#### SOME STAGE TALK

Now listen—when you pay \$6.00 of your good cash for an auto fare from Ashland to Klamath Falls you are entitled to some consideration as to when and how you are to get there. Before buying your ticket just inquire of almost any one as to who has the reputation of getting there. I am operating three 7-passenger cars and after four years of operation I have not had a single delay but such as changing a tire, etc. My cars are kept in A1 running order and my drivers are experienced in their line. Better play safe and take the Howard Stage line—the safe one to travel on. Office at Hotel Austin I have no affiliation with any other line. Respectfully,  
 CHAS. B. HOWARD.
