His guests were Mr. and Mrs. G. N. Kramer and son Foss, and Mr. and Mrs. W. N. Wright and little daughter Dorothy. The masculine element of the party were hard to convince that Mr. Miller had no feminine help in concocting the repast, but his vivacity had never been questioned heretofore, and they were compelled to render to him the laurel wreath as champion host.

#### IMPORTANT BILLS PASSED IN STATE

PORTLAND, June 5. — Returns from outside counties, chiefly Douglas, Washington, Marion, Linn and Lane, were found today to have overcome the lead given some reconstruction measures by Multnomah and other counties of Oregon, and three measures were known to have been defeated in Tuesday's election. These were the five million dollar reconstruction bill, the reconstruction bond amendment and the lieutenant-governor amendment.

One amendment, that providing for an industrial and reconstruction hospital, was in doubt. The measures which were successful in the election were the six per cent indebtedness bill, the Roosevelt highway bill, the irrigation and drainage district interest guarantee, market roads tax and soldiers' educational aid bills.

#### PORTLAND READY FOR VICTORY ROSE FESTIVAL

PORTLAND, Ore., June 6.—On the eve of the Victory Rose Festival, June 11, 12 and 13, every indication points to the most successful of all festivals.

A Squadron of seven, possibly eight, aeroplane, six JN4H, one de Havilland and one huge Martin bomber, will fly from Mather Field, Sacramento, under the command of Lieutenant Colonel Watson. It is possible that General Monohor, commanding officer of the field, will take the flight in the Martin bomber which is being tuned up in anticipation of the flight. These planes will arrive in Portland late June 10th. They will remain here to take part in the huge aerial circus and at times will carry civilian passengers on flights over the city.

Rear Admiral Fullam aboard his flagship, the Minneapolis, will bring a fleet of warships from southern waters. Two seaplanes will be brought by the Minneapolis, the first to be seen in action in the Northwest.

The Victory Industrial parade will be held June 11th under the joint auspices of the festival and the 16th annual convention of the Pacific Coast Advertising Men's Association. The monster military parade will follow June 12th in which the principal military units and organizations and their auxiliaries will play leading parts. The huge floral parade, the feature of every festival, will be a glorious climax for the Festival June 13th.

In addition to the fleets of warships and aeroplanes, the parade and many other features, a street carnival of several blocks in the heart of the city will be another magnet. Under the direction of the Progressive Business Men's Club, the housing situation will be handled in a manner that will provide accommodations for everyone and eliminate all possible overcharges.

Portland's gates are to be thrown open and a royal reception for the men home from military service will be the keynote of the 1919 Victory Rose Festival.

#### BODY OF DROWNED BOY NOT RECOVERED

The body of Carl Whillock, the 13-year-old son of the proprietor of the Golden Rule store in Medford, who was drowned in the Rogue river on Memorial day, has not yet been discovered, although blasting powder has been used to raise the body, but to no avail. A straw dummy was recently shoved into the water at the point where the lad fell in, it is stated, and it too, was sucked under and could not be found.

This tragedy occurred while the young boy was with a picnic party at Gold Ray on Memorial day. He was last seen on the edge of the river, and it is presumed that he reached over into the water when he lost his balance and fell in. This was above one of the most dangerous whirlpools on the river and the body was immediately sucked under.

Sorghum industry promises to become a permanent fixture for Umatilla county.

#### CONCESSION SALES ARE BEING OPENED

John Kunz of Sacramento, the "Kewpie king," who made such a hit with the people in this section last summer with the host of attractions scattered throughout the park and which drew so many people young and old all thru the celebration, was in town this week and made arrangements with the executive committee to have charge of all the amusement concessions during the coming big celebration July 3, 4 and 5. This will assure plenty of attractions and will cover all the leading features along this line.

While Mr. Kunz will look after the amusement concessions alone, the concessions for the eats and drinks are expected to be taken care of by local people. Any one wishing to establish a stand for the sale of food, drinks and fruits can do so at the regular rates. E. T. Staples has opened an office in the Hotel Austin to take care of the letting of these concessions, and any one wishing a stand should apply to him for terms at once.

Dancing will be looked after by J. M. Alnutt, the local cigar maker, who has bought the concessions for this popular sport and will see that the public is well provided with opportunities for indulging in dancing every evening during the celebration. Popular jazzy music will help make this feature one of the leading events all during the coming big time.

Community spirit is a great builder. The support which Oregon's industries get at home strengthens them in their fight for business abroad. And the home people benefit, in turn, by the growth of these industries bringing money from distant markets to be distributed in our own state in GREATER PAYROLLS.

#### F. W. HERRIN DISPOSES OF CORRIDALED WOOL

The Pendleton Woolen Mills thru the president of the company, C. P. Bishop of Salem, secured the lot of Corriedale wool grown by one of Jackson county's sheep men, F. W. Herrin, at 70c per pound, f. o. b. cars at Ashland.

Mr. Bishop had an opportunity to investigate this Corriedale wool at the S. F. Exposition in 1915 and became much interested in it. The war coming on prevented getting any of it to the present time. This special lot will be sent to Mr. Bishop's mill at Pendleton and will probably be manufactured into those beautiful fancy blankets of Indian design, for which this mill is so well known.

#### 10 LANDING PLACES FOR PLANES CHOSEN

Ten of the 12 landing places to be used by the six Curtis H airplanes and one Liberty motor equipped De Havilland plane in their flight from Mather field, Sacramento, to Portland for the Victory Rose festival, were chosen last week by First Lieutenants Seth T. French, of Albany, and L. R. Mullineaux, of Portland, representing the Portland Aero club, according to reports from Portland.

Under the immediate guidance of Colonel Lewis P. Campbell and John F. Riseley, who distributed rose festival literature from an accompanying machine, the party came up the Pacific highway and was met by civic committees from Ashland, Medford, Grants Pass, Glendale, Roseburg, Cottage Grove, Eugene, Corvallis, Albany and Salem. Similar trips to Oregon City and Woodburn will be made soon.

The airplanes will fly under the command of Lieutenant Colonel Henry L. Watson and it is believed the trip would have been highly dangerous, owing to the mountainous nature of the route, had not the landing sites been selected. In each instance, the civic committees were making plans to maintain the sites as municipal projects to encourage air flights and the possible establishment of a mail service between the two states.

#### LOCAL TRACK MAN NOT ABLE TO RUN

Loeth Abbott, formerly of the Ashland Tidings, now a sophomore in the University of Oregon, a prominent track man and recently elected editor of the Oregon Emerald for next year, was not able to run in the Pacific Coast Conference Track Meet held at Seattle. Abbott has been having trouble with his heart and his doctor advised him not to run any more this year.

Abbott won first place in the half-mile race in 1:58 3-5 at the Northwest Conference Meet held at Pullman, Saturday, May 24. The members of the track squad praised him highly on his work at that meet. His mark, made at Pullman, is the best made on the Pacific Coast this year.
