ASHLAND TIDINGS

VOL. XLIII

ASHLAND, OREGON, TUESDAY, JULY 1, 1919

NUMBER 43

Official Three Day Program - July 3-4-5

Entire Country Went Dry Last Night At Twelve O'clock

On the stroke of midnight the prohibition law went into effect, and the United States went dry and will remain so unless President Wilson lifts the ban when his power to do so has been made clear by the completion of demobilization.

WASHINGTON, June 30.—War time prohibition, effective at midnight, will be strictly enforced by the department of justice, insofar as existing machinery can function to that end.

It was said at the department today that open violation of the law, threatened in New York and other cities would be promptly dealt with by federal agents. Whether the department's present force will be able to break up secret traffic remains to be seen.

Beer containing 2 1/2 per cent of alcohol is regarded by justice officials as intoxicating and persons who undertake its sale will be arrested, it was said.

Information has reached the department that many persons living in dry territory have stored quantities of liquor in "wet" cities with a view to transporting it after today, but enforcement of the Reed amendment will in no wise be relaxed.

OO. CAPTAIN CALLS FOR ENLISTMENTS

Major C. A. Malone, former captain of the old first company, is in Ashland, and is extremely anxious to have every member of that organization meet at the armory this (Tuesday) evening for the purpose of organizing a local Post of the American Legion. Every other veteran included in the army, navy and marines from Ashland are also urged to join.

S. P. Employee Fatally Injured

J. J. Hobart, an employe at the Southern Pacific roundhouse, met a shocking death yesterday afternoon at about 4:30 o'clock, when he was crushed by an engine, and injured so badly that death resulted a few minutes after the accident occurred. Mr. Hobart was employed in firing the engines in the roundhouse previous to their going out. At this time he had stepped out from a moving engine, but before he had time to get off the step the engine reached the door, which is only wide enough to allow it to pass thru. He was caught between the door casing and the tender of the engine, and was terribly crushed.

The injured man was removed from his precarious position and hurried to the Sanitarium, but death resulted just as he arrived there. Mr. Hobart had been a resident of Ashland for about a year when his wife, Rev. Elva Hobart, was called to the pastorate of the Free Methodist church. For a short time he served as extra man on the police force, and had been employed in the round house for the past three months. The body will be shipped to Moscow, Idaho, tomorrow for burial. Surviving Mr. Hobart are his wife, Rev. Elva Hobart, and one daughter.

FIRE STARTED IN FILE OF OILY WASTE

Spontaneous combustion in a pile of oily waste was noticed in time to prevent a fire Wednesday morning at S. S. Stiles' automobile agency. The waste was on a low shelf in the auto accessories room, and Percy Grimes, who was running the engine of a car in the adjoining room and stirring up quite a smoke, did not notice the additional smoke which came from the burning waste. Stanley Butler across the street first saw it, and on investigation the cause was found. The waste was carried to the street where it burst into flames. Luckily the shelving was not even scorched. Had the fire started at night another tale might have been told.—Yreka News.

NOTICE TO ADVERTISERS

The next edition of the Tidings will be printed and issued Thursday of this week instead of Friday, July 4. All advertisements and persons wanting any space in the paper should get their copy in by Wednesday night at the latest.

All Can Dance At Celebration

Alnutt's dance pavillion will be ready to accommodate Terpsichorean devotees by the third of July, and will be a popular place during the three days of the celebration. A splendid jazz band from Portland will furnish music, and the location near the park will make this place one of the liveliest points during the celebration.

The ever popular dance floor in connection with the swimming tanks in the Ashland Natatorium will draw crowds to that section every night during the three days' celebration. Launspach's six-piece orchestra will be the music feature there.

A Victory dance, under the auspices of Company B, O. N. G., will be held each night of the celebration at the armory. Music will be furnished by Pederson's 6-piece Marimbaphone band, and dancing is announced to keep up from 7 p. m. until breakfast.

CONCESSIONS WILL BE READY FOR BIG EVENT

Carpenters have begun work on the concessions to be established in convenient sections of the city in order to feed and entertain the crowds to be here the three days of the celebration. About ten or twelve seats concessions have been sold to citizens who will provide an abundant supply of good things for all who are here. The warm weather starting out the first of the week is putting much more pep and enthusiasm into the hearts of the celebration management, as indications now point to genuine Fourth of July celebration weather to rule on the days of the great event.

Will Not Attempt To Enforce Dry Law

The department of justice will make no attempt to enforce the wartime prohibition act once the peace treaty has been signed and President Wilson has proclaimed demobilization complete, according to information Theodore Bell, attorney for the California grape growers, announced he had received from Washington. Bell said he had positive information that President Wilson would declare mobilization at an end after the treaty was signed. The announcement caused a sensation in San Francisco. It is believed by local liquor dealers that they may be closed for a few days but will soon be open again and continue in business until the first of the year.

Billy Sunday Coming To Ashland July 18

Billy Sunday comes to the Rogue River Valley for the first time. Altho Mr. Sunday has made his home in Oregon for the summer season for a number of years and is one of enthusiastic farmers and fruit growers of the Hood River region it remains for Ashland to present him to Southern Oregon for the first time at the annual Chautauqua for 1919. Everybody wants to see and hear him.

Celebration Headquarters in Hotel Austin Bldg. Rooms obtained there jitneys will be continuously in operation so that the Hotels of Medford will afford splendid accommodations for those who will like a few minutes' ride.

Ashland Man Heads Commercial Club Has State Lime Board Crater Lake Booklets

At a meeting of the state lime board held at Corvallis Thursday Benton Bowers of this city was elected chairman, and Dr. A. B. Cordley of the agricultural college secretary. Dean Cordley reported that 2482 tons of agricultural lime had been shipped since the plant was opened in September. Farmers have reported beneficial results thru use of the lime.
The Department of the Interior has issued a booklet containing general information regarding Crater Lake National Park and the approaches to this famous resort, which are accessible to tourists. This is one of the finest descriptive pamphlets regarding scenic points in the coast country ever issued to the public, and copies may be secured at the Ashland Commercial club rooms.
Henry M. Marsh has become the new manager for the Interurban Truck company running out from Medford. Mr. Marsh has recently returned from Ellington Field, Texas, where he served the government in the air service.

WEATHER FORECAST FOR COMING WEEK

Forecast for the period June 30 to July 5, 1919, inclusive. Pacific coast states. Fair, except occasional rains along north coast early in the week. Nearly normal temperatures.

Ashland Wins Game; Opens Celebration Series Thursday

TICKETS ON SALE FOR CHAUTAUQUA

Season tickets for Chautauqua are on sale at the Camps building near entrance to the Chautauqua grounds. Price of season tickets will be \$3.00 for adults; \$1.50 for children. This includes war tax. Single admissions will be 55c for all evenings; mornings and afternoons, 35c, except the Bryan afternoon lecture which will be 55c.

Editors Will Dine In Lithia Park

That Ashland will have an opportunity to entertain the National Editorial Association's party at dinner in Lithia park is assured. The following letter was received by the Commercial Club:

Oregon City, Oregon. June 25, 1919.

Mr. Lynn Mowat, Secy., Commercial Club, Ashland, Ore. My Dear Sir:

I have your wire of June 23, as follows: "Referring your wire this date to Greer Ashland delighted to serve dinner Lithia Park for editors as scheduled, letter follows."

I congratulate you at the happy termination of this matter. Under the revised itinerary, we will leave Crater Lake about 10 a. m. August 12, and will ask the hotel people to furnish a box lunch to be eaten on the road, arriving in Ashland whenever the automobiles get us there, and having dinner in your beautiful park as your guests, eliminating the charge dinner at Medford.

I am sending copy of this letter to Mr. Will G. Steel, secretary Medford Commercial Club; Mr. W. J. Hofmann, chairman of the Oregon committee; Mr. John M. Scott, general passenger agent S. P. Co., to prevent any misunderstanding. I am asking Mr. Hofmann to arrange with Mr. Parkhurst the matter of the box lunch in lieu of the lunch at the lodge.

The National Editorial Association party will leave Portland special train Sunday, August 10, arriving at Medford Monday, August 11, 6:30 a. m., and will have breakfast at once courtesy of Medford, leaving Medford for Lake at 7:30 or as fast as any members of the party finish breakfast. Box luncheon en route to Lake, dinner, sleep and breakfast at the Lake.

Kindest regards of Brother Greer, who usually gets what he wants from me, when it is possible. Cordially yours, E. E. BRODIE.

A general idea of the scope of the tour of the editors and of the potential value of the publicity which they will give the places that they visit may be had from the following item from the Portland Oregonian: Will Wilkie, chairman of the transportation committee of the National Editorial association, has completed the details for the 8000-mile trip of more than 300 persons who will come to Portland the second week of August. Editor Wilkie, when not engaged in the association of American editors, presides over the public welfare as chief of the Gazette, published at Gray Eagle, Minn. He arrived in Portland on Tuesday morning and spent the day with E. E. Brodie of the Oregon City Enterprise.

"The Pacific Northwest will derive more than 15,000,000 lines of front-page publicity from the visit of the editors," said Mr. Wilkie. "Meeting at Chicago, July 26." Mr. Wilkie continued, "the party will proceed to Winnipeg and will travel to Edmonton, thence to Vancouver and arrive at Portland August 8. Two days will be spent here, leaving August 10 for Medford and spending the night of August 11 at Crater Lake. Leaving Victoria, B. C., August 19, for the return, the trip thru the Rockies will be made entirely in daylight."

"Did they kiss the pill?"

There are several boards knocked off the Yreka ball park fence and about three balls that they never did find. The fence busting aggregation that the ball-firm of Alnutt and Enders have gathered together simply murdered the old apple. Result: Ashland 11, Yreka 7.

Twenty hits, most of them long drives for extra bases and three of them home-runs tells the story of the undoing of Pitcher Bobby Edmonds, formerly of Santa Clara college and lately of Yreka.

The Right Honorable Kenneth Lilly, student-body president of Stanford University, won high honors with two home runs, a double and a single. The Left Honorable Dwight Wilson, student-body president of the University of Oregon, was close behind with a triple, a double and a single. Maybe a college education has its advantages after all. Mr. Eugene "Brick" Moody collected two doubles, Mr. Gravy Plymate got a triple and a single, Messrs. Veal, Shutt and Trigilas each got two healthy wallops and Mr. Coleman earned two pieces of pie for supper by pitching seven innings of winning ball and walloping out a home-run and two singles.

What do you think of that? And the Yreka bunch is a real gang of ball-players with three college men and several other old-time knights of the diamond. They held Dunsmuir to a 4 to 3 score on the previous Sunday.

Coleman got off to a bad start in the first two innings. He couldn't locate the pan to his satisfaction and the Yrekanites collected six runs. Then Coley settled down and he who saw first base was lucky. Chief Wilson tossed them over the last two innings and struck out three men, two of them after he had hit

(Continued on page eight)

Huns Finally Sign Treaty Of Peace

VERSAILLES, France—The peace treaty was signed Saturday afternoon in the historic Hall of Mirrors by the German peace delegation and their conquerors, formally ending the world's greatest war—a four-year struggle between the Teutonic autocracies and 27 other nations.

President Wilson and the American delegation completed signing the peace treaty at 3:14 o'clock Paris time. Premier Clemenceau put the direct question to the Germans whether they were willing to sign and execute loyally all the terms. Other delegates did not arise when the Germans came into the hall.

The treaty was signed by Dr. Herman Mueller at 3:12 and Dr. Johannes Bell at 3:13 for the Germans. The American delegation signed in this order: Secretary Lansing, Henry White, Colonel House and General Bliss.

The other delegations headed by the British signed after the American plenipotentiaries in the order set forth in the treaty.

All of the plenipotentiaries having signed the treaty M. Clemenceau declared the session closed. The German delegates left the hall first, the allied representatives remaining in their seats. Those who had assembled in the hall then went to the terrace to see the fountains playing.

HOLIDAY SCHEDULE AT THE POSTOFFICE

Friday, July 4th, will be a complete holiday at the Ashland post office. The service will be the same as Sunday except that mail will be distributed to lock boxes. Sunday schedule collection from street letter boxes.
