declared that history holds no precedent for such determination to annihilate completely a vanquished people."

PARIS, May 12.—Peace conference leaders have renewed their efforts to reach an understanding on the Italian question, in view of the imminence of arrival of the Austrian delegates in France. Consultations have begun between Sonnino and Colonel House. Meanwhile, the German delegates at Versailles are attempting to draw representatives of the associated and allied governments into oral discussions of the treaty note sent by Count von Bruckdorff-Rantzau as propaganda. This note advances a counter project as to the international labor legislation which the French claim is intended to convince the socialists and laboring classes of the allied countries in general that the present German government is working in their favor. The German national assembly meets today.

The Austrian delegation is expected to reach St. Germain-en-Laye on Wednesday.

The Hungarian peace mission is also expected soon to be quartered in the same town, but will not be allowed to communicate with the Austrians.

Allied forces are reported to be preparing for an attack on Petrograd. It is reported that 50,000 men will be engaged and French cruisers

are lying before Helsingfors, presumably ready to participate in the engagement.

PARIS, May 12.—A petition from the Korean people and nation asking for liberation from Japan has been submitted to the peace conference by representatives of Korea. The petition also asks recognition of Korea as an independent state and for nullification of the treaty of August, 1910.

AMSTERDAM, May 12.—The comment of Dutch newspapers on the peace treaty is generally unfavorable. The Handelsblad calling it "a crime against Germany and above all against humanity." The Nieuw Rotterdamse Courant says:

"The treaty does not end the war, it continues it forever."

The Telegraph, on the other hand, has this comment:

"Germany is treated with terrible severity, but really did not deserve a better fate."

COBLENZ, May 12.—The Germans in the American occupied area are mentally stunned by what they consider the severity of the peace terms. The Germans of Coblenz appear to feel the loss of Silesia more than anything else and exhibit more concern over the eastern frontier than the occupation of the Rhineland for the next 5 to 15 years. Thursday the army intelligence summary said:

"Never until today has the enormity of the nation's crimes seemed apparent to the Rhineland population. Prepared tho they may have been for the punishment meted out, the Germans nevertheless plainly portrayed their dismay upon the publication of the peace terms."

## Woman Bootlegger Caught At Glendale

Mrs. Caroline Kanitz is the first woman boot-legger before the local justice court. She is the mother of four children, two girls and two boys of tender age, and resides at Glendale, where she plied her profession for some time, according to Special Officer Frank Hopkins, who made the arrest. Hopkins had considerable difficulty in catching this operator at her game, and succeeded only by clever work.

He entered Glendale, then disappeared, and the officers gave out the information that he had left town. All the time he was hiding with an eagle eye on his prey, who sallied forth with her shopping bag and liquor for a Glendale business man who was a regular customer. Hopkins caught Mrs. Kanitz with her "pint of the fiery liquid" in a shopping bag just as she was nearing her customer. She admitted her guilt and was fined \$200 in the justice court which she promptly paid.

"Life is just a game of chance," said Mrs. Kanitz to Sheriff Quine.

## CHARLES F. CLARY DIED THIS MORNING

Charles F. Clary, a well known resident of Ashland, died at his home on Oak street this morning at 3 o'clock. The deceased had been sick for some time and his demise was not unexpected. Mr. Clary was 49 years of age and is survived by his wife and a number of children. Funeral services will be held tomorrow afternoon from Stock's undertaking parlors, and burial will take place at Mountain View cemetery.

## Letter of Appreciation

The following letter has been sent to the Vining Theatre, Morris Bros. of Portland, Jackson County, City of Ashland, R. R. Foreman, Schools of the City, and the Band:

The Committee appointed to conduct the Victory Loan Campaign for Ashland wishes to express its appreciation to the citizens of the community for their voluntary response

## Ashland To Have Plenty of Base Ball

Ashland will have lots of base ball this year. The young men of the city have already organized a club and now the railroad boys are organizing and the national game will be creditably launched at the round-up grounds this season. It is said the roundup association has tendered the free use of its grounds for base ball games.

Thursday night at the Nat the railroad boys will give a base ball benefit ball. The proceeds will go for uniforms and the like for the new club. The affair will be a strictly high class one. A special invitation is extended to parents as patrons of the benefit ball.

## FERGUSON ELECTED BALL TEAM MANAGER

At the meeting of the base ball fans held last evening at J. M. Alnut's cigar store L. F. Ferguson was elected manager of the Ashland team and it was decided to put the Round-up grounds in order for the games of the season. A committee will be appointed to sell season tickets for \$4.00, and arrangements will be made to provide uniforms for the players.

## MEMORIAL SERVICE

Burnside Post G. A. R. No. 23 and W. R. C. No. 23 will hold memorial service at the Presbyterian church May 25th. We respectfully invite all Civil War Veterans and Spanish War Veterans and World War Veterans to unite with us on that day; also on Memorial Day, May 30th.

G. O. VANNATTA,  
Post Commander.

## PAVING IS MAKING CREDITABLE HEADWAY

Over 3,000 feet of asphalt paving has been completed on the highway from Grants Pass to the Jackson county line by the contractor, S. S. Schell, and his crew of workmen, and the work is progressing in a highly satisfactory manner. Gravel for this work is taken from the Rogue River. Mr. Schell states that he does not expect to finish this stretch of work before September, but is making arrangements to start work on the last contract awarded him, which is for a distance of about twelve miles, extending as far south as Gold Hill.

## Citizen Thought to Foil Bomb Plot

The recent bomb plot that has been sweeping over the country and terrorizing men in almost every state in the union, has had its effect on the nerves of a well known resident of North Main street, and when, a few days ago, he saw a man emerge from a halted car and run into the ravine near the highway, where he furtively hurled a package and beat a hasty retreat, he thought this incident highly suspicious. The North Main street citizen, therefore, visited the spot where the man had thrown the package, and searched for the latter. Sure enough, he unearthed a parcel large enough to blow Ashland into smithereens. Gingerly investigating the package, while visions of securing a Carnegie medal for thus saving the life and property of a whole city, floated thru his brain, the erstwhile hero disclosed the wrappings of a well known California liquid product. Fears of the strong arm ruling in bone dry Oregon had evidently proven stronger than the desires of the appetite, and the owner of the California beverage had doubtlessly decided to hide the clues of his purchase while the hiding was good.

## HOPE TO BEGIN ON WATER PROJECT SOON

The Medford Irrigation district at the May meeting announced the signing of a contract with the Oregon-California Power company, which assures the district a perfect water right on the Big Butte creek. This contract with the power company is the result of exhaustive efforts on the part of the officers of both companies to reach a fair agreement. This use of the Big Butte waters for irrigation would deprive the power company of water needed at the Gold Ray Power plant, while it would increase the prosperity of the valley, which would be of direct benefit to the power company. A final summing up resulted in granting to the power company all rights to manufacture electricity upon the canals of the district, while the waters in turn are to be released to the irrigation district without let or hindrance. It is the hope of the directors of the irrigation project to be able to begin work within ninety days.

## Schumann-Heink To Appear On June 18

Thru the efforts of J. H. Fuller, president of the local Chautauqua association Ashland will have the extreme pleasure of hearing Madame Schumann-Heink, who will appear here on June 18. Mr. Fuller has been negotiating with the managers of this notable singer for some time and has secured the co-operation of a number of representative citizens of Ashland, who will stand sponsor for the expenses of the singer's appearance here. While this feature is not in any way connected with the regular Chautauqua course coming in July any proceeds received above the expenses attached in securing Madame Schumann-Heink will go to the Chautauqua association.

A splendid account of Ashland as one of nature's resorts appears in the Sunday edition of the Portland Journal, giving a description of the various prominent features that make the city famous. The writeup is from the pen of Mrs. John Dill.

## Minstrel Show By Juniors May 22

The Junior class of the high school will give a minstrel show in the gymnasium of the Senior high school building on Thursday evening, May 22. The event will begin at 8:00 o'clock, and will be one of the greatest black-face comedy performances ever staged before an Ashland audience.

A chorus of thirty people will render some of the snappy and "jazzy" new songs. There will be some clever dances and solo parts, and the best "burnt cork" jokes and gags, as well as original cake walk and other attractions.

Among the feature attractions will be: Clyde Guntz, Burton Winne, end men; Harry Silver, interlocutor; C. Cooley, special act; E. Buchanan, monologue; Maxine Pracht, special act; Claire Tucker, Lucile Herrick, society dance; Violet Wood, Thelma Herrick, duet.

A jazz band composed of Irving Porter, George Stannard, C. Cooley and L. Crowson will furnish music, while a cake walk of seven couples, with a prize for the best couple will be a notable feature.

A special jitney will leave Rose Bros. at 7:45 on the evening of the minstrel show to accommodate those who wish to ride.

## Walker Thought Huns Had Him

Le O. "Deacon" Walker returned from his army campaign with the Hun last week and after joining his wife in this city has gone to their home in Gold Hill. This soldier saw much service while serving in the infantry. At one time, according to statements made by the Gold Hill News, he was lifted by a 75 and landed in a tree, and was later gassed. When he recovered consciousness he found he was being borne on a stretcher by four Germans, and made up his mind that he was going to escape being captured by the enemy. Hoaching for his automatic he found it was missing. He then drew his trench knife and was about to launch on the foremost of the stretcher bearers when an American voice behind him apprised him that the Hun ambulance attendants were German prisoners, and that he was being cared for by his own people. Mr. Walker was detained in the hospitals for a long period suffering from his injuries and shell shock.

## Guest To Talk On Roosevelt Highway

The presence of S. C. Pier, president of the Roosevelt Highway association will be honored with a luncheon at the Hotel Austin tomorrow, Wednesday, at noon given by the members of the Commercial Club and business men of Ashland. Mr. Pier is a prominent Portland business man and a consistent Oregon booster. He is making a tour of the state in the interests of this proposed highway, and is being the guest of the Commercial Clubs in Grants Pass, Medford and Ashland where he will interest the people in this vicinity in the benefits to be derived in this important stretch of highway. Any one is invited to attend this luncheon tomorrow noon and listen to the address Mr. Pier will deliver.

## EGGS STILL COME AT LOCAL MARKET

Eggs still continue to pour into the Ashland Egg Society market on Oak street and are meeting with an excellent demand. At the present time a steady stride has apparently been struck, and the number disposed of each week averages generally about 800 dozen. For a time these were sold to wholesalers for cold storage, but lately the local markets in Northern California have taken all the eggs at the disposal of the society. By adhering to the rule of marketing the eggs every week, they are therefore strictly fresh, and the expense of candling is eliminated.
