### For Colds, Catarrh or Influenza.

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and herbs, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablets or liquid form. It will build up your body, cure your cold, and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alterative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root, — all skillfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making, and are best for scrofula. By improving the blood they aid in throwing off an attack of influenza.

Catarrh should be treated, first, as a blood disease, with this alterative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy.

Send 10c for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce, Invalid Hotel, Buffalo, N. Y.

### KIDNEYS WEAKENING?

### LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1894 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

### THE INDIANS ARE COMING TO ROUNDUP

In all probability Ashland will have during this celebration for the first time, many real honest to goodness Indians direct from the Klamath reservation in their own natural paint and feathers to do a real war dance. The committee also hopes to have a real Indian band of at least a dozen pieces. This band comes highly recommended and chances are bright for them appearing on the program for concerts during the celebration.

### TALENT NEWS

The dry weather around Talent is making some short crops. This does not seem to affect Mr. Steppy's garden, however.

Jay Withrow returned from California a few days ago. Every one is pleased to see the boys all getting back home again.

There is a lot of booming noise up on the new ditch these days. The contractors are making fine headway, and dry weather will soon be a thing of the past in the Rogue River valley, it is hoped.

All kinds of work is going on around Talent. With a bumper fruit crop, the ditch work and two saw mills running, makes it quite lively around our little burg.

It is understood there is going to be a sawmill built at Frederick, with a logging road put in back to the timber to handle the logs for the mill.

Real estate is picking up in and near Talent these days. Three deals were made last week. L. M. Rhoades and wife sold their Talent residence to Mrs. Edith D. Cochran for \$1000. William Yeo sold his residence to Mr. Hamlin for \$1800, and Mr. Hamlin sold his 40 acre tract lying between Talent and Ashland to Mr. Yeo, consideration \$1900. All three deals were handled by J. C. Mason, the Talent realty dealer.

R. J. Luke of Frederick is harvesting his cherries at the present time and recently he invited the Tidings correspondent to come in and sample them. The invitation was promptly accepted and during the visit several cars of tourists from the north as far as Seattle called and bought cherries to take on their way. Mr. Luke has a good crop of cherries this season.

### Douglas Fairbanks Is A Possibility

There is a possibility that Douglas Fairbanks, the world-famous movie comedian, will visit Ashland during the celebration and lend the presence of his wonderful personality and the sunshine of his smile to the success of this great event. During the past week the Roundup and celebration committees have been corresponding with this favorite actor in the interests of Ashland's show, and have asked him to come here and judge the riding and races at the Roundup.

E. T. Staples, secretary and manager of the celebration and Roundup committees, has been in correspond-

ence with Mr. Fairbanks, and has received a very courteous letter from his personal representative in reply to the invitation extended him. Douglas wants to come to Ashland, that is an assured thing, so much so that he will try and arrange to later if he cannot get here to the big celebration.

Following is the letter Mr. Staples received in regard to Mr. Fairbanks' acceptance of the invitation.

Hollywood, California,  
June 20th, 1919.

Mr. E. T. Staples,  
Secretary and Manager, Round-up Committee,  
Ashland, Oregon.

Dear Mr. Staples:  
I want to thank you very much on Mr. Fairbanks' behalf for your very kind invitation for him to be in Ashland for your Fourth Annual Round-up, July 3d to 5th.

Mr. Fairbanks wants me to let you know how he appreciated your invitation and how much he would like to be present with you at that time.

If he finds it possible later on to make arrangements to be with you he will, of course, be extremely glad to come up.

Assuring you again that Mr. Fairbanks is very much gratified to have been asked by your committee to be in Ashland and thanking you for the invitation, I am,

Very truly yours,  
J. THEODORE REED,  
Personal Representative.

### GIRLS' CONFERENCE TO BE ESTABLISHED

This year the girls of the Rogue River valley will be given an opportunity to combine pleasure with instruction in Ashland next month, in the movement on hand to organize a summer camp for an interdenominational Christian conference, and will be held in the park commencing Monday, July 14, and continuing until the following Monday.

The camp is copied after the Northfield, Mass., camp, so well known and popular thruout the east, and is the scheme of several representative women of Ashland under the personal direction of Miss Helen Carlton of Elizabeth, N. J., who have the welfare of the girls at heart. They are anxious to establish an organization here to meet from year to year for a week and take advantage of the delightful camping ground in the park, while taking an instructive course in Bible study, home and foreign missions and Sunday school work as the student sees fit. Each denomination will be represented by some able woman to teach and talk to the girls, and this work will be taken up in the forenoon. The afternoons will be devoted to pleasure and the evenings will have interesting and instructive lectures given to them. The last three days will be the opening days of Chatauqua, at which some of the best features will be presented.

This conference is hoped to be the beginning of a movement that will be a permanent one. The best location in the park will be given the girls for their tents, and arrangements will be made whereby their

meals may be secured at a reasonable figure, while they will have the careful supervision of older persons whose good judgment will not conflict with a certain amount of freedom and pleasure for the campers.

While the movement this year may be small, such camps nearly always start with modest conditions and lead gradually to greater ones. The instigators of the project hope that each year will see a growth in the girls' Christian conference that will lead to permanent Bible school and summer camp for girls in Ashland park.

### STATE COLLEGE REGENTS WILL VISIT STATIONS

Oregon Agricultural College, Corvallis, June 24.—Headed by Governor Olcott and accompanied by Pres. W. J. Kerr of the state agricultural college the board of regents plan to visit the branch experiment stations and inspect the work sometime in July.

The tour of inspection will begin at Hood River about the 7th, and continue until it has swung clear around the big circle, excepting only the coast counties which may be visited later.

Stops will be made at points between stations to look over the farm bureau, county agent and home demonstration agent work, as follows:

Hood River, Sherman, Umatilla, Union, Baker, Malheur, Harney, Lake, Klamath, Jackson, Josephine, Douglas, and Lane.

### ROOMS WANTED FOR CELEBRATION GUESTS

Indications are strong for an unusual crowd at the celebration. Rates will be \$1.00 for single roomer and from \$1.50 to \$2.00 for two people. The committee is uneasy at slowness of people to list rooms. It is necessary to prepare all beds possible so as to take proper care of the visitors.

### Chatauqua Opens Visions of Rest

Stepping from the sidewalks and pavement in the center of the gem city of Ashland to a park—unique, beautiful and restful, is the privilege of the traveler and sojourner. Nowhere else in the world can such a combination be found as right here—natural mineral waters, rippling mountain streams, stately trees make a setting exquisite and wonderful.

In addition to all this natural attractiveness the person desiring to see and hear more of famous speakers, great singers and musical artists may during the annual Chatauqua season pitch their tent by the side of the mountain stream in the shady grove, in the city, and yet away from it, where more pure enjoyment can be found than any other place.

The tired mother may take her little ones to the playgrounds where a competent lady will take charge of them and instruct them in their play. Tennis courts and croquet grounds are available for those seeking healthful recreation, while the most beautiful scenic drives offer attractions to automobilists.

If you desire to brush up in your knowledge of good literature, you have the opportunity, every day during the season to meet with one of the leading educators—the inspiration of studying the Scriptures is also your privilege. In the early evening discussions of questions of the day at the Round Table are in vogue, and this season a great song leader will thrill the folk with splendid chorus singing.

A Girls' Camp and Conference is to be another one of the innovations for the season and will start a little before the regular assembly and be conducted by a refined and cultured lady from New Jersey. From such starting points great regular conferences have been established and grown into permanent institutions. There is no other place better adapted for the establishment of a big SUMMER SCHOOL than at Ashland, Oregon.

In order to allow every one in Southern Oregon and Northern California an opportunity to hear the best talent the country affords, while enjoying an outing in one of Nature's most beautiful resting places, camping arrangements will be made in the park, almost next door to the great Chatauqua auditorium. We can and will have the best there is. Come, bring your tent and tarry with us.

### WILD HORSE RACE A FITTING CLIMAX

The climax of the big show and the event the grand stand waits for—every wild horse on the ground is entered in this race, is led on the track and saddled. Thirty or more at the same time. After every one is saddled and mounted the pop of the pistol sends them off all directions. And here is where the unexpected always happens. Purse \$150.
