My kidneys seem to be my weakest spot and every little cold or strain affects them and my back becomes weak and lame. After I have taken a couple of boxes of Doan's Kidney Pills, my kidneys become normal and in every way I feel as well and strong as ever." Price 60c. at all dealers. **WEATHER FORECAST FOR COMING WEEK**  
 Forecast for the period June 23 to June 28, 1919, inclusive. Pacific coast states: Fair with nearly normal temperatures.

**AIRPLANE EXHIBIT IS STILL PENDING**

The celebration committee is very much "up in the air" in regard to securing an air circus for one of the attractions during the coming three day celebration, July 3-4-5. When the planes visited this section the fore part of the month Manager Staples interviewed Lieut. Col. Watson in regard to having one or more airplanes for the Fourth of July celebration, and at the time the planes went to Portland it looked quite favorable that Ashland could have an exhibit as one of the attractions here at that time. Col. Watson thought it quite probable that the two planes

left in the north would make their return trip about July 4, and could be secured to stop here for three days. Circumstances, however, have changed the outlook for this exhibit. The border trouble with Mexico coming on at this time is putting a stop to all army planes going out on exhibitions, as they have to be in readiness at the fields in case they should be called to Mexico. However, the committee is still negotiating with authorities, and if such a thing as getting one or more airplanes for the Fourth of July celebration is feasible, these planes will be forthcoming, as no stones will be left unturned to secure this attraction if it can possibly be arranged.

**Round-up Water Events; Natatorium**

All kinds of races and water sports, high diving, water polo, etc., will be held at the Natatorium Thursday evening from 7 o'clock until 8:30 p. m. Many of the local swimmers have signed up already for different events and there will be plenty of keen competition to make all the races and contests extremely interesting for the spectators. To make all of the events more worth while for the swimmers many of the local merchants have offered prizes such as bathing suits, shoes, white trousers, hats, and many other useful prizes of clothing. Also base ball mitts, fishing rods, fishing tackle, boxes of candy, cigars, bicycle tires, saddles, etc. There will also be many prizes for the ladies and girls contests. A complete list of prizes will be given in a later publication with the merchants' names who donated them. The events will be as follows:

**COMMUNITY PICNIC TO OPEN CHAUTAUQUA**

Ashland's opening day of the twenty-eighth annual Chautauqua Assembly promises to be a gala event of unusual interest, and is arranged to draw all organizations and societies in this section of the state and Northern California on that date. The day will open with a big picnic in the park, at which all Sunday schools, societies and organizations from the various cities within reach are expected to participate. An address will be given by a prominent speaker in the park during the forenoon, but the general order will be a gathering of the people to hold a picnic out of doors.

In the afternoon a Musical Fun program by the McDonough-Eagleston company and an address by Dr. Joseph Clare of Petrograd and London will be the opening feature of the Chautauqua program. This will be given so that visitors may have a taste of the good things in store during the sessions to come. The evening session will be one of the greatest drawing cards of the entire Chautauqua program, when the renowned Rev. Billy Sunday will give an address. Previous to the lecture Walter Jenkins, the noted song leader of Portland, will conduct a great song service. Arrangements will be made to entertain the whole Rogue River valley and Northern California on this date.

**BIGGEST JAZZ PLATFORM IN OREGON**

The jazz dance this year will be a hummer. The platform is twice as large as years before. Mr. Alnutt has imported one of the best jazz bands to be found on the coast and visitors may feel assured of plenty of room and lots of pep. The platform is well located on the street that goes up to the big park, right in the heart of town. About three hundred couples can be accommodated on the platform at one time. The dance will be clean and wholesome one that everybody can attend and have a good time.

Genuine Swedish cream separator, that will skim clean and last, at Pall's.  
 \$10,000.00 in grand prizes at the Round-up. Let the best man win.

**BASE BALL GAMES FOR CELEBRATION**

Base ball is going to be a feature of the great celebration, and the local teams are arranging a series of games to be played here four days, July 3, 4, 5 and extending over the sixth. Klamath Falls will be here on the third to play with the home team, and Grants Pass will put on games the fifth and sixth. The railroad shopmen are arranging for a game to be played in the evening of the Fourth between events with some strong team.

There are two tastes in tea: the tea-taste and the tannin-taste. When you make your tea, the tea-taste develops first; the tannin after it.

Common tea, made from the older leaves of the tea-plant, has a low-grade of tea-taste, and even that is quickly smothered by the tannin.

Fine tea, made from young tender leaves, has an abundance of rich real tea-taste, which develops in the cup, before the tannin gets started. Very little tannin in fine tea.

Schilling Tea is the fine practical economical tea of this country.

There are four flavors of Schilling Tea--Japan, Ceylon, India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere.
